

Postwar Japan As History

Shunsuke Tsurumi

Postwar Japan As History:

Postwar Japan as History Andrew Gordon, 1993-10-20 As they examine three related themes of postwar history the authors describe an ongoing historical process marked by unexpected changes such as Japan's extraordinary economic growth and unanticipated continuities such as the endurance of conservative rule From publisher's description [Japan Since 1945](#) Christopher Gerteis, Timothy S. George, 2012-12-20 Does Japan really matter anymore The challenges of recent Japanese history have led some pundits and scholars to publicly wonder whether Japan's significance is starting to wane The multidisciplinary essays that comprise *Japan Since 1945* demonstrate its ongoing importance and relevance Examining the historical context to the social cultural and political underpinnings of Japan's postwar development the contributors re-engage earlier discourses and introduce new veins of research *Japan Since 1945* provides a much needed update to existing scholarly work on the history of contemporary Japan It moves beyond the lost decade and terrible devastation frameworks that have thus far defined too much of the discussion offering a more nuanced picture of the nation's postwar development

A Cultural History of Postwar Japan 1945-1980 Shunsuke Tsurumi, 2013-10-28 First Published in 1987 Japan's surrender on 15 August 1945 was an unprecedented event in Japanese history The shift from the life of hunger to the life of saturation that took place between 1945 and 1980 has brought about a great change in life style The significance of this change will be a subject of reassessment for many years to come This book presents an outline of such a change in the domain of mass culture a sector of Japanese culture most indicative of the change after the defeat and the subsequent economic recovery

History, Memory, & Politics in Postwar Japan Kaoru Iokibe, Kazuo Komiya, Yūichi Hosoya, Taizō Miyagi, Tokyo Foundation for Policy Research. Political and Diplomatic Review Project, 2020 Memories can be shared or contested Japan and Korea just one case in point share centuries of intertwined history the nature of which continues to be disputed particularly with regard to World War II The authors of *History Memory and Politics in Postwar Japan* explore Japan's historical narratives and their impact on both domestic politics and diplomatic relations as they have evolved from 1946 to the present Presenting the results of more than a decade of collaborative research their book is a rich contribution to our understanding not only of Japanese politics but also of how the historical narratives that we embrace have far reaching consequences

Japan's Postwar History Gary D. Allinson, 2004 The second edition of the book that provides a unique integrated analysis of Japan's social political and economic history from 1932 until the present day [A Cultural History of Postwar Japan](#) Shunsuke Tsurumi, 2011 [Japan's Postwar](#) Michael Lucken, Anne Bayard-Sakai, Emmanuel

Lozerand, 2013-03-01 Historical surveys of postwar Japan are usually established on the grounds that the era is already over interpreting postwar to be the years directly proceeding World War II However the contributors to this book take a unique approach to the concept of the postwar epoch and treat it as a network of historical time frames from the modern period and connect these time capsules to the war to which they are inextricably linked The book's strength is in its very interdisciplinary

approach to examining postwar Japan and as such it includes chapters centred on subjects as diverse as politics poetry philosophy economics and art which serve to fill the blanks in the collective cultural memory that historical narratives leave behind Originally published in French this new translation offers the English speaking world important access to a major work on Japan which has been greatly enriched by the translator's great accuracy and knowledge of English French and Japanese language history and culture Japan's Postwar will appeal to students and scholars of Japanese Studies and Modern Japanese History as well as historians studying the world after 1945

The Diplomatic History of Postwar Japan Makoto Iokibe, Translated and Annotated by Robert D. Eldridge, 2013-10-31 Winner of the prestigious Yoshida Shigeru Prize 1999 for the best book in public history when it was published in its original Japanese this book presents a comprehensive and up to date overview of Japan's international relations from the end of the Pacific War to the present Written by leading Japanese authorities on the subject it makes extensive use of the most recently declassified Japanese documents memoirs and diaries It introduces the personalities and approaches Japan's postwar leaders and statesmen took in dealing with a rapidly changing world and the challenges they faced Importantly the book also discusses the evolution of Japan's presence on the international stage and the important if underappreciated role Japan has played The book examines the many issues which Japan has had to confront in this important period from the occupation authorities in the latter half 1940s to the crisis filled 1970s from the post Cold War decade to the contemporary war on terrorism The book examines the effect of the changing international climate and domestic scene on Japan's foreign policy and the way its foreign policy has been conducted It discusses how the aims of Japan's foreign relations and how its relationships with its neighbours allies and other major world powers have developed and assesses how far Japan has succeeded in realising its aims It concludes by discussing the current state of Japanese foreign policy and likely future developments

A Cultural History of Postwar Japan, 1945-1980 Shunsuke Tsurumi, 1987

A Cultural History of Postwar Japan Oliviero Frattolillo, 2023-07-14 This book is a political and cultural history of the early postwar Japan aiming at exploring how the perception and cultural values of everyday life in the country changed along with the rise of the *kasutori* culture Such a process was closely tied with both a refusal of the samurai culture and the interwar debate on modernity and it resulted in a decadent way of life exemplified by intellectuals such as Sakaguchi Ango It depicts a short lived radical cultural and social alternative one that forced people to rethink their relationship to the *kokutai* modernity social roles daily practices and the production of knowledge The subjectivity and daily practices in those years were more important in shaping the cultural identities of the Japanese than the new public ideology of the nation This challenges some Euro American historical notions that the new private sphere has emerged in Japan as an effect of the country's Americanization rather than from within it This work not only looks at the immediate aftermath of WWII from the perspective of Japan but also tries to rethink Westernization in the light of its global appropriation This volume is addressed to specialists of Japanese or Asian history but it will also attract historians of the United States and

readers from political and intellectual history cultural studies and historiography in general *Women's History and Local Community in Postwar Japan* Curtis Anderson Gayle, 2013-01-11 Examines the emergence of women's history writing groups in Japan Uses interviews conducted with founding members and analysis of primary documents and publications by history writing groups Will appeal to students and scholars of Japanese History Asian History Women's Studies Historiography and Marxism **History, Memory, and Politics in Postwar Japan** Kaoru Iokibe, Kazuo Komiya, Yūichi Hosoya, Taizō Miyagi, 2020 Explores Japan's historical narratives and their impact on both domestic politics and diplomatic relations as they have evolved from 1946 to the present A History of Postwar Japan Simon Avenell, 2025-08-31 This sweeping history tells the story of contemporary Japan from its defeat in the Asia Pacific War in 1945 until the early decades of the new millennium How did the Japanese people deal with the collapse of its empire and the American led occupation What factors played into Japan's remarkable economic recovery and stunning affluence How did democracy develop under the new pacifist constitution and long term conservative rule And how did Japanese society and culture reflect the extraordinary demographic transformations of the era After a concise recap of events prior to 1945 historian Simon Avenell traces the country's early postwar recovery its striking economic growth the political and social struggles of the citizenry the legacies of colonial empire and militarism the profound demographic changes wrought by urbanization and affluence the impact of regional and global entanglements and the flowering of postwar culture The content chapters are augmented by an introduction exploring the diverse historical interpretations of the era and its major themes along with an epilogue pondering the prospects for Japan's postwar condition at our contemporary moment The lively narrative is supported by a wealth of images charts tables primary sources and cutting edge research Drawing on recent historiography the book presents Japan's postwar history both as a distinctive phase in the country's modern experience as well as an era with deep connections to developments before 1945 A History of Postwar Japan will appeal to a broad readership including students and general readers who want a comprehensive and compelling narrative of Japan's contemporary history **Historical Dictionary of Postwar Japan** William D. Hoover, 2011-03-18 The Historical Dictionary of Postwar Japan relates the history of postwar Japan through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on significant persons events places organizations The Diplomatic History of Postwar Japan Makoto Iokibe, Translated and Annotated by Robert D. Eldridge, 2013-10-31 Winner of the prestigious Yoshida Shigeru Prize 1999 for the best book in public history when it was published in its original Japanese this book presents a comprehensive and up to date overview of Japan's international relations from the end of the Pacific War to the present Written by leading Japanese authorities on the subject it makes extensive use of the most recently declassified Japanese documents memoirs and diaries It introduces the personalities and approaches Japan's postwar leaders and statesmen took in dealing with a rapidly changing world and the challenges they faced Importantly the book also discusses the evolution of Japan's presence on the

international stage and the important if underappreciated role Japan has played The book examines the many issues which Japan has had to confront in this important period from the occupation authorities in the latter half 1940s to the crisis filled 1970s from the post Cold War decade to the contemporary war on terrorism The book examines the effect of the changing international climate and domestic scene on Japan s foreign policy and the way its foreign policy has been conducted It discusses how the aims of Japan s foreign relations and how its relationships with its neighbours allies and other major world powers have developed and assesses how far Japan has succeeded in realising its aims It concludes by discussing the current state of Japanese foreign policy and likely future developments **A Nation Reborn** Jun Etō,1974 **A Cultural History**

of Postwar Japan 1945-1980 Shunsuke Tsurumi,2013-10-28 First Published in 1987 Japan s surrender on 15 August 1945 was an unprecedented event in Japanese history The shift from the life of hunger to the life of saturation that took place between 1945 and 1980 has brought about a great change in life style The significance of this change will be a subject of reassessment for many years to come This books presents an outline of such a change in the domain of mass culture a sector of Japanese culture most indicative of the change after the defeat and the subsequent economic recovery Housing in Postwar Japan - A Social History Ann Waswo,2013-12-19 Radical changes in the design of housing in post war Japan had numerous effects on the Japanese people Public policy toward housing provision and the effects of escalating land prices in Tokyo and a few other very large cities in the country from the mid to late 1970s onward are examined but it is dwellings themselves and the slow but steady shift from a floor sitting to a chair sitting housing culture in urban and suburban parts of the country that figure most prominently in the discussion Central to the book is the author s translation of an account written by Kyoko Sasaki an observant wife and mother about the housing she and her growing family experienced during the 1960s and subsequent chapters explore some of the issues that flow from her account Chief among these are the small size and generally poor quality of the private sector housing that Japanese of fairly ordinary means could afford to occupy in the early postwar years the new design initiatives undertaken at about that time by public sector housing providers and the diffusion of at least some of their initiatives to the housing sector as a whole and the adjustments that the occupants of housing had to or chose to make as the dwellings available to them as renters or as owners changed in character Attention is also paid to the structural requirements of dwellings and attitudes toward dwellings of diverse types in a country prone to earthquakes **Revolution and Subjectivity in Postwar Japan** J. Victor Koschmann,1996-12-01 After World War II

Japanese intellectuals believed that world history was moving inexorably toward bourgeois democracy and then socialism But who would be the agents the active subjects of that revolution in Japan Intensely debated at the time this question of active subjectivity influenced popular ideas about nationalism and social change that still affect Japanese political culture today In a major contribution to modern Japanese intellectual history J Victor Koschmann analyzes the debate over subjectivity He traces the arguments of intellectuals from various disciplines and political viewpoints and finds that despite their stress on

individual autonomy they all came to define subjectivity in terms of deterministic historical structures thus ultimately deferring the possibility of radical change in Japan Establishing a basis for historical dialogue about democratic revolution this book will interest anyone concerned with issues of nationalism postcolonialism and the formation of identities

Democracy in Postwar Japan Rikki Kersten, 1996 An assessment of the development of democracy through the writings of Maruyama Masao Based on contemporary documents and on interviews it is the only full scale analysis of his work to be published in English

Postwar Japan As History Introduction

In today's digital age, the availability of Postwar Japan As History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Postwar Japan As History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Postwar Japan As History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Postwar Japan As History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Postwar Japan As History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Postwar Japan As History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Postwar Japan As History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Postwar Japan As History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Postwar Japan As History books and manuals for download and embark on your journey of knowledge?

FAQs About Postwar Japan As History Books

1. Where can I buy Postwar Japan As History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Postwar Japan As History book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
