The Life of Former Prime Minister MASAYUKI OHARA

POLITICIAN

by
Seizaburō Satō
Ken'ichi Kōyama
Shunpei Kumon

Introduction by Edwin O. Reischauer
Foreword by William H. Carter

Postwar Politician The Life Of Masayoshi Ohira

C. Braddick

Postwar Politician The Life Of Masayoshi Ohira:

Postwar Politician Seizaburō Satō, Ken'ichi Kōyama, Shunpei Kumon, 1990 Postwar Politician Seizaburō Satō, Seizaburo Sato, Ken'ichi Kōyama, Shunpei Kumon, 1990 This authoritative account not only provides details of Ohira's life and career first as a high level bureaucrat and then as a politician but it also gives provoking insights into the workings and evolution of postwar politics and society during the years of Japan's rapid economic growth and prosperity The China Problem in Postwar Japan Robert Hoppens, 2015-01-29 The 1970s were a period of dramatic change in relations between Japan and the People's Republic of China PRC The two countries established diplomatic relations for the first time forged close economic ties and reached political agreements that still guide and constrain relations today This book delivers a history of this foundational period in Sino Japanese relations It presents an up to date diplomatic history of the relationship but also goes beyond this to argue that Japan's relations with China must be understood in the context of a larger China problem that was inseparable from a domestic contest to define Japanese national identity The China Problem in Postwar Japan challenges some common assertions or assumptions about the role of Japanese national identity in postwar Sino Japanese relations showing how the history of Japanese relations with China in the 1970s is shaped by the strength of Japanese national identity not its weakness Political Reform in Japan Alisa Gaunder, 2007-04-11 Comparing successful and unsuccessful reform drives by Japanese leaders Alisa Gaunder argues that the quality of political leadership is the crucial determinant of whether parties in positions of dominance pass or reject policies The Political Economy of Transnational Tax Reform W. Elliot Brownlee, Eisaku Ide, Yasunori Fukagai, 2016-04-28 This volume of essays explores the history of the US tax mission to Japan during the occupation following World War II Under General MacArthur economist Carl S Shoup led the mission with the charge of framing a tax system for Japan designed to strengthen democracy and accelerate economic recovery The volume examines the sources conduct and effects of the mission and situates the mission within the history of international financial and fiscal reform The book begins by establishing the context of progressive social investigations of taxation including Shoup's earlier tax missions to France and Cuba It then goes on to explore the Japanese background to the Shoup mission and the process by which American and Japanese tax experts shaped their recommendations The book then assesses and explains the mission's accomplishments in the context of the political economies of the United States and Japan It concludes by analyzing the global implications of the mission which became iconic among international tax reformers

Japan's Budget Politics Takaaki Suzuki, 2000 What is the source of the increasing politicization of Japan's budgetary policy In this text Takaaki Suzuki explores this question finding answers in the interplay of domestic and international politics from the early 1970s through the 1990s The Japanese Prime Minister and Public Policy Kenji Hayao, 2014-08-09 Despite the undeniable importance of Japan in world affairs both politically and economically the office of the Japanese prime minister has received far less attention from scholars than have the top political offices in other advanced industrialized

democracies This book is the first major systemic analysis of the Japanese prime minister's role and influence in the policy process Kenji Hayao argues that the Japanese prime minister can play a major if not critical role in bringing about a change in policy In Japan the prime minister's style is different from what is considered usual for parliamentary leaders rather than being strong and assertive he tends to be reactive How did the role develop in this way If he is not a major initiator of policy change how and under what conditions can the prime minister make his impact felt Finally what are the consequences of this rather weak leadership In answering these questions Professor Hayao presents two case studies educational reform and reform of the tax system involving Nakasone Yasuhiro to see how he became involved in the policy issues and how he affected the process Hayao then examines a number of broad forces that seem important in explaining the prime minister's role in the policy process how a leader is chosen his relationships with other important actors in the political system the political parties and the subgovernments and the structure of his inner staff and advisors

Japan and the IISS Robert Ward, Yuka Koshino, Matthieu Lebreton, 2023-12-12 Strategic links between Japan and Europe during the Cold War were limited During this period the IISS helped bridge the gap between the two exposing its membership base to the international affairs of Asia and Japan and providing Japanese scholars strategists and diplomats with a platform from which to amplify their voices in the West Analyses by these experts often appeared in IISS publications but the Institute also gained key insights through its well established conferences and lecture series These initiatives illuminated Japanese strategic thinking and perspectives on contemporary critical issues in Japan's and Asia's foreign security and defence policy This Adelphi book through its collection of earlier analysis helps the reader to understand the evolution of Japanese strategic thought from the 1960s until today and shines a light on the continuities and changes in this thinking New original analysis of the material seeks to identify areas where such thinking was prescient and remains relevant to the contemporary strategic environment and other areas where predictions failed or assumptions were proved wrong These new essays were also informed by interviews of Japanese senior scholars and diplomats who spent time with the IISS This book seeks to frame educate and guide strategic thinking on the most pressing issues of today both in and outside Japan and Asia and will be of great interest to analysts practitioners and students of international affairs

Growing Democracy in Japan Associate Chair and Director of Graduate Programs Brian Woodall, Brian Woodall, 2014-06-19 Kentucky native and national tastemaker Duncan Hines 1880 1959 published his first cookbook Adventures in Good Cooking in 1939 at the age of fifty nine This best selling collection featured recipes from select restaurants across the country as well as crowd pleasing family favorites and it helped to raise the standard for home cooking in America Filled with succulent treats from the Waldorf Astoria's Chicken Fricassee to the Oeufs a la Russe served at Antoine's Restaurant in New Orleans to Mrs Hines's own Christmas Nut Cake this book includes classic recipes from top chefs and home cooks alike Featuring a new introduction by Hines biographer Louis Hatchett and a valuable guide to the art of carving this classic cookbook serves up a satisfying slice of twentieth century

Americana direct from the kitchen of one of the nation's most trusted names in food Now a new generation of cooks can enjoy and share these delectable dishes with family and friends *Japan and the Sino-Soviet Alliance, 1950-1964* C. Braddick, 2003-12-09 Japan and the Sino Soviet Alliance 1950 1964 reveals the divisive impact of the Sino Soviet Alliance on Japanese domestic politics and foreign relations during the turbulent years between 1950 and 1964 Drawing on extensive Japanese sources and unprecedented access to previously classified government documents C W Braddick exposes the myths shrouding this formative era in Japan's postwar development **Japanese Political History Since the Meiji Restoration, 1868-2000** R. Sims, 2019-06-12 Japanese Political History Since the Meiji Restoration 1868 2000 explores through a combination of narrative and analysis the changes in the political process which lay behind Japan's transformation into a modern nation state its successive turn toward militarism fascism and the Pacific War and the imposition of a fully democratic constitution Sims examines closely such central topics as the Meiji renovation samurai modernisers the rise of liberal political parties the Meiji constitution Taisho democracy the wartime changes in the political system postwar reforms and the reverse course four decades of Liberal Democratic rule and the shake up of Japanese politics during the 1990s No other book has covered Japanese political history over the entire period since 1868 in such detail and the present volume aims to fill the gap between the various general histories of modern Japan and the ever increasing monographic literature Handbook of Christianity in Japan Mark Mullins, 2018-12-24 This volume provides researchers and students of religion with an indispensable reference work on the history cultural impact and reshaping of Christianity in Japan Divided into three parts Part I focuses on Christianity in Japanese history and includes studies of the Roman Catholic mission in pre modern Japan the hidden Christian tradition Protestant missions in the modern period Bible translations and theology in Japan Part II examines the complex relationship between Christianity and various dimensions of Japanese society such as literature politics social welfare education for women and interaction with other religious traditions Part III focuses on resources for the study of Christianity in Japan and provides a guide to archival collections research institutes and bibliographies Based on both Japanese and Western scholarship readers will find this volume to be a fascinating and important guide *Postwar* Seizaburo Sato, 1990 **Postwar Japan as History** Andrew Gordon, 1993-10-20 As they examine three related themes of postwar history the authors describe an ongoing historical process marked by unexpected changes such as Japan's extraordinary economic growth and unanticipated continuities such as the endurance of conservative rule From publisher's description *Japan's Fiscal Crisis* Maurice Wright, 2002 In this controversial and authoritative account of Japan's public budgeting and politics the author traces the origins and development of Japan's present fiscal crisis In a detailed analysis of the institutions structures and processes of central government the role of the Ministry of Finance is analysed and its relationship with other ministries in deciding how much to spend and on what is examined Drawing on a rich archive of interview material and primary budget data the author explains how and why Japan accumulated the world's largest public

debt **The Clash** Walter LaFeber,1998 One of America's leading historians tells the entire story behind the disagreements, tensions and skirmishes between Japan a compact homogeneous closely knit society terrified of disorder and America a sprawling open ended society that fears economic depression and continually seeks an international marketplace Photos

Hegemonic Cooperation and Conflict Qingxin K. Wang,2000-08-30 Postwar Japan has consistently maintained close cooperation with the United States over the last four decades over such major issues as Japan's recognition of China their peace treaties and more recently Japan's resumption of the yen loan to China suspended in the wake of the Tiananmen incident This has been in spite of Japan's well known conflict of interests in China with the United States Japan's cooperation with the United States sheds new light on some important questions which are central to current debates about the shape of the new world order in general and America's world role in particular in the post Cold War era What has been the role of American power in maintaining Japan's cooperation What have been the bases of American hegemony in the post war world How has American hegemony changed over the years Qingxin K Wang addresses and illuminates these important questions through a detailed and provocative study of Japan's relations with the United States over China policy in the last four decades *Japan's Evolving Foreign Policy Doctrine* Bert Edström,2016-07-27 During half a century after the war Japan's economy was built up from scratch to the world's number two while its foreign policy has been described by many as passive and even verging on being non-existent As a contrast this study evinces how the foundations of Japan's foreign policy were laid in the early postwar period and how postwar policies have been characterized by pervasive continuity guided by distinct national goals and expressed in clear cut national role conceptions

The Japanese Power Elite Albrecht Rothacher,2016-07-27 This book attempts a coherent portrait of the heart of Japan's economic and political decision making It presents the men occupying the core positions in Japan's ruling party the central ministries and in big business and its organizations Elite career patterns social origins upbringing university education cognitive orientations and ways of life are reviewed as are the interactions in the exclusive world of Japan's increasingly hereditary and bureaucratic class of power holders in conservative politics and big business [Area Bibliography of Japan](#) Ria Koopmans-de Bruijn,1998 Provides a general overview of literature relating to Japan and covers a broad range of subject matter from art feminism and linguistics to corporate culture history and medicine Includes books published since 1980 that are related to the geographical area of Japan and to Japanese culture within that area
