## Postmodern Fiction:

Postmodernist Fiction Brian McHale, 2003-09-02 In this trenchant and lively study Brian McHale undertakes to construct a version of postmodernist fiction which encompasses forms as wide ranging as North American metafiction Latin American magic realism the French New Novel concrete prose and science fiction Considering a variety of theoretical approaches including those of Ingarden Eco Dolezel Pavel and Hrushovski McHale shows that the common denominator is postmodernist fiction's ability to thrust its own ontological status into the foreground and to raise questions about the world or worlds in which we live Exploiting various theoretical approaches to literary ontology those of Ingarden Eco Dolezel Pavel Hrushovski and others and ranging widely over contemporary world literature McHale assembles a comprehensive repertoire of postmodernist fiction's strategies of world making and unmaking *American Fiction: Modernism-Postmodernism, Popular Culture, and Metafiction* Jaroslav Kušnir, 2012-01-31 Jaroslav Kušnir's book *American Fiction: Modernism Postmodernism Popular Culture and Metafiction* is a sequel to his previous study on American postmodern fiction entitled *Poetika americké postmoderní prózy* Richard Brautigan and Donald Barthelme *Poetics of American Fiction* Richard Brautigan and Donald Barthelme Prelovišće 2001 It explores various aspects of American postmodernist fiction as manifested in the works by Richard Brautigan Donald Barthelme and other American postmodernist authors such as Robert Coover E L Doctorow Kurt Vonnegut and Paul Auster Analyzing various short stories and novels the author shows differences between modernist and postmodernist literature in the works of Donald Barthelme the way postmodern parodies of popular literary genres give a critique of some aspects of American cultural identity and experience the American Dream individualism consumerism and he also shows different ways postmodern authors such as Robert Coover Kurt Vonnegut and Paul Auster create metafictional effect as one of the most significant aspects of postmodern literature **Postmodern Characters** Aleid Fokkema, 2024-08-26 Postmodern Fiction Larry McCaffery, 1986-09-23 The scope of the work is broad with European and Latin American influences well represented Recommended for collections that emphasize fiction of the past two decades Library Journal Postmodern Fiction in Canada Theo D'Haen, Hans Bertens, 1992 **British Postmodern Fiction** Theo D'Haen, Theo D'Haen, Johannes Willem Bertens, 1993 From Modernism to Postmodernism Gerhard Hoffmann, 2016-08-01 This systemic study discusses in its historical cultural and aesthetic context the postmodern American novel between the years of 1960 and 1980 A general overview of the various definitions of postmodernism in philosophy cultural theory and aesthetics provides the framework for the inquiry into more specific problems such as the broadening of aesthetics the relationship between aesthetics and ethics the transformation of the artistic tradition the interdependence between modernism and postmodernism and the change in the aesthetics of fiction Other topics addressed here include situationalism montage the ordinary and the fantastic the subject and the character the imagination comic modes and the future of the postmodern strategies The authors whose fiction is treated in some detail under the various aspects thematized are John

Holland, 2013-04-25 While critics collect around the question of what comes after postmodernism this book asks something different about recent American fiction what if we are seeing not the end of postmodernism but its belated success *Succeeding Postmodernism* examines how novels by DeLillo Wallace Danielewski Foer and others conceptualize threats to individuals and communities posed by a poststructural culture of mediation and simulation and possible ways of resisting the disaffected solipsism bred by that culture Ultimately it finds that twenty first century American

fiction sets aside the postmodern problem of how language does or does not mean in order to raise the reassuringly retro question of what it can and does mean it finds that novels today offer language as solution to the problem of language Thus it suggests a new way of reading antihumanist late postmodern fiction and a framework for understanding postmodern and twenty first century fiction as participating in a long and newly enlivened tradition of humanism and realism in literature

**Crifiction** Raymond Federman,1993-01-01 This book examines how beginning in the 1960s up to the present a new type of fiction was created in America but also in Europe and Latin America in response to the cultural social and political turmoil of the time The author has coined the term Surfiction for this New Fiction Written in an informal provocative style by an internationally known practitioner these essays examine the cultural social and political conditions that forced serious writers to reflect often within the work itself on the act of writing fiction in the modern world The entire book can be read as a manifesto for the present and future of the new fiction This book is the first in the SUNY series in Postmodern Culture edited by Joseph Natoli

*Late Postmodernism* J. Green,2005-05-12 Does the novel have a future Questions of this kind which are as old as the novel itself acquired a fresh urgency at the end of the twentieth century with the rise of new media and the relegation of literature to the margins of American culture As a result anxieties about readership cultural authority and literary value have come to preoccupy a second generation of postmodern novelists Through close analysis of several major novels of the past decade including works by Don DeLillo Philip Roth Kathryn Davis Jonathan Franzen and Richard Powers *Late Postmodernism* examines the forces shaping contemporary literature and the remarkable strategies American writers have adopted to make sense of their place in culture *Postmodern Fiction in Europe and the Americas* ,2024-09-02

**Postmodernism, Twenty-First Century Culture, and American Fiction** Matt Graham,2024-07-19 Postmodernism s end is a complex and contentious topic Yet one overarching consensus emerges the postmodern has been surpassed This book poses a thought experiment challenging this position what if postmodernism persists within the twenty first century Rather than designate a new epoch or coherent movement this book interrogates the fragmented contradictory and counterintuitive endurance of postmodern aesthetics within post Cold War America An alternative use of postmodern aesthetics becomes possible when they are decoupled from their twentieth century historical location Collectively these repetitions posit a postmodern continuum contrasting the widely called for succession of postmodernism via this decoupling When postmodern aesthetics are no longer unconsciously repeated within their cultural moment this emergent shift within a period after postmodernism presents an alternative historical positioning and use After their cultural vanguard postmodern aesthetics become a confrontation of the chaotic realism of an inescapable post Cold War capitalism tapping into this cultural zeitgeist through literature *Defining Literary Postmodernism for the Twenty-First Century* Matthias Stephan,2019-04-25 This book presents a definition of literary postmodernism using detective and science fictions as a frame Through an exploration of both prior theoretical approaches and indicators through characteristics of postmodernist fiction this book

identifies a structural framework to both understand and apply the lessons of postmodernism for the next generation Within a growing consensus that the postmodern era has passed this book examines the different conceptions of postmodernism and posits a meaningful definition one which can provide the foundation for future literary expression This theory is then applied to genre fiction particularly detective fiction and science fiction demonstrating that postmodernism is found in the structure rather than questions posed about literary expression Finally Matthias Stephan considers post postmodern movements and how they can be expressed given this definition of literary postmodernism moving forward to the twenty first century
