## **Povesti i Rasskazy:**

Koldovskoi tsvetok, povesti i rasskazy Viacheslav Iakovlevich Shishkov, 1926      **Krasnoe kol'tso : povesti i rasskazy** P. Iarovoi, 1925      **A History of Women's Writing in Russia** Adele Marie Barker, Jehanne M. Gheith, 2002-07-11 A History of Women's Writing in Russia offers a comprehensive account of the lives and works of Russia's women writers Based on original and archival research this volume forces a re-examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women's writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia's literary periods they look at how Russia's women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works      Povesti, rasskazy Дмитрий Васильевич Григорович, 1896      *Russian Women Writers* Christine D. Tomei, 1999      **The New Russian Book** Birgitte Beck Pristed, 2017-08-01 This book takes up the obtrusive problem of visual representation of fiction in contemporary Russian book design By analyzing a broad variety of book covers the study offers an absolutely unique material that illustrates a radically changing notion of literature in the transformation of Soviet print culture to a post-Soviet book market It delivers a profound and critical exploration of Russian visual imaginary of classic popular and contemporary prose Among all the carelessly bungled covers of mass published post-Soviet series the study identifies gems from experimental designers By taking a comparative approach to the clash of two formerly separate book cultures the Western and the Soviet that results both in a mixture of highbrow and lowbrow forms and in ideological re-interpretations of the literary works this book contributes to opening an East-West dialogue between the fields of Russian studies contemporary book and media history art design and visual studies      **The Life and Work of Fedor Abramov** David C. Gillespie, 1997 Fedor Aleksandrovich Abramov 1920-83 was one of the leading representatives of the Russian village prose movement of the 1960s and 1970s In The Life and Work of Fedor Abramov scholars from the United States and abroad draw on Abramov's works his diaries and his private writings as sources for examining his place within the village prose movement and within Anglo-American theories of cultural reception      **Na klichkakh : povesti, rasskazy** Evgenii Ivanovich Zamiiatin, 1929      *Sever : povesti, rasskazy, skazki* Evgenii Ivanovich Zamiiatin, 1929      **Ostrovitiiane : povesti rasskazy teatr** Evgenii Ivanovich Zamiiatin, 1929      A Semiotic Analysis of the Short Stories of Leonid Andreev, 1900-1909 Stephen Hutchings, 1990 This book applies the techniques of semiotic analysis to a selection of short stories by Leonid Andreev in an attempt to offer one answer to the problems of categorizing Andreev's unique art and placing it within a literary evolutionary perspective Drawing on a range of literary theory from early Russian Formalism onwards the study proceeds from one level to another according to a principle of degree of abstraction so that each level constitutes firstly an

independent account of Andreev's texts in itself and secondly one stage in an overall analysis      **Russian Postmodernist Fiction** Mark Lipovetsky, Eliot Borenstein, 2016-09-16 This text offers a critical study of postmodernism in Russian literature It takes some of the central issues of the critical debate to develop a conception of postmodern poetics as a dialogue with chaos and places Russian literature in the context of an enriched postmodernism      **The Feminine in the Prose of Andrey Platonov** Philip Bullock, 2017-12-02 Andrey Platonovich Platonov 1899-1951 is increasingly regarded as one of the greatest writers of the Soviet period His linguistic virtuosity philosophical rigour and political unorthodoxy combined to create some of the most captivatingly absurd works of literature in any language Unsurprisingly many of these remained unpublished in his lifetime and indeed for many years thereafter In this lively and original study Philip Bullock traces the development of feminine imagery in Platonov's prose from the seemingly misogynist outrage of his early works to the tender reconciliation with domesticity in his final stories and argues that gender is a crucial feature of the author's audacious utopian vision

**Voices of Russian Literature** Sally Laird, 1999-04-29 Voices of Russian Literature presents in depth interviews with ten of the most interesting figures writing in Russian today They range from established authors such as Fazil Iskander and Andrei Bitov who began their careers in the post Stalinist Thaw to newcomers like Viktor Pelevin hailed as one of the most original writers of the present era It offers an insiders account of the fate of Russian literature over the past four decades Rather than cataloguing the opinions of dissidents or defenders of the former regime it presents the views of artists who have sought against the odds to express their unique visions of a changing world Each interview acquaints us with the author's distinctive voice and provides important insights into the genesis and interpretation of individual works Sally Laird has prefaced the interviews with biographical and critical sketches of each writer and her introductory essay sets the whole in historical context Voices of Russian Literature will be fascinating reading for anyone interested in Russia's contemporary literary experience      The Modern Encyclopedia of Russian and Soviet Literature Harry Butler Weber, George J. Gutsche, P. Rollberg, 1977      **Fiction in French - Fiction in Soviet** British Library, 2013-02-07 No detailed description available for Fiction in French Fiction in Soviet      *Reinventing Tradition* Klavdia Smola, 2024-02-20 How was the Jewish tradition reinvented in Russian Jewish literature after a long period of assimilation the Holocaust and decades of Communism The process of reinventing the tradition began in the counter culture of Jewish dissidents in the midst of the late Soviet underground of the 1960-1970s and it continues to the present day In this period Jewish literature addresses the reader of the post human epoch when the knowledge about traditional Jewry and Judaism is received not from the family members or the collective environment but rather from books paintings museums and popular culture Klavdia Smola explores how contemporary Russian Jewish literature turns to the traditions of Jewish writing from biblical Judaism to early Soviet anti Zionist novels and how it rewrites Haskalah satire Hassidic Midrash or Yiddish travelogues      **Valentin Rasputin and Soviet Russian Village Prose** David C.
