

If I get one thing right in this parenting gig, I want my children to understand how their actions impact others. I want them to always think about what they can offer the world instead of what they can get from it. And I hope they always remember they are a part of something bigger than themselves.

question has to do with cause New York Times 1 bestselling authors Richard and Linda Eyre s new book *The Turning Why the State of the Family Matters and What the World Can Do about It* contends that the social and economic challenges faced not only in the United States but throughout the world are the direct result of an unprecedented and widespread turning away from family The negative effects of this turning are apparent in the youth of the world today In S o Paulo Brazil more than 1 2 million street children are addicted to cocaine Suicide is the third leading cause of death for American fifteen to twenty four year olds Great Ormond Street Hospital in London has treated girls as young as seven or eight for eating disorders In Ethiopia nearly half of the children under the age of six work 30 hour weeks and In the past year there have been over 64 school shootings in the U S equaling more than one shooting a week The Turning uses research findings statistics like those listed above and the Eyres personal experiences at home and abroad to show that families are essential to the survival and success of civilization With the well being of the world at risk The Turning will move readers in a way that will raise personal reflection discussion and action to return the family to its necessary position as the recognized and prioritized basic unit of society But far more than a book of statistics and political suggestions this is a book for parents parents who want to better understand the world their children are growing up in and who want to create a family culture that is stronger than the internet culture the peer culture and all the other influences that flurry around our children every day As Thomas Friedman s *The World is Flat* opened our eyes to the cause and effect aspects of the global economy The Turning will open the eyes of readers across the world to the means and ends connections between stable families and households and the world s ability to meet its social and economic challenges As Harvard s Clayton Christensen and best selling author of *The Innovator s Dilemma* states This book gives us a common cause and a clear way to frame and explain the causality of today s problems In the spirit of Friedman s *The World is Flat* Richard and Linda Eyre examine the connections between the world s mounting social problems and the breakdown of families and look deeply at the root causes of family disintegration the false paradigms that confuse the priorities of parents and influence the kind of policies and practices in larger institutions from media to government that threaten families both economically and emotionally [How Good Parents Raise Great Kids](#) Alan Davidson,Robert Davidson,2009-05-30 In a friendly accessible style with interesting anecdotes and real life stories the authors distill the wisdom of a wide range of people from various economic and ethnic backgrounds into six key elements that will help parents raise self confident life loving happy children *Living with Siva* Subramuniya (Master.),2001 *Living with Siva* is the second in the series of The Master Course trilogy The 365 daily lessons include spiritual rules for the lion hearted on God worship marriage and family life money sex child rearing nonviolence and tolerance forgiveness hospitality karma nature and more *Reaction to the Modern Women's Movement, 1963 to the Present* Angela Howard,Sasha Ranae Adams Tarrant,2018-10-24 Antifeminism in cultural context To give today s readers an understanding of the social and political forces that actively fought against any changes in women s status in the United

States the editors selected these original examples from the writings of the time that appeared in popular books and magazines Opponents of women s equality frequently voiced their opinions about 19th century issues of women s suffrage dress reform self expression independence and other topics that touched upon the perceived roles and duties of women Such public diatribes continued into the 10th century as determined antifeminists argued against increased opportunities for women in employment and education denied the propriety of family planning and admonished against women s involvement in politics Arguments based on ridicule natural law and false claims Some opponents merely dismissed or ridiculed calls for changes in women s status without specifying particular flaws in the feminist position Others cited divine ordination applied to natural law and fanned public fears of familial and social disintegration Frequently these critics resorted to charges of presumed lesbianism communism and socialism against advocates of women s rights and against the movement itself This adamant opposition to equality for women was a manifestation of common apprehension about ongoing social economic and political changes beyond antifeminist control Antifeminists in their own words Today few people have even an inkling of the vehemence theatrical posturing and convoluted reasoning of the antifeminist forces This varied selection of original sources puts an illuminating spotlight on the arguments presented by opponents of women s equality that is drawn from an extensive body of writings ranging from the elegant pronouncements of a popular politician to sincere endorsements of the status quo by female apologists for those opposed to the women s movement to purveyors of low satire in the popular press For modern readers this collection provides the opportunity to encounter directly the reasoning opinions and perceptions of those that resisted and criticized the goals and achievements of feminism A valuable resource for many disciplines A particularly valuable feature of this set is its wealth of primary source material from the 19th and early 20th centuries including material from books and newspapers Very few libraries have collected these sources and chances are no single collection has them all These volumes are of great interest to women s studies women s history gender studies cultural studies as well as history political science sociology and literature Many of the examples of antifeminist writing found in the set can enrich classroom discussions and assignments that involve communication writing and rhetoric Available individually by volume 1 Opposition to the Women s Movement in the United States 1848 1929 0 8153 2713 7 400 pages 2 Redefining the New Woman 1920 1963 0 8153 2714 5 344 pages 3 Reaction to the Modern Women s Movement 1963 to the Present 0 8153 2715 3 352 pages
