Raising My Children Alone:

Help! I'm Raising My Children Alone T. D. Jakes, 2011-10-04 A healthy self image is one of the most important tools you can give to your children to prepare them to face life *A Wounded Daughter's Diary* Deanna Wilson, 2010 I found myself looking back on all the mistakes I made in my life seeing where I was not properly equipped where Satan was watching and waiting to sift me like wheat It started with the seed of pride a simple answer to a seemingly straightforward question Who do you think is the most spiritual in your graduating class But pride comes before a fall and with a resounding I am eighteen year old Deanna Wilson set herself high on a pedestal But she fell hard It didn't take long for Satan to wrap his wormy claws around her heart and convince her to pop just one pill take just one hit have just one more drink Deanna soon finds herself pregnant alone addicted to cocaine and dancing as a stripper five nights a week to make enough money to support her lifestyle and her baby all before the age of twenty five *A Wounded Daughter's Diary* is the story of Deanna Wilson's struggle from the depths of hell on earth to a place of redemption where she is finally able to see the realization of dreams she'd almost stopped praying for As Deanna candidly recounts her poor choices and the tragic awareness that comes only in hindsight her life speaks to all who feel the menacing tug of pride on their own hearts *A Wounded Daughter's Diary* speaks about our heavenly father that loves unconditionally he is the only one who can heal our wounds and bring us out of the darkness into the pure white light of true forgiveness **A Rewritten Story** Dr. Tyra Hodge, 2023-06-01 Life is never easy but there are times when it feels like everything is against you Tyra Hodge grew up feeling the world's weight pressing down on her A nagging feeling awakened whispering how she would never amount to anything the older she got Daunted by the increasing demands of education and her private struggles Tyra turned away It proved to be one of the seminal moments of her life Tyra found herself on the streets doing what she had to survive daily Endless hours spent in strip clubs hooked on drugs and spiraling deeper into desperation consumed her Tyra soon arrived at the end of her strength hoping each breath was her last Then the remarkable happened Life having oppressed her for so long provided her with the opportunity to change everything Tyra jumped Instead of wallowing in her grief she discovered a new life filled with hope and promise *A Rewritten Story Survival Strip Clubs and Salvation* is Tyra's remarkable journey Emotional and raw it follows her through the bad times and into the best time of her life Once a hopeless child of the streets Tyra rose to become SuperLady of the Year Teacher of the Year earned her position as an assistant principal and finally a district coordinator Tyra a highly sought national speaker educates teachers how to work with the roughest student Tyra's story is the inspiration we all need even if we don't know it **Raising My Children Alone** Shirley Wilson, 2004-07-01 This true story is so unbelieving it can be mistaken as fiction The protagonist is the mother of six children She struggles in a dramatic determination to achieve her lifelong goal to become a teacher along with trying to find a balance between raising and educating her children While her children look forward to a better life when their mother completes her education and gets a job she tries to find ways to help

them survive on a meager income This book tells how the mother was abandoned by the man she married and how she was uprooted from her extended family She was left alone to survive with her children on a balding landscape of life As she draws her strength from her Source of power she depicts a recreation of an extended family in her present community setting many miles away from her roots The mother does more than reveal survival skills in her dramatic captivating story Reading the book is a mirror It touches the lives of single parents and married couples with children The book shows how a family can emerge into a spiritual unity This is what some critics said about an excerpt or a chapter in the book 1 was practically on my toes the story forced me to read every page hoping and praying that the boy would get the bike for Christmas The story is so full of drama That s what good writing is all about Bravo Sandra Horton University Professor of Music 1 read at least 10 to 12 books a month This one is so different and among the best I felt like getting inside of the mother and helping her out in her plight Your ability to combine your literary craft with a true story is just simply remarkable The part about multi lighted windows of a newly built subdivision were staring at me through a wet misty foggy morning like yellow eyed jungle cats waiting for prey I found myself reading it over and over again What can I say It s simply didactic Loved it Joan Love International Motivational Speaker

To Be a Single Father Charles Jones, 2009-09 Making of a Global Engineer Philosophy and Practice interfaces Technology and Culture With the operation of technology on a global scale comes the question of dealing with a global professional environment with its diverse languages beliefs educational technical work environment and academic and corporate culture This leads to the conclusion that technology and cross cultural issues are intrinsically entwined in global engineering The book explores the global engineering environment and the consequent need for the global engineer possessing not only technical skills but language cultural and international skills It explores engineering educational models for integrating international education into the engineering curriculum focuses on differences and commonality in Higher Educational system examines cross cultural issues related to crossing cultural boundaries and focuses on fundamental global skills an engineer must possess to be a global engineer It also provides a practical guide for administering international programs in engineering The material is organized to give a direction an educational path a reader can follow to become a global engineer Making of a Global Engineer Philosophy and Practice is a valuable educational tool for the global technical enterprise needed both by academia to train students and by industry for training engineers The book acts as a guiding force as it answers the twin questions of Why and How related to global education

God, what happen to our good Men! Rina L. Williams, 2010-03-18 This book is about my life as a woman who wanted to have a good man but could not find one on my own I am a single mother with four children who had a horrible past that infected my thinking pattern towards men in general Some folks with this type of insecurity go and see therapist but decide to consult God about this issue In result of finding God I found the truth why many of women are single and the main reason is that we hold on to a lot of hurt that mess with our mind and thinking When I began to contact God for myself when I was out the

sight of church my family and friends I was faced alone in the mirror with myself And as I confront issue that was pulled up by seeking God it showed me the true answer to what I and many women ask God What happen to the good men is a book about my life that will inspire some and encourage other but important give you courage to face you I also show the importance of why having a relationship with God for yourself is necessary And in the end you will see that God s yoke is easy and burden is light When I tried to find a good man on my own I was picking the wrong one because of me not the men But when I finally decide to detach myself from my own issues and come outside myself I got free and love found me **Who Are Her People?** Rebecca Hoskins Goodwin,2018-07-16 Who Are Her People The Life and Family of Louise Maynard Hoskins Like Josephs coat this is a book of many colors It is a genealogy a family history and a memoir This book tells the loving story of Louise Maynard Hoskins and her family who were descended from the pioneer families of the Tug River Valley in the mountains of southern West Virginia and eastern Kentucky This book will tell the story of the people and the place from whence she came This is the Maynard story the Williamson story the Hatfield story the Scott story and the stories of their related lines McCoy Stafford Runyon Cassady Butcher Taylor and Varney Island Shelter Karen Kiaer,2012-05-31

Behind Closed Doors The Unthinkable,2017-07-27 The story takes place in Chicago Illinois where the author lived with her four loved ones She is writing this autobiography about her pains trials and pleasures Her story will deeply explain what her trials and tribulations pulled her through Living and learning from life the author has learned to always place God first and to always love yourself and your family She has learned that when dealing with relationships you have to be ready to give a person a part of you and in relationships sometimes you may lose yourself as a person because you want to be a girlfriend etc So may I say this to my readers just be careful of who you give your heart to because in the end that person can hurt your heart so just keep God in your life stay strong do the things you need to do to better your life for you and your family always love yourself and be blessed *Breaking Point* RS Kee,2012-11 Breaking Point continues where Beneath the Surface ends with the life of pop star Elesin Vollan He struggles to get his life back after a violent break up from his abusive boyfriend As Vollan s star as a solo artist continues to rise his personal relationship with a fellow pop star and lover becomes strained He also struggles to find a balance between his party boy lifestyle and attempts at a real life with his children Just as Vollan s life begins to level out nothing could be further from the truth as Vollan s life is turned upside down by his ex lover whose life s mission is making Vollan suffer Call Me a Truck...I Won't Sprout Wheels Judi Daggy,2001-10 In the beginning there was the word a sound a vibration Would you like to experience the freedom from being offended freedom from control and manipulation ItOs all in the words we hear and the words we use Words make up our thoughts our thoughts make up our opinions and our opinions generally end up giving us heartburn Thoughts come first everything else follows and wherever you go there you are Have you ever tried to escape a thought Have you ever lost your sense of humor Maybe it flew out of the window on the freeway somewhere There is a way to get it back Discover new vistas and fields for your mind to wander
