Poverty And Inequality In The Latin American Us Borderlands

**Richard Stahler-Sholk, Glen David
Kuecker, Harry E. Vanden**

Poverty And Inequality In The Latin American Us Borderlands:

Poverty and Inequality in the Latin American-U.S. Borderlands Keith Michael Kilty, Elizabeth A. Segal, 2004 Examines the implications of economic social political or military US interventions on four of its Latin American bordering countries Covers the Guatemalan counterinsurgent State Mexico's Progreso programme for poverty reduction US military presence in Puerto Rico survival strategies of Cuban mothers and emerging rural poverty as a result of programmes for environmental protection and economic aid near the Mexican Dalakmul Biosphere Reserve [Latin American Social Movements in the Twenty-first Century](#) Richard Stahler-Sholk, Glen David Kuecker, Harry E. Vanden, 2008-04-18 This clearly written and comprehensive text examines the uprising of politically and economically marginalized groups in Latin American societies Specialists in a broad range of disciplines present original research from a variety of case studies in a student friendly format Part introductions help students contextualize the essays highlighting social movement origins strategies and outcomes Thematic sections address historical context political economy community building and consciousness ethnicity and race gender movement strategies and transnational organizing making this book useful to anyone studying the wide range of social movements in Latin America **Voices of the Border** Tobin Hansen, María Engracia Robles Robles, 2021 Powerful personal accounts from migrants crossing the US Mexico border provide an understanding of their experiences as well as the consequences of public policy **Investigating Social Problems** A. Javier Trevino, 2014-07-24 Given the complexity of the issues the study of social problems requires indeed demands specialized focus by experts A Javier Trevi o Welcome to a new way of Investigating Social Problems In this groundbreaking new text general editor A Javier Trevi o working with a panel of experts thoroughly examines all aspects of social problems providing a contemporary and authoritative introduction to the field Each chapter is written by a specialist on that particular topic This unique contributed format ensures that the research and examples provided are the most current and relevant in the field The chapters carefully follow a model framework to ensure consistency across the entire text and provide continuity for the reader The text is framed around three major themes intersectionality the interplay of race ethnicity class and gender the global scope of many problems and how researchers take an evidence based approach to studying problems **Advanced Introduction to Social Protection** Midgley, James, 2022-03-08 Written by James Midgley a leading authority on international social policy and social development this Advanced Introduction offers a concise readable and wide ranging overview of how protection schemes such as social assistance social insurance employer mandates and social allowances promote social welfare by meeting peoples income needs and improving their living standards It defines the field traces its historical evolution discusses the contribution of theories and ideologies and examines its impact on poverty *Cuban Studies* 37 Louis A. Pérez, 2006-10-17 Cuban Studies has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a

large book review section and an exhaustive compilation of recent works in the field Widely praised for its interdisciplinary approach and trenchant analysis of an array of topics each volume features the best scholarship in the humanities and social sciences Cuban Studies 37 includes articles on environmental law economics African influence in music irreverent humor in postrevolutionary fiction international education flow between the United States and Cuba and poetry among others Beginning with volume 34 2003 the publication is available electronically through Project MUSE an award winning online database of full text scholarly journals More information can be found at http://muse.jhu.edu/publishers/pitt_press

The Limits of Trust Lisa Nicole Mills, 2017-12-15 When the United Nations announced the Millennium Development Goals MDGs in 2000 approximately half a million women worldwide died each year from complications associated with pregnancy and childbirth The fifth MDG aimed to reduce the maternal mortality rate by 75 per cent between 1990 and 2015 but by the target date the goal had not been reached In The Limits of Trust Lisa Nicole Mills investigates the reasons why Mexico in particular did not meet its objective Focusing on the states of Guerrero Chiapas and Oaxaca where maternal mortality rates are the highest in the country Mills looks into how MDG 5 has been implemented in Mexico how it has been experienced by individuals and groups what obstacles have been encountered and what factors have facilitated improvements in maternal health Using data gathered from interviews with NGOs government officials and health care workers the book argues that government and feminist NGO efforts to build trust in the health care system have fallen short because of systemic failures to protect women's rights and enhance the quality of health care In Mexico a woman's risk of dying from a pregnancy related complication is five times higher than in developed countries The Limits of Trust explores the realities of implementing maternal health initiatives on the ground in rural remote and impoverished areas and the steps that can be taken to successfully combat maternal mortality

A Borderlands View on Latinos, Latin Americans, and Decolonization Pilar Hernández-Wolfe, 2013-02-14 Latinos in the U S and Latin Americans are a combination of diverse populations that differ on a range of factors including length of time in the country migration background ethnicity geographical location socio economic status and so on The reader will find perspectives of those of us who live in the borderlands that is those of us whom Gloria Anzaldúa identified as Mestizas who inhabit the intersticios the spaces in between souls minds identities and geographies This book assists new generations of Latino as and of those involved in Latino Culture and Latin America in understanding how the colonization of the Americas is still tied to current issues of migration from the South to the North and how mental health practices have been created and maintained from the wound of coloniality It offers a rich and alternative foundation for approaching trauma identity and resilience through the integration of a decolonization paradigm borderlands theory and social justice approaches in couple and family therapy

South America, Central America and the Caribbean, 2008

Anthropological Perspectives on Care Erdmute Alber, 2015-09-01 In the course of last two decades the notion of care has become prominent in the social and cultural sciences As a result of this proliferation of care in several

disciplinary fields we are observing not only the expansion of its conceptual meaning but also an increasing imprecision in its usage A growing amount of literature focuses on the intersection between work gender ethnicity affect and mobility regimes In view of this growing field of literature Anthropological Perspectives on Care looks at the notion of care from an anthropological perspective Complementing earlier approaches Alber and Drotbohm argue that an interpretation of care in relation to three different concepts namely work kinship and the life course will facilitate empirical and conceptual distinctions between the different activities that are labeled as care

Batos, Bolillos, Pochos, and Pelados Chad Richardson, Michael J. Pisani, 2017-07-18 This updated edition of the classic study examines life on the Texas Mexico border including the effects of NAFTA drug violence and immigration crises Batos Bolillos Pochos and Pelados offers an authoritative portrait of the people of the South Texas Northern Mexico borderlands First published in 1999 the book is now extensively revised and updated to cover developments since 2000 including undocumented immigration the drug wars race relations growing social inequality and the socioeconomic gap between Latinos and the rest of American society issues of vital and continuing national importance An outgrowth of the Borderlife Research Project conducted at the University of Texas Rio Grande Valley Batos Bolillos Pochos and Pelados uses the voices of several hundred Valley residents collected by embedded student researchers and backed by the findings of sociological surveys to describe the lives of migrant farmworkers colonia residents undocumented domestic servants maquiladora workers and Mexican street children This wide ranging study explores social racial and ethnic relations in South Texas among groups such as Latinos Mexican immigrants wealthy Mexican visitors Anglo residents or tourists and Asian and African American residents With extensive firsthand material the book addresses the future integration of Latinos into the United States

Borderlands Boy Ken Carpenter, 2019-12-11 This lyrical moving and intensely personal coming of age memoir is also a coming out story of a gay boy from a conservative family growing up in the U S Southwest in an era of political social and cultural transformation It is also an extended reflection on the importance of place time history and geography in shaping who we are and who we become In post World War II America the specter of nuclear destruction and environmental crises challenges to racism and women s inequality the Vietnam War and the sexual revolution threaten to tear the country apart Already struggling with what it means to be different and what kind of man to become the author faces the ultimate moral test of courage and conscience when he graduates from college and is drafted to fight in Vietnam How will he navigate these tumultuous years and what will he learn from his experiences How can he survive find love and a purpose in life And what lessons are there in such a story for future generations in a world without borders

International Handbook of the Demography of Poverty and Inequality Joachim Singelmann, Dudley L. Poston Jr., 2025-05-27 This handbook provides a comprehensive and comparative review of poverty and inequality in developing and developed countries from demographic sociological and political perspectives It discusses among others the basics of poverty and inequality issues of poverty and inequality among

race ethnic and sexual minority subpopulations social processes country and comparative perspectives child poverty and anti poverty policies It also touches on regional disparities There has been rapid decline in poverty and inequality in China East Asian and Pacific countries Declines have also occurred in South Asia But in Sub Saharan Africa poverty and inequality have risen in some countries while in other regions such as transition economies in Europe and Central Asia only modest changes have occurred This handbook provides a great reference for demographers social scientists policy makers and NGOs

Latino(a) Research Review, 2006 *Dialogues on the Delta* Martín Camps, 2018-07-27 This collection of essays examines the city of Stockton California from an interdisciplinary perspective Stockton is in the heart of the Central Valley an agricultural region that comprises a diverse population and rich history This book covers the economic downturn of the city that was ground zero for the housing market crisis during the Great Recession which resulted in it becoming the first major American city to declare bankruptcy Nevertheless the city cannot be framed only on its economic misfortunes Stockton has a vibrant community with important historical figures such as Mart n Ramirez an outsider painter who was a patient in the Stockton State Hospital This book also covers topics such as food studies religious communities historical resources at the library at the University of the Pacific business community programs such as Puentes an overview of the city s racial diversity auto ethnographies the family connection to Mexican author Elena Poniatowska and a program at the Stockton High School during WWII to send jeeps as part of the war effort This book is informed by the perspectives of historians sociologists political scientists economists business scholars and literary and cultural studies theorists to provide a wide range of approaches to a vital community in the Central Valley of California [Latin American Geographies](#) Sam Halvorsen, 2025-03-25 *Latin American Geographies* introduces student readers to cutting edge scholarship on a range of topics from Indigenous geographies to sustainable development and dependency theory The book is written primarily by a Latin American based authorship and blends complex theory with in depth case studies in an accessible way for students with little prior knowledge Each chapter contains a general overview of the topic and includes summary boxes review questions and annotated further readings The book is divided into three sections Section 1 Core Themes gives the reader the necessary historical conceptual and theoretical tools to make sense of and engage in contemporary geographical debates in Latin American geographies It is divided into four areas covering major sub themes historical and colonial geographies political geographies economic and urban geographies and development and environmental geographies Section 2 Key Perspectives outlines key identities and positionalities that have had a profound impact on Latin American geographies exemplifying their significance through a range of case studies Section 3 Uneven Processes provides an in depth analysis into core geographical trends across three main themes ecologies urbanisation and resistance The book is unique in providing an introduction to Latin American geography that showcases the ideas of some of the region s leading geographical thinkers Aimed at undergraduate students chapters will also be of relevance to advanced researchers looking for introductions to

specific areas The book is designed for use in the classroom as well as for independent learning

Labor Market Issues along the U.S.-Mexico Border Marie T. Mora, Alberto Dávila, 2022-04-12 Five million workers are employed in a variety of settings along the U S Mexico border yet labor market outcomes on each side often differ U S workers tend to have low earnings and high unemployment compared with the rest of the country while workers on the Mexican side of the border are often more prosperous than those in the interior This book sheds new light on these socioeconomic differentials along with other labor market issues affecting both sides of the border The contributors take up issues that dominate the current discourse migration trade gender education earnings and employment They analyze labor conditions and their relationship to immigration and also provide insight into income levels and population concentrations the relative prosperity of Mexico s border region and NAFTA s impact on trade and living conditions Drawing on demographic economic and labor data the chapters treat topics ranging from historical context to directions for future research They cover the importance of trade to both the United States and Mexico salary differentials the determinants of wages among Mexican immigrant women on the U S side and the net effect of Mexican migration on the public coffers in U S border states The book s concluding policy prescriptions are geared toward improving conditions on the U S side without dampening the success of workers in Mexico Written to be equally accessible to social scientists policy makers and concerned citizens this book deals with issues often overlooked in national policy discussions and can help readers better understand real life conditions along the border It dispels misconceptions regarding labor interdependence between the two countries while offering policy recommendations useful for improving the economic and social well being of border residents

Marginalities and the Democratic Imaginary of the Global Borderlands Francisca L. James Hernandez, 2007

Transnational Representations of the U.S. Borderlands. Outlaw Women in Contemporary "Border Cinema" Jeanette Gonsior, 2019-10-14 Master s Thesis from the year 2014 in the subject American Studies Miscellaneous grade 1 0 Humboldt University of Berlin Department of English and American Studies language English abstract The Mexican Revolution of the 1910s alone is considered to have inspired some hundreds of border films mostly documentaries and docudramas The Mexican film industry has a nearly equally long history of representing the U S Mexico borderlands According to Norma Iglesias Prieto one of the leading scholars in the field of Mexican border cinema more than 300 border films were produced in Mexico between 1936 and 1996 By the 1930s Mexican producers were beginning to view the border as a profitable theme for Mexico s national film industry Iglesias Prieto 1998 Referring to Iglesias Prieto s classic book length study *Entre yerba polvo y plomo Lo fronterizo visto por el cine mexicano* 1991 Fregoso argues that Mexico produced 147 border films in the decade between 1979 and 1989 alone cp 2003 Charles Ram rez Berg also points to a boom in cine fronterizo in the 1980s Border films have flourished on the lowest end of the economic and aesthetic Mexican moviemaking scale for decades The narcotraficante film a Mexican police genre is the most popular

Sustaining the Borderlands in the Age of NAFTA Suzanne Simon, 2014-06-20 Sustaining the Borderlands in

the Age of NAFTA provides the only book length study of the impact on residents of the US Mexico border of NAFTA's Environmental and Labor Side Accords which required each state to enforce labor and environmental regulations Through field research in Matamoros Tamaulipas anthropologist Suzanne Simon tests the premise that the side accords would encourage Mexican grassroots democratization The effectiveness of the side accords was tied to transparency and accountability and practically bound to opportunities for Mexican border populations to participate in the side accord petitioning and civil society input mechanisms Simon conducted sixteen months of fieldwork with both a group of environmental activists and a group of those fighting for labor justice in Mexico Both of these groups became enmeshed in the types of cross border advocacy networks and coalition building efforts that are typical of the NAFTA era Although the key to the side accords anticipated success lay in their ostensibly generous encouragement of a participatory politics and sustainable development opportunities Sustaining the Borderlands reveals that the Mexican border populations for which they were largely created are effectively excluded from participating due to the ongoing online territorial class and cultural barriers that shape the borderlands Rather than experiencing the side accords and their companion institutions as transparent and accessible residents experienced them as opaque and indecipherable Simon concludes that the side accords have failed to deliver on their promise of bringing democracy to Mexico because practical mechanisms that would ensure their effective implementation were never put in place NAFTA took effect at a time when Mexico was undergoing a democratic transition The treaty was supposed to encourage this transition and improve environmental and labor conditions on the US Mexico border This book demonstrates that twenty years later the promises of NAFTA have not come to pass

Reviewing **Poverty And Inequality In The Latin American Us Borderlands**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Poverty And Inequality In The Latin American Us Borderlands**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Poverty And Inequality In The Latin American Us Borderlands Introduction

In the digital age, access to information has become easier than ever before. The ability to download Poverty And Inequality In The Latin American Us Borderlands has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Poverty And Inequality In The Latin American Us Borderlands has opened up a world of possibilities. Downloading Poverty And Inequality In The Latin American Us Borderlands provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Poverty And Inequality In The Latin American Us Borderlands has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Poverty And Inequality In The Latin American Us Borderlands. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Poverty And Inequality In The Latin American Us Borderlands. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Poverty And Inequality In The Latin American Us Borderlands, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Poverty And Inequality In The Latin American Us Borderlands has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Poverty And Inequality In The Latin American Us Borderlands Books

1. Where can I buy Poverty And Inequality In The Latin American Us Borderlands books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
