Pour Un Espace De Recherche Au Canada Francais Discours Objets Et Methodes:

Pour un espace de recherche au Canada Français Benoît Cazabon, 1996 Language in Canada John Edwards, 1998-07-09 Language in Canada provides an up to date account of the linguistic and cultural situation in Canada primarily from a sociolinguistic perspective The strong central theme connecting language with group and identity will offer insights into the current linguistic and cultural tension in Canada The book provides comprehensive accounts of the original charter languages French and English as well as the aboriginal and immigrant varieties which now contribute to the overall picture It explains how they came into contact and sometimes into conflict and looks at the many ways in which they weave themselves through and around the Canadian social fabric The public policy issues particularly official bilingualism and educational policy and language are also given extensive coverage Non specialists as well as linguists will find in this volume a companion to *Language in Australia* *Language in the USA* and *Language in the British Isles* an indispensable guide and reference to the linguistic heritage of Canada School Improvement Zijian Li, Michael Williams, 2006 School improvement is at the centre of educational reform and is perceived by many as a key to social and economic advance It contributes to determining the personal fulfilment and career paths of individual students and consequently engages the interest of parents and community members It is an ever present commitment of teachers and managers in schools Policy makers and politicians at international national and local levels devote much time and effort to their search for better schools School improvement has also attracted the attention of researchers and scholars in many countries They have been drawn from various disciplines and fields within the educational studies community including psychology sociology history evaluation and studies in curriculum and assessment There is now an established body of findings from studies conducted in many contexts This book brings together leading experts drawn from many countries and several continents reflecting diverse approaches to educational policy and practice evaluation and research Variations between countries and between local communities within countries are highlighted The possibilities and difficulties inherent in transferring evidence from one educational system at a number of levels to another are clearly discussed What emerges from the cross national and cross cultural evidence are several significant threads currently under active investigation including school structure and management classroom organisation school leadership teacher training and staff development curriculum and assessment community involvement lifelong learning and special provision for students with special educational needs *School Improvement International Perspectives* is written for national educational policy makers teachers and student teachers governing bodies and parents from various levels of schooling and university researchers and scholars Gouvernance communautaire et innovations au sein de la francophonie... Éric Forgues, Linda Cardinal, 2015-02-11 T00:00:00-05:00 Cet ouvrage original s'inscrit dans le contexte des débats sur les rapports entre l'état et la société en prenant pour objet les initiatives de gouvernance communautaire mises en place dans les milieux francophones du Nouveau Brunswick et de l'Ontario depuis les années 1990

afin de mieux relever certains de leurs défis de l'heure que ce soit dans le domaine des arts et de la culture du développement communautaire et économique de l'immigration francophone de la jeunesse ou de la justice. Les réponses apportées à ces enjeux par les groupes communautaires francophones de ces deux provinces recèlent des savoirs et des enseignements importants pour bien saisir la situation des communautés francophones et leur influence sur la formulation des politiques publiques. L'ouvrage repose sur une démarche de recherche collaborative dont un des objectifs était aussi de contribuer à démocratiser la recherche vers le milieu communautaire.

La Jeunesse au Canada français Michel Bock, 2007-10-15 Au Canada français depuis un siècle la jeunesse s'est donnée des institutions et des organismes qui ont représenté pour elle autant de lieux de socialisation de formation et parfois de contestation. Bien qu'il s'agisse d'une catégorie sociale aux contours flous et mouvants la jeunesse a participé de plein pied aux changements sociaux des dernières décennies tant au Québec que parmi les minorités de langue française des autres provinces. Cet ouvrage regroupe des textes de nombreux spécialistes travaillant dans différentes disciplines et propose des pistes permettant de mieux saisir les facteurs qui dans la francophonie canadienne ont favorisé l'émergence et la définition de la jeunesse comme catégorie sociale. Les auteurs abordent des thèmes touchant l'expérience des jeunes dans le système d'enseignement l'évolution des relations entre les mouvements de jeunesse du Québec et d'ailleurs au Canada français et leur position sur les grandes questions de l'heure au pays comme l'étranger. Publié en français.

Mais d'autres pratiques et notamment celles correspondant aux cultures sportives et aux jeux s'organisent progressivement autour d'événements qui proposent une version festive et participative. Elles sont une réponse à la recherche de communautés fusionnelles compensant les divisions, les conflits et l'individuation croissante de nos sociétés. Derrière les jeux de la francophonie au Canada se cachent d'autres enjeux sociaux et politiques notamment autour de l'anglais et du français les langues officielles du Canada.
