Postmortem On Malaya:

Postmortem on Malaya Virginia Thompson, 1943 *Postmortem on Malaya* Virginia Thompson, 1943 **Postmortem on Malaya** Virginia McLean Thompson, 1977-06-01 *Men Who Lost Singapore, 1938-1942* Ronald McCrum, 2018-04-27

The British military failure against the Japanese invasion of Singapore in 1942 is a well documented and closely examined episode While attention is frequently drawn to the role of the Colonial Governor and his staff during this period the participation of the civil authorities has not been subjected to the same rigorous scrutiny In this book Ronald McCrum undertakes a close examination of the role and the responsibilities of the colonial authorities both in the lead up to the war and during it He contends that the colonial government by pursuing different priorities needlessly created distraction and confusion Additionally the poor even hostile relations that developed between the local government and the British military hierarchy impeded a joint approach to the growing threat and affected the course of this campaign McCrum displays how the tawdry management of civil defence matters led to unnecessary loss of civilian life **The Problems of Post-war Malaya** Peggy Yuhung Wong, 1951 **The Life After Death in Oceania and the Malay Archipelago** Rosalind Louisa Beaufort Moss, 1925 *A History of Malaysia* Barbara Watson Andaya, Leonard Y. Andaya, 2001-01-01 Malaysia's multicultural society supports one of the most dynamic economies in Asia This completely revised new edition of the standard text first published twenty years ago traces the history of the country from early times to the present day The authors give particular attention to the evolution of Malay politics and their close links with indigenous groups who lived on the oceans and in the deep jungles of the region from Sumatra to Borneo This provides the background to the establishment of the Malay port of Melaka which was conquered by the Portuguese in 1511 foreshadowing the establishment of a British colonial regime in the late nineteenth century Although the large numbers of Chinese and Indian migrants who arrived to work in the tin and rubber industries contributed to economic expansion colonial policies did not encourage communal interaction The authors trace the process by which post independence leaders in Malaya attempted to counter the legacy of ethnic hostility while answering Malay demands for an affirmation of their rights and a stronger commitment to Islam The incorporation of the Borneo states of Sarawak and Sabah into the Federation of Malaysia in 1963 rendered the goal of welding a nation from areas that were geographically separated and culturally disparate even more problematic The intense emotions attached to issues of race were made tragically evident in the racial riots of May 1969 which this book sees as a watershed in modern Malaysian history As Malaysia enters the twenty first century the government is determined to oversee the transition to an economy focused on manufacturing and advanced technology and to eliminate poverty and the association between occupation and race While several recent studies deal with the impact of colonial rule and Malaysia's spectacular economic transition this book is unique because it tracks developments from early times and identifies continuities as well as change Combining the authors specialist knowledge of precolonial sources with the most recent contemporary research this new edition reinforces the

position of A History of Malaysia position as a standard reference for all those interested in the historical processes which led to the emergence of this culturally varied and economically energetic country *Indians in Malaya* George Netto,1961

Traditionalism and the Ascendancy of the Malay Ruling Class in Malaya Donna J. Amoroso,2014-05-26 In this original and perceptive study Donna J Amoroso argues that the Malay elites preeminent position after the Second World War had much to do with how British colonialism reshaped old idioms and rituals _ helping to re invent a tradition In doing so she illuminates the ways that traditionalism reordered the Malay political world the nature of the state and the political economy of leadership In the postwar era traditionalism began to play a new role it became a weapon which the Malay aristocracy employed to resist British plans for a Malayan Union and to neutralise the challenge coming groups representing a more radical democratic perspective and even hijacking their themes Leading this conservative struggle was Dato Onn bin Jaafar who not only successfully helped shape Malay opposition to the Malayan Union but was also instrumental in the creation of the United Malays National Organisation UMNO that eventually came to personify an acceptable Malay nationalism Traditionalism and the Ascendancy of the Malay Ruling Class in Colonial Malaya is an important contribution to the history of colonial Malaya and more generally to the history of ideas in late colonial societies **MYCDCGP - Guidelines of Mpox Managemnet in Malaysia (3rd Edition)** Bahagian Kawalan Penyakit, Kementerian Kesihatan Malaysia, *MYCDCGP - Guideline MERS Management In Malaysia* Bahagian Kawalan Penyakit, Kementerian Kesihatan Malaysia, **MYCDCGP - Guideline of Middle East Respiratory Syndrome (MERS) Management in Malaysia** Bahagian Kawalan Penyakit, Kementerian Kesihatan Malaysia, **The Laws of the Federated Malay States, 1877-1920** Federated Malay States,1921

The Culture-Bound Syndromes Ronald C. Simons,C.C. Hughes,2012-12-06 In the last few years there has been a great revival of interest in culture bound psychiatric syndromes A spate of new papers has been published on well known and less familiar syndromes and there have been a number of attempts to put some order into the field of inquiry In a review of the literature on culture bound syndromes up to 1969 Yap made certain suggestions for organizing thinking about them which for the most part have not received general acceptance see Carr this volume p 199 Through the seventies new descriptive and conceptual work was scarce but in the last few years books and papers discussing the field were authored or edited by Tseng and McDermott 1981 Al Issa 1982 Friedman and Faguet 1982 and Murphy 1982 In 1983 Favazza summarized his understanding of the state of current thinking for the fourth edition of the Comprehensive Textbook of Psychiatry and a symposium on culture bound syndromes was organized by Kenny for the Eighth International Congress of Anthropology and Ethnology The strong est impression to emerge from all this recent work is that there is no substantive consensus and that the very concept culture bound syndrome could well use some serious reconsideration As the role of culture specific beliefs and prac tices in all affliction has come to be increasingly recognized it has become less and less clear what sets the culture bound syndromes apart *MYCDCGP - Guidelines on Ebola Virus Diseases Management in Malaysia* Bahagian Kawalan

Tribal Communities in the Malay World Geoffrey Benjamin, 2003-08-01 The Malay World Alam Melayu spanning the Malay Peninsula much of Sumatra and parts of Borneo has long contained within it a variety of populations Most of the Malays have been organized into the different kingdoms kerajaan Melayu from which they have derived their identity But the territories of those kingdoms have also included tribal peoples both Malay and non Malay who have held themselves apart from those kingdoms in varying degrees In the last three decades research on these tribal societies has aroused increasing interest This book explores the ways in which the character of these societies relates to the Malay kingdoms that have held power in the region for many centuries past as well as to the modern nation states of the region It brings together researchers committed to comparative analysis of the tribal groups living on either side of the Malacca Straits in Indonesia Malaysia Thailand and Singapore New theoretical and descriptive approaches are presented for the study of the social and cultural continuities and discontinuities manifested by tribal life in the region
