Pottery for Everyone Dora May Billington, 1974 **A Killer Collection** Ellery Adams, 2015-01-23 The first book in the terrific Antiques Collectibles series by New York Times bestselling author Ellery Adams In the world of antiques and collectibles it helps to have a sharp eye for quality a good ear for gossip and a nose for murder Molly Appleby is a young writer for Collector's Weekly and when the attractive reporter isn't covering auctions and antique shows all over the South she's trying to get her new relationship with a coworker off the ground When her latest assignment takes her to North Carolina pottery country to cover an exclusive kiln opening she's certain the show promises surprising offerings and rare finds What she doesn't expect to find is a dead body George Bradley Staunton is known throughout the antiques world as a very wealthy and very ruthless collector and when he drops dead just after the opening there are all too few mourners and a seemingly endless list of suspects When the local police are stumped Molly steps in to put her journalist's nose to work sniffing out the culprit But no sooner does she start collecting clues than another dead body falls into her lap As Molly digs beneath the genteel surface of antiques and collectibles she finds a world filled with backstabbing and competition and what started as a story about rare collections might leave Molly with nothing more than a collection of corpses A very likable amateur sleuth I'll be happy to follow Molly on her future investigations The Romance Readers Connection This is a fully revised edition of a book originally published under the name J B Stanley *Journal of the Society of Arts*, 1908 **New Country Life**, 1926 *Journal of the Royal Society of Arts* Royal Society of Arts (Great Britain), 1908 **So It Begins** Gina Maria, 2011-02-24 A holocaust is coming to Earth in the form of a deadly virus one that will bring pandemonium and disaster to all To survive a wealthy billionaire named Simion builds a gigantic complex in the side of a mountain He becomes a modern day Noah bringing in two of each living creature and providing protection for all those working on the top secret project When the day of reckoning arrives one of Simion's key people Zack is home attending to his father's funeral Too far away to make it to the complex Zack has no choice but to stay put and watch the destruction around him Incredibly Zack discovers he is immune to the virus He finds six other survivors and the small group is determined to stay alive no matter the obstacles they face The group begins the long arduous journey to find the compound but as the years pass and Zack grows
