Poverty Reduction In Mongolia:

Poverty Reduction in Mongolia Keith B. Griffin, 2003 Poverty is possibly the most pressing problem in Mongolia today Strong rapid growth has been elusive in the tumultuous years following the collapse of communist rule average incomes have fallen and inequality has grown Economic collapse has been exacerbated by an unprecedented series of natural disasters in the rural livestock sector the mainstay of the Mongolian economy and society Mongolia desperately needs a strategy that addresses the macroeconomic problems it faces while also helping lift its citizens out of poverty This book considers the many aspects of poverty in Mongolia population movements and capabilities environmental constraints macroeconomic policy and governance It forms the basis of a strategy to counter the economic decline the growth of poverty and the increasing reliance on foreign aid At the heart of this strategy is the notion that there need be no conflict between growth and equity It argues that Mongolia now needs a strong state that is able to *Mongolia's Economic Prospects* Matthias Helble, Hal Hill, Declan Magee, 2020-06-01 This publication examines Mongolia's recent economic development and outlines reforms that would help the country take advantage of its many opportunities Mongolia is rich in natural resources and although landlocked is well placed to boost trade with its two giant neighbors The country needs to diversify its economy beyond mining enhance economic stability and increase employment To maximize Mongolia's potential the government can improve macroeconomic management enhance the skill base and provide hard and soft infrastructure to promote trade and efficient logistics Governance and institutional reforms are also crucial The government will need to continue to drive reforms so that they are well implemented and deliver the intended change **Mongolia: Poverty Reduction Strategy Paper** International Monetary Fund, 2003-09-03 The report provides the details of the assessment on Mongolia's Poverty Reduction Strategy Paper It describes the Economic Growth and Poverty Reduction Strategy EGPRS which presents main policy directions of the government with a focus on economic growth acceleration and poverty reduction efforts It describes the transition period of Mongolia demographic trends drawn from the household income and expenditure survey the poverty situation gender inequality and poverty reduction strategy It also reviews the promotion of economic and financial stability and provides a strategy for monitoring the policies *Mongolia, Poverty Reduction Strategy Paper*, 2003 **Modern Mongolia** Morris Rossabi, 2005-04-25 Land locked between its giant neighbors Russia and China Mongolia was the first Asian country to adopt communism and the first to abandon it When the Soviet Union collapsed in the early 1990s Mongolia turned to international financial agencies including the International Monetary Fund the World Bank and the Asian Development Bank for help in compensating for the economic changes caused by disruptions in the communist world Modern Mongolia is the best informed and most thorough account to date of the political economy of Mongolia during the past decade In it Morris Rossabi explores the effects of the withdrawal of Soviet assistance the role of international financial agencies in supporting a pure market economy and the ways that new policies have led to greater political freedom but also

to unemployment poverty increasingly inequitable distribution of income and deterioration in the education health and well being of Mongolian society Rossabi demonstrates that the agencies providing grants and loans insisted on Mongolia s adherence to a set of policies that did not generally take into account the country s unique heritage and society Though the sale of state assets minimalist government liberalization of trade and prices a balanced budget and austerity were supposed to yield marked economic growth Mongolia the world s fifth largest per capita recipient of foreign aid did not recover as expected As he details this painful transition from a collective to a capitalist economy Rossabi also analyzes the cultural effects of the sudden opening of Mongolia to democracy He looks at the broader implications of Mongolia s international situation and considers its future particularly in relation to China

The Fight for the Right to Food J. Ziegler,C. Golay,C. Mahon,S. Way,2011-02-01 This book documents and analyzes the experiences of the UN s first Special Rapporteur on the Right to Food It highlights the conceptual advances in the legal understanding of the right to food in international human rights law as well as analyzes key practical challenges through experiences in 11 countries across Africa Asia and Latin America

The Constitution and Contestation of Darhad Shamans' Power in Contemporary Mongolia Judith Hangartner,2011-04-07 This book offers an in depth insight into post socialist rural shamans in Mongolia thereby making a rare but important contribution to the ethnography of both Inner Asia and Southern Siberia It examines the social making of shamans in particular those of the Shishget depression of the northernmost borders of Mongolia By analysing practices discourses and performances in local and national arenas the author traces the social constitution of the shamans inspirational power examines the shamans performance of power during the seance discusses the economy of reputation of successful shamans and scrutinizes their legitimizing practices The study will be welcomed by students of social cultural anthropology and religious studies with a particular interest in shamanism or ritual studies

Managing Urban Expansion in Mongolia Takuya Kamata,James Reichert,Tumentsogt Tsevegmid,Yoonhee Kim,Brett Sedgewick,2010-05-03 The sustainable development of ger areas in Ulaanbaatar the capital of Mongolia is one of the critical development issues facing the country The ger areas host 60% of the population of Ulaanbaatar and they have expanded 35 times larger than the original center of the city Provision of basic

services e g heating and water supply is very limited or non existent in ger areas The lack of basic public services resulted in air and water pollution as well as serious health risks to residents The government tries to control expansion of the city particularly ger areas but its policy practices have been inconsistent These inconsistent actions are in part a result of limited awareness and understanding by the general public as well as by the policy makers of the public costs of their actions There is high susceptibility to ad hoc behaviors that place premiums on short term private gains over long term value creation in public goods Many supporting mechanisms including land valuation and taxation have not yet been developed to create incentives for long term value creation Mongolia Enhancing Policies and Practices for Ger Area Development in Ulaanbaatar aims at helping policy makers and citizens of Ulaanbaatar to improve their understanding of the consequences of their choices of policies and practices Specifically it intends to provide clear cost and benefit implications of three different development paths central mid tier and fringe gers for seven sectors land and housing water supply roads and public transport heating electricity solid waste and social services The report is a best practice in urban planning exercise which provides useful information that can apply for other big cities **Mongolia** International Monetary Fund,2005-11-15 This Joint Staff Advisory Note reviews the Poverty Reduction Strategy Paper Progress Report for Mongolia Recent economic developments have been broadly favorable Real GDP growth exceeded 10.5 percent in 2004 and is expected to remain robust at about 5.5 percent in 2005 with a recovery in livestock production and strong activity in the mining sector serving as the main drivers of growth Fiscal performance has strengthened markedly with the overall deficit narrowing to about 2 percent of GDP in 2004 the lowest level since the start of the transition in the early 1990s **Mongolia: Poverty Reduction Strategy Paper Progress Report**,2005 Mongolia in Transition Ole Bruun,Ole Odgaard,2013-05-13 Squeezed between powerful neighbours for decades Mongolia played the role of buffer state Its full independence in 1990 offered new opportunities for both economic growth and the restoration of Mongolian identity But with a huge land area poor infrastructure and a small population the new republic is highly vulnerable and also dependent on international support This book provides easily accessible information for developers planners consultants scholars students and others with an interest in contemporary Mongolia Prefaced by a general overview of the land and society its chapters all written by international experts cover a wide range of topics including foreign policy domestic politics local government structure living standards and poverty women in society grassland management the common herding household and science and technology policy A comprehensive bibliography is provided **Social Protection and Labor at the World Bank, 2000-08** Robert Holzmann,2009 Social Protection Labor at the World Bank 2000-2008 presents a progress review of the sector strategy by the World Bank published in early 2001 The strategy proposed a new conceptual frameworkOCoSocail Risk ManagementOCoto review and reform existing interventions and propose new ones that better assist vulnerable people in addressing the many risks to which they are exposed A History of Land Use in Mongolia Elizabeth Endicott,2012-11-12

Influence Policy? Participatory Poverty Assessments in the Developing World Caroline M. Robb,2002-01-15

Annotation This book highlights the significant role the poor can play in analyzing poverty developing interventions for poverty reduction and evaluating the effect of projects and policies **CHINA AND THE WORLD BANK: PROMOTING**

CAPACITY DEVELOPMENT SHIQING XIE,2020-11-27 The book China and the World Bank Promoting Capacity Development summarizes the experience of China s capacity development under the support of the World Bank through the detailed analysis of China s 50 loan projects Professor Yifu Lin former chief economist and senior vice president of the World Bank wrote the foreword of the book And he recommends the book as filling the gap of the research field in China s capacity development under the help of the World Bank Capacity development usually refers to a dynamic and perfecting process that the recipient countries public sectors allocate and use available resources for promoting the development capacity to achieve the expected goals of economic and social development in a more effective efficient appropriate and sustainable way This book is divided into five parts the first part is economic management and system reform which discusses the experience of capacity development in economic reform finance taxation and industry sectors the second part is poverty alleviation and rural development which analyzes the experience of capacity development in poverty alleviation and development agricultural comprehensive development and rural water supply and environmental sanitation the third part is infrastructure which refines water conservancy and hydropower experience in capacity development of expressways and urban transportation The fourth part is human development which describes the experience of capacity development of basic education and medical health The fifth part is environmental protection summarizing the experience of environmental management and urban water industry capacity development **International Crimes** Caroline Fournet,2006

International Crimes Theories Practice and Evolution is unique in that it proposes a theory of international criminal law by questioning the law itself The analysis focuses on particular definitional aspects of international crimes in order to highlight their similarities as well as the defects of the relevant instruments and to ultimately stress the need for change and the feasibility of such a proposal The recurring theme of the book is the idea that international criminal law is not and should not be considered as a static legal corpus Rather it should be acknowledged that the different crimes it covers interact greatly and could and should influence one another in order to reinforce or enforce the implementation and effectiveness of international criminal law By exploring methods of improvement of international criminal law this book addresses both theoretical issues as well as practical matters and in that respect will be of interest to both academics and practitioners

Emerging Challenges and Trends in TVET in the Asia-Pacific Region S. Majumdar,2011-07-23 The Asia Pacific countries are in various stages of socio economic development Geo political factors affect the pace of development of the countries in

the area also referred to as the Colombo Plan region TVET's acknowledged importance in the efforts to improve the quality of life of its people is a common motif in the book. The twenty articles by TVET experts and practitioners as well as policy makers provide the reader/researcher with a comprehensive appreciation of the respective TVET problems and issues in the countries included. The book is the latest attempt to put under one cover both macro and micro views of TVET, underscoring its current status, emerging trends, best practices and challenges that beset individual systems. The book presents a comprehensive body of TVET information for use as a handy reference both by serious researchers and national policymakers also by practitioners on how TVET plays a pivotal role in national socio-economic development. The experiences shared can be models of systems that worked, learning from them and avoiding the pitfalls. They further emphasize that no one solution fits all when addressing the gamut of challenges and concerns, the resources required and the preferred mindset when implementing TVET reforms.
