Development in the Postmodern Era Patrick Slattery, 2012-12-06 First Published in 2006 Routledge is an imprint of Taylor Francis an informa company *Thinking Again* Nigel Blake, 1998-04-30 The postmodern condition in which instrumentalism finally usurps all other considerations has produced a kind of intellectual paralysis in the world of education The authors of this book show how such postmodernist thinkers as Derrida Foucault and Lyotard illuminate puzzling aspects of education arguing that educational theory is currently at an impasse They argue that we need these new and disturbing ideas in order to think again fruitfully and creatively about education Marxism Against Postmodernism in Educational Theory Mike Cole, Dave Hill, Peter McLaren, 2002-12-11 Postmodernism has become the orthodoxy in educational theory It heralds the end of grand theories like Marxism and liberalism scorning any notion of a united feminist challenge to patriarchy of united anti racist struggle and of united working class movements against capitalist exploitation and oppression For postmodernists the world is fragmented history is ended and all struggles are local and particularistic Written by internationally renowned British and American educational theorists Marxism Against Postmodernism in Educational Theory a substantially revised edition of the original 1999 work Postmodernism in Educational Theory critically examines the infusion of postmodernism and theories of postmodernity into educational theory policy and research The writers argue that postmodernism provides neither a viable educational politics nor the foundation for effective radical educational practice and offer an alternative politics of human resistance which puts the challenge to capitalism firmly on the agenda of educational theory politics and practice **Curriculum Development in the Postmodern Era** Patrick Slattery, 1995 Suggests approaches to elementary and secondary school curriculum development that integrate postmodern ideas on religion race gender philosophy global ecology politics aesthetics autobiography and cosmology Also emphasizes the importance of interaction and equality in the curriculum Of i *The Problem of Freedom in Postmodern Education* Tomasz Szkudlarek, 1993-06-21 Postmodernism in the West and post socialism in Eastern Europe create a new educational situation where basic issues of subjectivity identity human freedom and social agency need to be reevaluated and reconstructed This situation affects both sides of the former Iron Curtain since East and West served as each other's Other in terms of identity formation This book deals with the problem of freedom and identity in educational theories as they are reinterpreted in the critical perspective of postmodern social theory and postsocialist political openness It sketches out a meta theoretical perspective on emancipatory education in a broad transcultural context appropriate to the new global community **Postmodernism in Educational Theory** Dave Hill, 1999 Argues that despite claims of self styled postmodernists of resistance postmodernism provides neither a viable educational politics nor a foundation for effective radical educational practice In place of postmodernism the book outlines a politics of human resistance which puts the challenge to capitalism and its attendant inequalities firmly on the agenda of

educational theory politics and practice *Postmodernism in Education*, 2006 *Art Education* James Hutchens, Marianne Stevens Suggs, 1997 This book examines the effect of postmodern discourse on the content and practice of art in the K 12 schools and university preservice education programs for art teachers an education that references and places emphasis upon the economic political social and cultural factors inscribed upon the artworld [Http www.naea-reston.org/publications/list.html](http://www.naea-reston.org/publications/list.html) *The Trouble with Theory* G. N. Kitching, 2008 A critique of postmodernism and poststructuralism and an examination of their impact on higher education Argues that students influenced by these trends in philosophy produce radically incoherent ideas about language meaning truth and reality Provided by publisher **The Learning Society in a Postmodern World** Kenneth Wain, 2004 Lifelong learning has become a key concern as the focus of educational policy has shifted from mass schooling toward the learning society The shift started in the mid 1960s and early 1970s under the impetus of a group of writers and adult educators gravitating around UNESCO with a humanist philosophy and a leftist agenda The vocabulary of that movement was appropriated in the 1990s by other interests with a very different performativist agenda emphasizing effectiveness and economic outcomes This change of interest described in the book has signified the death of education The Learning Society in a Postmodern World explores different theoretical resources to respond to this situation mainly those that propose some restoration of an educated public or to the contrary individual self creation and uses the works of a broad range of philosophers and thinkers notably MacIntyre Habermas Foucault Derrida Rorty and Baudrillard In addition it raises important questions about postmodern and poststructuralist responses to education in the postmodern world Its comprehensiveness and historical background make it an essential textbook for theoretical courses in lifelong learning and in educational theory in general A broad range of interests and subject matter make it important reading for educators policy specialists media specialists researchers on the subject of lifelong learning and on the relation between education and the postmodern world political theorists philosophers and philosophers of education **Postmodernism - Local Effects, Global Flows** Vincent B. Leitch, 1996-07-01 Offers readable case studies in postmodern economics philosophy literary criticism feminism pedagogy poetry painting historiography and cultural studies showing disorganization as characteristic of postmodern times *EBOOK: Reflective Teaching in the Postmodern World* Stuart Parker, 1997-03-16 A well written and stimulating excursion into postmodern education Parker's challenge to critical educational theory can in the long run only help the left rethink and deepen its political project Peter McLaren University of California Los Angeles This is a book about two stories of education In one story there is a vocabulary of means efficiency bureaucracy inspection and science in the other one of autonomy democracy emancipation and action research One is the story of positivist managerialist approaches to education the other is the story of reflective teaching This book displaces both of these stories By applying the techniques of deconstruction Stuart Parker overturns the assumptions common to both of these positions and in doing so jettisons some widely cherished beliefs about education autonomy and rationality Moving

beyond current debates this book articulates a new manifesto for education in postmodernity and highlights the implications for educational practices and institutions

Education and Society Len Barton, 2006-11-22 The British Journal of Sociology of Education has established itself as the leading discipline based publication This collection of selected articles published since the first issue provides the reader with an informed insight and understanding of the nature range and value of sociological thinking its development over the last twenty five years as well as the analysis of the relationship between society and education Divided into four sections the book covers social theory and education social inequality and education sociology of institutions curriculum and pedagogy research practices in the sociology of education The intention of this form of organisation is to provide the reader with an awareness and understanding of multiple perspectives within the discipline as well as key conceptual theoretical and empirical material including a wealth of insights ideas and questions The editor s specially written introduction to each section contextualises the selection and introduces readers to the main issues and current thinking in the field

Postmodernism, Post-colonialism and Pedagogy Peter McLaren, 1995 POSTMODERNISM POSTCOLONIALISM and PEDAGOGY offers a trenchant and sophisticated criticism of forms of educational discourse that subordinate advocacy to analysis depoliticise the margins and reject the struggle for social justice as a legitimate aspect of social scientific and educational practice Pushing the limits of current educational thinking this volume defines the Issues that will be at the forefront of educational debate in the coming decade A timely and controversial collection POSTMODERNISM POSTCOLONIALISM and PEDAGOGY is at the cutting edge of critical educational theory
