Postwar World China Since 1949

Peter Lowe

Postwar World China Since 1949:

Leftist Internationalisms Michele Di Donato, Mathieu Fulla, 2023-01-26 This volume offers a new perspective on the political history of the socialist communist and alternative political Lefts focusing on the role of networks and transnational connections Embedding the history of left wing internationalism into a new political history approach it accounts for global and transnational turns in the study of left wing politics The essays in this collection study a range of examples of international engagement and transnational cooperation in which left wing actors were involved and explore how these interactions shaped the globalization of politics throughout the 20th century In taking a multi archival and methodological approach this book challenges two conventional views that the left gradually abandoned its original international to focus exclusively on the national framework and that internationalism survived merely as a rhetorical device Instead this collection highlights how different currents of the Left developed their own versions of internationalism in order to adapt to the transformation of politics in the interdependent 20th century world Demonstrating the importance of political convergence alliance formation network construction and knowledge circulation within and between the socialist and communist movements it shows that the influence of internationalism is central to understanding the foreign policy of various left wing parties and movements

China and the Major Powers in East Asia A. Doak Barnett, 2001-09-19 The foreign policy of the People's Republic of China has been dominated in recent decades by the problems of dealing with the other major powers in East Asia Although many ideological political and economic aims have shaped particular Chinese policies Peking's dominant concern has been national security Since the late 1960s its leaders have viewed the Soviet Union as the primary threat to China and have pursued a distinctive Maoist balance of power strategy against it China's post Mao leaders continue to give priority to strategic considerations and the problems of relations with the other major powers It cannot be assumed however that they will simply continue past policies The recent changes both within China and in the broad pattern of international relations in East Asia have created a new situation In this study A Doak Barnett analyzes in detail China's bilateral relations with the Soviet Union Japan and the United States He also examines the changing nature of the four power relationship in East Asia On this basis he discusses possible future trends in Chinese policy and the prospects for achieving a more stable regional equilibrium

Rethinking the Korean War William Stueck, 2013-04-25 Fought on what to Westerners was a remote peninsula in northeast Asia the Korean War was a defining moment of the Cold War It militarized a conflict that previously had been largely political and economic And it solidified a series of divisions of Korea into North and South of Germany and Europe into East and West and of China into the mainland and Taiwan which were to persist for at least two generations Two of these divisions continue to the present marking two of the most dangerous political hotspots in the post Cold War world The Korean War grew out of the Cold War it exacerbated the Cold War and its impact transcended the Cold War William Stueck presents a fresh analysis of the Korean War's major diplomatic and strategic issues Drawing on a cache of newly

available information from archives in the United States China and the former Soviet Union he provides an interpretive synthesis for scholars and general readers alike Beginning with the decision to divide Korea in 1945 he analyzes first the origins and then the course of the conflict He takes into account the balance between the international and internal factors that led to the war and examines the difficulty in containing and eventually ending the fighting This discussion covers the progression toward Chinese intervention as well as factors that both prolonged the war and prevented it from expanding beyond Korea Stueck goes on to address the impact of the war on Korean American relations and evaluates the performance and durability of an American political culture confronting a challenge from authoritarianism abroad Stueck s crisp yet in depth analysis combines insightful treatment of past events with a suggestive appraisal of their significance for present and future

China and the Three Worlds: A Foreign Policy Reader King C. Chen,2017-07-28 This title was first published in 1979 The reopening of China in 1971 by President Richard Nixon has already been regarded as a turning point of China s foreign policy and international politics It has facilitated the reestablishment of Peking s diplomatic relations after the Cultural Revolution broadened the dimension of China s international political economic and cultural activities and promoted China s campaign against hegemonism of the superpowers Its impact on China s relationships with the outside world particularly the United States and Third World countries is immeasurable This volume explores the the three world theory is China s Mao Tse tung s new concept of world politics after the Sino American rapprochement This concept originally developed from the Soviet twocamp theory of 1947 has an immediate connection with Peking s intermediate zone theory of 1964

British and American News Maps in the Early Cold War Period, 1945-1955 Jeffrey P. Stone,2019-06-06 During the early years of the Cold War England and the United States both found themselves reassessing their relationship with their former ally the Soviet Union and the status of their own special relationship was far from certain As Jeffrey P Stone argues maps from British and American news journals from this period became a valuable tool for relating the new realities of the Cold War to millions of readers These maps were vehicles for political ideology revealing both obvious and subtle differences in how each country viewed global geopolitics at the onset of the Cold War Richly illustrated with news maps cartographic advertisements and cartoons from the era this book reveals the idiomatic political cultural and material differences contributing to these divergent cartographic visions of the Cold War world

China: A Political History, 1917-1980 Richard C. Thornton,2019-08-27 It is the purpose of this work to provide an integrated analytical framework that will serve as a guide to further study of the vast and complex subject of Chinese Communist politics The outpouring of materials from U S Soviet Chinese Communist and Chinese Nationalist sources in recent years has greatly enriched our fund of knowledge about China For the historian of Chinese politics the new data have provided answers to hitherto unresolved problems and raised questions about seemingly settled issues Although it is now possible to piece together the main outlines of the struggle for power in China obviously no single volume can presume to encompass all aspects of the story

The Chinese Triangle of

Mainland China, Taiwan, and Hong Kong Alvin Y. So, Nan Lin, Dudley Poston, 2001-07-30 The Chinese triangle of mainland China Hong Kong and Taiwan constitutes one of the most dynamic regions in the world economy Since the late 1970s these three societies have experienced increasing economic integration however studies aimed at analyzing and explaining this integration have often overlooked the very important role social institutions have played in the shaping of this process To fill this gap this book adopts a systematic institutional approach designed to examine the different patterns of institutions in the three countries and to discuss how such social institutions as the economy gender social networks and the Chinese diaspora have exerted a profound impact on all three societies The chapters taken together argue that different patterns of institutional configuration have led to divergent paths of development and that this divergence will have significant implications on the prospects for Chinese national reunification in the twenty first century The Introductory chapter provides a historical discussion on the origins and the transformation of the Chinese triangle during the second half of the twentieth century The remainder of the volume is broken into four topics considered crucial for understanding the transformation of the Chinese triangle economic transformation gender social networks and the Chinese diaspora As globalization impacts the Chinese triangle studies that consider the issues from the perspective of social institutions will be increasingly important to understanding the area as it develops in the world economy

America, China, and the Struggle for World Order G. John Ikenberry, Zhu Feng, Wang Jisi, 2015-07-22 This book brings together twelve scholars six Americans and six Chinese to explore the ways America and China think about international order The book shows how each country s traditions historical experiences and ideologies influence current global dialogues

The Sino-Soviet Alliance Austin Jersild, 2014-02-03 In 1950 the Soviet Union and the People s Republic of China signed a Treaty of Friendship Alliance and Mutual Assistance to foster cultural and technological cooperation between the Soviet bloc and the PRC While this treaty was intended as a break with the colonial past Austin Jersild argues that the alliance ultimately failed because the enduring problem of Russian imperialism led to Chinese frustration with the Soviets Jersild zeros in on the ground level experiences of the socialist bloc advisers in China who were involved in everything from the development of university curricula the exploration for oil and railway construction to piano lessons Their goal was to reproduce a Chinese administrative elite in their own image that could serve as a valuable ally in the Soviet bloc s struggle against the United States Interestingly the USSR s allies in Central Europe were as frustrated by the great power chauvinism of the Soviet Union as was China By exposing this aspect of the story Jersild shows how the alliance and finally the split had a true international dimension

The Flip Side Professor Stuart Christie, 2024-12 Benefiting from recently catalogued archival materials *The Flip Side* Old China Hands and the American Popular Imagination 1935-1985 evaluates the influence of an ensemble of well known Americans born or bred in China Pearl S Buck Henry R Luce Owen Lattimore and John Hersey after their return to the United States of America The children of missionaries and others serving China all contributed in significant ways to the globalisation of the American ideal in the

20th century even as each sought in different roles as publishers as novelists as scholars to centre Chinese values and concerns in the anglophone public sphere As Chinese ideas and values met the projection of American soft power and governmentality a uniquely bilateral global imaginary arose wherein respect for China as an emerging force encountered Western reaction For these old China hands the return to the USA resulted in unique and differing sociocultural formations Buck s intersectional literary populism on behalf of the Chinese people Henry R Luce s press internationalism Lattimore s inner Asian regional imaginaries and Hersey s China trilogy allegories All were keen observers of and participants in international networks combining a diversity of China based expertise and resources that continued to inform their everyday work at a great distance Both public and private these networks onshore and off enabled and energised their own advocacy that dared to imagine a Chinese future distinct from its colonial or semi feudal past The Flip Side asserts that these American stakeholders occupied a transitional but crucial role in the rise of China in Western imagination prior to China s assertion of sovereignty over its own global role and message *Forthcoming Books* Rose Army,1989-05 *United States History* James Warren Oberly,1995 The Cold War in the Third World Robert J. McMahon,2013-06-13 This collection explores the complex interrelationships between the Soviet American struggle for global preeminence and the rise of the Third World Featuring original essays by twelve leading scholars it examines the influence of Third World actors on the course of the Cold War Cold War Carole K. Fink,2021-11-29 Now in its third edition Cold War provides an accessible and comprehensive account of the decades long conflict between two nuclear armed Superpowers during the twentieth century This book offers a broader timeline than any other Cold War text charting the lead up to the conflict from the Russian Revolution to World War II providing an authoritative narrative and analysis of the period between 1945 and 1991 and scrutinizing the 30 year aftermath including the prospect of a new Cold War In this new edition Carole K Fink provides new insights and perspectives on key events with an emphasis on people power and ideas The third edition covers developments in Africa Asia the Middle East and Latin America as well as in Europe It also includes Eleven new or revised maps that illustrate the global reach of the long conflict An extended chronology that includes recent international events A discussion of the post Cold War roles of the US Russia and China in world politics An updated bibliography reflecting new scholarship in Cold War and post Cold War history Cold War is the consummate book on this complex twentieth century rivalry and will be of interest to students of contemporary US and international history and history enthusiasts alike **A History of China** Morris Rossabi,2021-02-25 Discover the complexity of China s past with this multi faceted portrayal of the storied nation from a leading expert in the field The newly revised Second Edition of A History of China delivers a comprehensive treatment of the political economic social and cultural history of China that covers all major events and trends that have shaped the country over the centuries The book is written in a clear and uncomplicated style sure to be of assistance to undergraduate students with little prior background knowledge in the subject matter The text examines Chinese history through a global lens to better understand

how foreign influences affected domestic policies and practices It includes discussions of the roles played by non Chinese ethnic groups in China like the Tibetans and Uyghurs and the Mongol and Manchu rulers who held power in China for several centuries The distinguished author takes pains to incorporate the perspectives and narratives of people traditionally left out of Chinese history including women peasants merchants and artisans Readers will also enjoy the inclusion of A thorough introduction to early and ancient Chinese history including classical China the first Chinese empires and religious and political responses to the period between 220 and 581 CE An exploration of the restoration of Empire under Sui and Tang as well as post Tang society and Glorious Song A discussion of China and the Mongol world including Mongol rule in China and the isolationism and involvement on the global stage of the Ming dynasty A treatment of China in global history including the Qing era the Republican period and the Communist era Perfect for undergraduate students of courses on Chinese history and Central Asian History the Second Edition of A History of China will also earn a place in the libraries of students studying global history and related classes in history departments and departments of Asian studies The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

The Origins of the Korean War Peter Lowe, 2014-07-30 The impressive Second Edition of this standard study incorporates important new evidence on the origins of the war from Chinese and Russian archives It reveals that Stalin encouraged the attack on South Korea but also confirms that the original initiative came from North Korea Peter Lowe has also written an extended conclusion with a discussion of the Koreas in the late 1990s and the challenges involved in securing their reunification

China's Second Revolution Harry Harding, 2010-12-01 China has since 1976 been enmeshed in an extraordinary program of renewal and reform The obvious changes the T shirts blue jeans makeup and jewelry worn by Chinese youth the disco music blaring from radios and loudspeakers on Chinese streets the television antennas mushrooming from both urban apartment complexes and suburban peasant housing the bustling free markets selling meat vegetables and clothing in China's major cities reflect a fundamental shift in the government's policy toward the economy and political life Although doubts about the long term commitment to reform arose after the student protests in December 1986 and the dismissal of Party General Secretary Hu Yaobang in January 1987 the scope of reform has been so broad and the pace of change so rapid that the post Mao era fully warrants Deng Xiaoping's description of it as the second revolution undertaken by the Chinese

Communist Party *The Diplomacy of the Crucial Decade* Diane B. Kunz, 1994 Although the foreign policy decisions made by Kennedy and Johnson determined the final form of postwar diplomacy and laid the foundation for the tumultuous worldwide political changes of the last five years until now no book has examined American diplomacy during 1960s as a whole During his presidency Kennedy concentrated on foreign policy The president and his staff feared that communism had taken the offensive internationally and that the U S was in danger of losing the confrontation particularly in the developing world While Johnson attempted to focus on domestic issues foreign issues nevertheless loomed large Consequently the contributors to this volume argue all aspects of American foreign policy during that decade must be viewed through the prism of the fight against communism The chapters which were commissioned for this book by the editor examine the major subjects and themes of this period in a way that provides new insight to students and general readers alike Each chapter also contains brief notes and a bibliographic sketch *China's International Roles* Sebastian Harnisch, Sebastian Bersick, Jörn-Carsten Gottwald, 2015-07-16 This collection examines changes in China's international role over the past century Tracing the links between domestic and external expectations in the PRC's role conception and preferred engagement patterns in world politics the work provides a systematic account of changes in China's role and the mechanisms of role taking Individual chapters address the impact of China's history and identity on its bilateral role taking patterns with the United States Japan Africa the Europe Union and Socialist States as well as China's role in international institutions the G 20 and East Asia's Financial Order Each of the empirical chapters is written to a common template exploring the role of historical self identification altercasting and domestic role contestation in shaping the PRC's role The volume provides an analytically coherent framework evaluating whether cooperation or conflict in China's international engagement is likely to increase and if so the extent to which this will follow from incompatible domestic demands and external expectations By combining a theoretical framework with strong comparative case studies this volume contributes to the ongoing debate on China's rise and integration into the international society and provides sound conclusions about the prospects for a transition of China's purpose in world politics **China and the Global Economy Since 1840** L. Aiguo, 2016-04-30 This is a study of the long run evolution of the relationship between China and the world economy The book presents an original interpretation of the country's socio economic processes in the past 150 years focusing on China's interaction with the expanding capitalist world economy The author argues that the general thrust of China's quest for development or modernization has been to catch up with the wealthy nations of the West and goes on to explain the changing paths and outcomes The book proceeds chronologically from China's mid nineteenth century incorporation to the world economy starting from a semi colonial state to the Maoist state led industrialization after 1949 and to the post Mao liberalization and reintegration By carefully examining the patterns of development in these three major periods of the nation's history it addresses fundamental issues pertaining to the making of modern China This rigorously argued book will be a timely and much debated contribution as the

rise of China in the twenty first century has become an issue of our time

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Postwar World China Since 1949**

In some sort of inundated with displays and the cacophony of fast conversation, the profound energy and mental resonance of verbal beauty usually fade into obscurity, eclipsed by the regular barrage of noise and distractions. Postwar World China Since 1949 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Postwar World China Since 1949 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Postwar World China Since 1949 has opened up a world of possibilities. Downloading Postwar World China Since 1949 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Postwar World China Since 1949 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Postwar World China Since 1949. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Postwar World China Since 1949. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Postwar World China Since 1949, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute

malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Postwar World China Since 1949 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Postwar World China Since 1949 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Postwar World China Since 1949 is one of the best book in our library for free trial. We provide copy of Postwar World China Since 1949 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Postwar World China Since 1949. Where to download Postwar World China Since 1949 online for free? Are you looking for Postwar World China Since 1949 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Postwar World China Since 1949. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Postwar World China Since 1949 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download

on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Postwar World China Since 1949. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Postwar World China Since 1949 To get started finding Postwar World China Since 1949, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Postwar World China Since 1949 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Postwar World China Since 1949. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Postwar World China Since 1949, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Postwar World China Since 1949 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Postwar World China Since 1949 is universally compatible with any devices to read.
