

Pour Me Another Tequila Sheila

(Chorus)

**Pour me another tequila, Sheila.
Take off that red satin dress.
'Cause I crossed the border,
And I beat the dealer for all of that gold in Juarez.
I feel like ol' Pancho Villa, Sheila,
And I've got the pesos to spend,
So pour me another tequila, Sheila.
And lay down and love me again.**

**No I can't tell you about it.
Don't mind the gun by my bed,
But I feel kind'a naked without it,
And it eases the fears in my head.
I never trusted in woman,
But Sheila I trust you tonight.
So pass me the salt and a lemon,
Bend down and blow out the light.**

(Chorus)

**Sheila I'm hearin' your heartbeat,
But I'm hearing footsteps outside.
The courtyard is crawlin' with them Federales
And Sheila, there's no place to hide,
but I don't know who could have tipped 'em,
nobody knew it but you,
but I never have trusted in woman,
Sheila, here's what I'm going to do.**

(Chorus)

**Yeah! Pour me another tequila,
I'm gonna put on your red satin Dress.
You put on my clothes, and you go face the dealer.
Sheila I wish you the best.
I never trusted in woman,
Sheila I trusted you tonight.
So pour me another tequila Sheila,
And I'll run for the border again.
Yeah! Pour me another tequila,
Sheila, as I ride for the border again.**

Pour Me Another Poem:

Pour Me Another Poem R McManes, 2003-05-26 Pour Me Another Poem is the sixth book of poetry composed by RD McManes Written in a similar style to his last two books We Ain't in Kansas No More and Don't Read Me Like Some Poem this book is a blend of surreal and more traditional verse Geared to touch the heart and soul of a reader it contains 92 pages of poetry The title poem is Pour me another poem a metaphoric creation which compares poetry to a good stiff shot of whiskey Cloudy dreams and Prairie Sea are examples of traditional free verse and Almost once I did can only be classified as surreal The author fills the book Pour Me Another Poem with metaphor which opens the door for interesting interpretation by the reader *Poems You Will Love* Sharon Dorival, Huguette St. Hilaire, 2024-05-13 May you paint a portrait of who you see Or write some words of what you hear Do not allow yourself to be judged by the thoughts in your head Nor hang on your walls slanted biases This collection of free verse poetry explores the versatile expression of the arts Its depth richness colour and style reach out to everyone trying to preserve culture and art and who wants to present their style to the world Today's young adults are trying to achieve change on a different level this book guides that transformation Poems You'll Love are divided into themes allowing readers to first dig into the topics that capture their attention The simplicity of the collection's structure also encourages readers to create their interpretations of the poems and to try their hand at the art of writing poetry This collection was inspired by the themes and prompts assigned by the Passion of Poetry team as part of their twenty four hour challenges Many poems were judged by professional judges teachers doctors social workers and others One set of poems written during a twenty one day streak even won the Emily Dickinson Award *Poems of the Pretentious Minds* TJ Mustafa, 2023-10-13 Poems of the Pretentious Minds features a wide array of self indulgent darkly comical but heart wrenching poetry that covers many topics such as love family friendship death sex addiction abuse anxiety depression suicide mental turmoil the city of London various other locations around the UK and the intricacies of the world itself Some of the poems also explore the contradiction of humanity and how one can appreciate the minute things in life whilst others delve deeper into the human condition and how our emotions can ultimately cloud our judgement Later poems take a more autobiographical approach and instead focus on the poet himself detailing his personality conflicting emotions life experiences deep rooted thoughts and his overall outlook of the world Most of the poems have a sharply satirical edge to them particularly the ones that focus on modern day society as a whole and real life events that have sparked mass debate and controversy **Stop & Listen, Volume Two, Selected Poems 2014 - 2017** Georgios Andritsos, 2024-05-09 This debut collection of free verse poetry is bold and honest and strikes a chord about certain truths of human existence The poems have tremendous energy and clarity of perception often creating vivid and complex pictures of lively complicated scenes very much in the manner of great writers such as Frank O'Hara and Charles Bukowski It is social lyrical and narrative poetry all at once Technically they combine the fluidity of free verse while feeling controlled and precise The author's love of jazz music

and other American writers shines through the text adding another layer of depth The poems will surprise you in terms of form or subject matter and the strong sense that emerges from the relationships a crowded vivid world with all the senses on board
