Terrell,2002-01-21 Potpourri as the title suggests is an eclectic collection of short stories and poetry The author has experimented with a range of story types and story telling techniques The poetry rather than being a deliberate attempt to construct poems has been a spontaneous response to events in my life It is all metaphysical which figures because my favorite poet is T S Eliot      *A Potpourri of Short Stories & Poems* Barbara Francis,2004-09-27 There is no available information at this time      *Potpourri* John Corral,2021-11-05 This is a collection of short stories flash fiction and poetry that like potpourri is a mixture of different things scented and spiced They are here as in a bowl placed to provide the reader with small samples of the ordinary anxieties and passions of life In this collection you will meet kings and paupers dreamers and devils the young and the not so young They appear in a great variety of interesting pieces that in the end are life affirming and heart warming most with some funny twists Three of these poems have been made available previously in poem collections by this author on Amazon      **Potpourri : a Collection of Poetry and Short Stories** Muriel Clendenning,2003      *Potpourri* Agnes M. **I'm Florally Challenged** David Colpitts,2023-07-20 I m Florally Challenged which is inspired by some real life events and occurrences in author David Colpitts life is a collection of 21 short stories and poems that will make you laugh and reflect on life In the author s own words This book will divert your thoughts with a mix of humor and irrelevant observations Some of the stories are true Some are more true than I care to admit since I can t recall the names of flowers the title story fit into a wet suit nor remember to floss Some are almost fabrications Have you taken a young lady hiking or to soccer practice when she is more interested in young men There can be consequences You might get a kitten Excerpt from I m Florally Challenged by David Colpitts My barrel chest and washboard stomach have switched places That phenomenon has changed more than my mating habits It has changed how wetsuits fit me My old suit was past its life expectancy I needed a new one for white water canoeing in rivers refrigerated by glacial water Hypothermia I ve heard is one of the better ways to go but could

render the dearly departed unsuitable for an open casket and I wanted my mother in law to see that I had died with a smile on my face Clearly I had to get a new wetsuit An internet search showed they were readily available online The sizing seemed straightforward enough weight 155 to 180 pounds height between 5 9 and 6 0 Medium large That s me The online catalog showed models steely of eye and firm of chin looking movie star sleek muscles distinct beneath the rubberized sheath With a few clicks of the mouse that could be me Well not quite me I would have to practice the steely eye gaze essential for seeking a route through tricky eddies and currents just like those canoeists pictured in the wetsuits The ever present chiseled chin might be a problem too but I did have a few days to bushy up some facial hair to hide my three unchiseled chins **A Cup of**
