Poverty Row Studios 1929-1940:

Poverty Row Studios, 1929-1940 Michael R. Pitts, 2015-09-17 From the beginning of the sound era until the end of the 1930s independent movie making thrived. Many of the independent studios were headquartered in a section of Hollywood called Poverty Row. Here the independents made movies on the cheap, usually at rented facilities where shooting was limited to only a few days. From Allied Pictures Corporation to Willis Kent Production, 55 Poverty Row Studios are given histories in this book. Some of the studios, such as Diversion Pictures and Crescent Pictures, came into existence for the sole purpose of releasing movies by established stars. Others, for example J. D. Kendis, were early exploitation filmmakers under the guise of sex education. The histories include critical commentary on the studio's output and a filmography of all titles released from 1929 through 1940. ROY, "ROCKY" & RED RYDER; "HOPPY," DURANGO & MO[O]RE Dr. Jim Vickrey, Ph.D.,

J.D., 2019-11-11 ROY ROCKY HOPPY DURANGO MO O RE By Dr. Jim Vickrey Ph.D. J.D. From Chapter One: The Wages of Cinema on Coming of Age on the B Western Movie Range to the Conclusion: Why You Can Yet Join Me in Riding the Range Again. Author Dr. Jim Vickrey is hopeful that the experiences I've had while researching and writing this movie-related memoir will engender within readers the same happy thoughts I had and have resulting from my first and every subsequent encounter thereafter with the world of Western, particularly B Western cinema. **The Battle for the Bs** Blair

Davis, 2012-04-06 The emergence of the double bill in the 1930s created a divide between A pictures and B pictures as theaters typically screened packages featuring one of each. With the former considered more prestigious because of their larger budgets and more popular actors, the lower budgeted Bs served largely as a support mechanism to A films of the major studios, most of which also owned the theater chains in which movies were shown. When a 1948 U.S. Supreme Court antitrust ruling severed ownership of theaters from the studios, the B movie soon became a different entity in the wake of profound changes to the corporate organization and production methods of the major Hollywood studios. In *The Battle for the Bs* Blair Davis analyzes how B films were produced, distributed, and exhibited in the 1950s and demonstrates the possibilities that existed for low budget filmmaking at a time when many in Hollywood had abandoned the Bs. Made by newly formed independent companies, 1950s B movies took advantage of changing demographic patterns to fashion innovative marketing approaches. They established such genre cycles as science fiction and teen-oriented films, think *Destination Moon* and *I Was a Teenage Werewolf*, well before the major studios and also contributed to the emergence of the movement now known as underground cinema. Although frequently proving to be multimillion dollar box office draws by the end of the decade, the Bs existed in opposition to the cinematic mainstream in the 1950s and created a legacy that was passed on to independent filmmakers in the decades to come. Recovering 1940s Horror Cinema Mario DeGiglio-Bellemare, Charlie Ellb , Kristopher Woofert, 2014-12-11 The 1940s is a lost decade in horror cinema, undervalued and written out of most horror scholarship. This collection revises, reframes, and deconstructs persistent critical binaries that have been put in place by scholarly discourse to

label 1940s horror as somehow inferior to a classical period or canonical mode of horror in the 1930s especially as represented by the monster films of Universal Studios The book's four sections re-evaluate the historical political economic and cultural factors informing 1940s horror cinema to introduce new theoretical frameworks and to open up space for scholarly discussion of 1940s horror genre hybridity periodization and aesthetics Chapters focused on Gothic and Grand Guignol traditions operating in forties horror cinema 1940s proto slasher films the independent horrors of the Poverty Row studios and critical reevaluations of neglected hybrid films such as *The Vampire's Ghost* 1945 and slippery auteurs such as Robert Siodmak and Sam Neufeld work to recover a decade of horror that has been framed as having fallen victim to repetition exhaustion and decline
