**Potpourris and Other Fragrant Delights** Jacqueline Hériteau,1973 Potpourris and Other Fragrant Delights The Perfume Handbook N. Groom, 2012-12-06 In 1948 I was posted as a Political Officer to a Jacqueline Heriteau, 1978 remote part of south west Arabia on the edge of the great desert called the Empty Quarter In valleys made fertile by seasonal flood waters lay the remains of an ancient civilization I found inscriptions and the ruin sites of towns palaces and temples Almost buried under the sand dunes were the tumbled walls of a great city From here two thousand years before huge camel caravans had trudged their way along 1600 miles of burning sand and rocks to Petra and Gaza burdened with a most precious cargo frankincense myrrh and other perfume materials for the courts temples and perfume shops of Rome My book Frankincense and Myrrh delved into the details of this romantic trade and led to a broader interest in the perfumes of ancient times Then researching on behalf of a perfume house into the Arab contribution to perfumery I came across the collection of perfume recipes assembled by the Arab philosopher scientist Yagub al Kindi which have never been translated into English some which I have translated myself are now included in an appendix to this book I realized that in that work I had found key evidence to demonstrate how the medieval Arab perfume makers had been the bridge in perfume history between ancient and modern times Perfumery could now be seen as an art with a continuous history of development since the dawn of civilization The Aromatherapy Book Jeanne Rose, 2013-10-08 Jeanne Rose affectionately known as the Grand Dame of aromatherapy to those in the field has compiled over the years a wealth of practical and researched information about aromatherapy With her charming humor she weaves the history of aromatherapy In this book you will find almost anything you would want to know about aromatherapy including recipes her own and others from skin care to pet care She even covers the unusual aspects of aromatherapy such as the musical and chakra qualities of essential oils An excellent book for beginners or beyond It is a wonderful book for looking up particular essential oils finding their properties cautions etc for both the beginner and advanced aromatherapy student The aromatherapy reference charts listed in the book are indispensable and there is even a Chakra and Color chart as well The Encyclopedia of Essential Oils Julia Lawless, 2013-06-01 At last a clear and systematic distillation of useful information about a truly comprehensive spectrum of essential oils and absolutes John Steele American Aromatherapy Association The definitive AZ reference guide to essential aromatherapy oils Aromatherapy expert Julia Lawless shares her extensive knowledge in this detailed and systematic survey of more than 190 essential aromatherapy oils From commonly used oils such as lavender frankincense ylang ylang and tea tree oils to the more obscure oils including deertounge oakmoss cananga and angelica The Encyclopedia of Essential Oils offers a wide variety of uses and cures for everything from wrinkles to kidney stones The Encyclopedia of Essential Oils gives detailed information on the most commonly available and widely used flower oils and aromatics including The exact origins synonyms and related plants Methods of extraction the herbal folk tradition for each plant the uses of each plant

aromatherapy applications home and commercial uses This easy to use volume lets you access essential information in a variety of ways with a Therapeutic Index a Botanical Index and Botanical Classifications plus safety information New Perfume Handbook N. Groom,1997-06-30 The first edition of this unique book established itself as an unparalleled source of information on perfume Although it is primarily aimed at perfumers and others in the perfume industry it has also found substantial sales among a wide range of others including aromatherapists botanists and many others who wanted to learn more about this faceted subject The new edition is now aimed squarely at perfumery marketing specialists and others in the industry world wide and covers in particular the needs of publicity advertising teams and journalists together with sales people and consultants at the counters who like to have a wide range of information at their fingertips Changes include an expansion of the number of profiles of the perfume houses and of the 50 or so new perfumes worthy of record which have been launched since the previous edition There is also increased coverage of the essences and the plants and other material from which they are derived Coverage of perfume containers is substantially expanded and linked to other parts of the book
