O'Hanlon,1984 *Eastern Christian Spirituality* George Kaniarakath,2011 Word From Poustinia, Book I Robert Wild,2018-11-28

From the Introduction I live in one of the poustinias at the Madonna House As many people know from Catherine Doherty s book Poustinia the word means desert in Russian A poustinia is a small cabin where people ordinarily go for a day of prayer and fasting though some like myself live there several days a week as a way of life This book contains words that I heard the Lord speaking to me Many of them were shared at the Eucharist in the form of homilies some were originally in the form of letters sent to my Madonna House family some few were written for publication elsewhere still others were jotted down for no particular reason Writing from the poustinia is one of my ways of preaching the good news of Jesus the exalted and unmerited privilege for which I was ordained Fr Robert Wild is a member of the late Catherine de Hueck Doherty s Madonna House community in Combermere Ontario Canada He lives as a poustinik spending much of his time in prayer spiritual direction and writing He helped to edit Catherine Doherty s works but has also published several books himself among which are Desert Harvest The Post Charismatic Experience Journey to the Lonely Christ and His Face Shone like the Sun Ordained in 1967 he joined Madonna House in 1971 **Christ and the Eastern Soul** Charles Cuthbert Hall,1909 **Turning East** Harvey Cox,1977 *Jesus in the Lotus* Russill Paul,2010-10-04 Drawing on a deep knowledge

of Christian scripture as well as Hindu philosophy musician and teacher Russill Paul reveals that the mystical core of religion offers us much more than the simple solace of unthinking dogma By demonstrating that these two seemingly separate and irreconcilable religions can actually unite in one person s spiritual practice at the center of his life as they did in his he offers an alternative to religious intolerance and strife as well as hope for personal liberation **The Spiritual Dialogue of East and West** Jacques-Albert Cuttat,1961 **Eastern Paths and the Christian Way** Paul Clasper,1992 *Beyond East and West* Jingxiong Wu,1952 *Light from the East* Harry Oldmeadow,2007-01-17 This is a collection of writings about the spiritual meeting of East and West in the modern world including articles by the Dalai Lama Huston Smith Frithjof Schuon Thomas Merton Titus Burckhardt Ananda Coomaraswamy Diana Eck Gary Snyder and Aldous Huxley Highlighting aspects of Hinduism Buddhism and Taoism that have proved most attractive to Western seekers it explores the similarities and differences between Eastern and Western traditions while emphasizing respect amongst the adherents of different faiths

The Luminous Way to the East Matteo Nicolini-Zani,2022 The Missionary Dynamism of the Church of the East It would be an attractive undertaking for the historian to be able to follow in the footsteps of those heralds of the Gospel who went forth from Antioch with firmness and tenacity in those early days making their way to the East building new centers of Christian irradiation creating communities and spreading the doctrine of Jesus everywhere The interest would certainly grow if we were familiar with the challenges faced by these first evangelizers on their way to the Far East Gaining that knowledge however is no easy task Christ s teaching had to cover immense distances on its road from Antioch towards the East The details of this diffusion however remain obscure There are no Acts of the Apostles no Letters of Saint Paul no contemporary or near contemporary documents that might tell us how and when Christianity from the region of the Euphrates and the Tigris crossed over the mountainous regions of the Orient how through Media and Parthia it went south to Herat and Segestan and how it penetrated eastward crossing the Margiana Merv into the region of the Oxus and the Jaxartes and finally how it entered today s Russian province of Semire e then Turfan and then further south into the heart of China Western and Eastern Perspectives on Religion and Religiosity Sarah Demmrich,Ulrich Riegel,2021 Light Through an Eastern Window K. C. Pillai ,2015-11-04 Max M ller in his book What Can India Teach Us expresses this thought and in that study of the history of the human mind in that study of ourselves of our true selves India occupies a place second to no other country Whatever sphere of the human mind you may select for your special study whether it be language or religion or mythology or philosophy whether it be laws or customs primitive art or primitive science everywhere you have to go to India whether you like it or not because some of the most valuable and most instructive materials in the history of man are treasured up in India and in India only Sir Sarvepalli Radhakrishnan President of India writes in his Eastern Religions and Western Thought Any interpretation of the Jewish religion which ignores the total environment in which it grew up would be dangerously narrow Two centuries before the Christian era Buddhism closed in on Palestine The Essenes the Mandeans and the Nazarene sects

are filled with its spirit As a native of India born into a Hindu home I was reared and educated in the rich Eastern tradition to which Max Muller makes reference Therefore the Indian Orthodox Church assigned me to the ministry of teaching these Orientalisms throughout the Western world As far as I know I am the only Hindu convert to Christianity who is engaged in this kind of teaching For the past twenty five years I have carried out this work under the title Light Through an Eastern Window it has taken me on the continent of Europe in the British Isles and currently in the United States and Canada It has taken me into churches of nearly every major and minor denomination as well as numerous colleges and seminaries interpreting parts of the Bible in the light of Eastern thought and ways of life clarifying difficult scriptural passages and pointing up their spiritual applications Many of my listeners have urged me to write these teachings into a book so that more Christians may be encouraged to trust in the Word of God and believe more deeply through understanding However I cannot put all of these teachings into one book We would have to start at the first verse of the first Chapter of Genesis and go through every book of the Bible until we reached the last verse of Revelation to give the subject the consideration it deserves Unfortunately time does not permit the undertaking of that sort of project at this time In the present volume therefore I will touch upon some of the portions of the Bible which my listeners tell me have been the most interesting and inspiring and if God wills other books will follow at a later date May God s blessing be upon the reader who comes to this book seeking to know and understand the Word of God may he be enlightened and abundantly blessed Bishop K C Pillai D D This work contains the following chapters 1 Marriage Customs 2 The Covenant of Salt 3 Childbirth 4 Rearing of Children 5 Death and Burials 6 Laws and Justice 7 The Woman at The Well 8 Plants and Trees 9 Agriculture and Herding 10 Some Popular Idioms 11 Sacrifices 12 The Canopy
