**The Rakehell Dynasty** Michael William Scott, 1980 Rakehell Dynasty, The: China Bride - Book Two W Michael, Michael Scott, 1982-08-01 Orient Affair Michael William Scott, A. Scott, 1982 **The Rakehell Dynasty** Michael W. Scott, 1982-02 *The Publishers Weekly*, 2004 **China Bride** W Michael, Michael W. Scott, 1982-08-01 Jonathan Rakehell captain of the China Clipper returns to the Orient to wed the woman he loves and finds himself embroiled in intrigue and violence as angry mobs revolt against the opium trade *American Bookseller*, 1981 **Daimyō** William Morell, 1983 **Brenda Joyce The de Warenne Dynasty Series Books 8-11** Brenda Joyce, 2016-02-15 Recapture the adventure and romance of New York Times bestselling author Brenda Joyce's beloved de Warenne Dynasty THE PERFECT BRIDE Lady Blanche Harrington has no desire to marry but circumstances demand that she must She dreads choosing a suitor especially because one man Rex de Warenne has not stepped forward A DANGEROUS LOVE Ariella de Warenne may look like a proper lady but her family knows her as an independent thinker and something of a radical So no one is surprised except maybe Ariella herself when she falls for the most inappropriate man Emilian the leader of a Roma camp AN IMPOSSIBLE ATTRACTION The Duke of Clarewood witnessed his parents' disastrous marriage and he vowed never to wed That is until he meets the irresistible Alexandra Bolton who inflames him as no other woman ever has THE PROMISE Alexi de Warenne married his childhood friend Elysse O'Neill to save her honor but then leaves her to forge her own life But Elysse knows she can win her husband's heart and she'll do anything to claim her proper place at his side The de Warenne Dynasty Volume 3 Books 8 to 11 The Perfect Bride A Dangerous Love An Impossible Attraction The Promise **The Howe Dynasty: The Untold Story of a Military Family and the Women Behind Britain's Wars for America** Julie Flavell, 2021-07-20 Finalist George Washington Book Prize New York Times Book Review Editors' Choice Finally revealing the family's indefatigable women among its legendary military figures The Howe Dynasty recasts the British side of the American Revolution In December 1774 Benjamin Franklin met Caroline Howe the sister of British General Sir William Howe and Richard Admiral Lord Howe in a London drawing room for half a dozen Games of Chess But as historian Julie Flavell reveals these meetings were about much more than board games they were cover for a last ditch attempt to forestall the outbreak of the American War of Independence Aware that the distinguished Howe family both the men and the women have been known solely for the military exploits of the brothers Flavell investigated the letters of Caroline Howe which have been blatantly overlooked since the nineteenth century Using revelatory documents and this correspondence The Howe Dynasty provides a groundbreaking reinterpretation of one of England's most famous military families across four wars Contemporaries considered the Howes impenetrable and intensely private or as Horace Walpole called them brave and silent Flavell traces their roots to modest beginnings at Langar Hall in rural Nottinghamshire and highlights the Georgian phenomenon of the politically involved aristocratic woman In fact the early careers of the brothers George Richard and William can be credited

not to the maneuverings of their father Scrope Lord Howe but to those of their aunt the savvy Mary Herbert Countess Pembroke When eldest sister Caroline came of age during the reign of King George III she too used her intimacy with the royal inner circle to promote her brothers moving smoothly between a straitlaced court and an increasingly scandalous London high life With genuine suspense Flavell skillfully recounts the most notable episodes of the brothers military campaigns how Richard commanding the HMS Dunkirk in 1755 fired the first shot signaling the beginning of the Seven Years War at sea how George won the devotion of the American fighters he commanded at Fort Ticonderoga just three years later and how youngest brother General William Howe his sympathies torn nonetheless commanded his troops to a bitter Pyrrhic victory in the Battle of Bunker Hill only to be vilified for his failure as British commander in chief to subdue Washington s Continental Army Britain s desperate battles to guard its most vaunted colonial possession are here told in tandem with London parlor room intrigues where Caroline bravely fought to protect the Howe reputation in a gossipy aristocratic milieu A riveting narrative and long overdue reassessment of the entire family The Howe Dynasty forces us to reimagine the Revolutionary War in ways that would have been previously inconceivable

In the Name of the Father: Family, Football, and the Manning Dynasty Mark Ribowsky, 2018-08-07 The story of America s most sacred and carefully constructed football dynasty is revealed in this unflinching family portrait For generations American athletes have enjoyed the ever escalating celebrity lavished upon them when they combine on the field talent with off the field charisma but never before have we seen as transformative a sports dynasty as the Mannings a bloodline of strong arms Southern values and savvy business instincts each man compelling in his own right made whole by family But how in just fifty years did this private trio achieve football immortality A gripping and definitive account In the Name of the Father traces Archie Peyton and Eli s roots from red clay Mississippi to the bright lights of the Super Bowl to reveal the truth of their grit and dedication their inherent ability and the drama they endured behind closed doors As New York Times Notable biographer Mark Ribowsky meticulously chronicles the road to football stardom was not paved smoothly for patriarch Archie The most celebrated and beloved athlete to emerge from tiny Drew Mississippi Archie lost his father to suicide during his heyday at Ole Miss Then despite his playing through the pain a string of surgeries prematurely ended a storied NFL career most memorably spent with the New Orleans Saints Similar savior like expectations were passed to Archie s eldest Cooper the most gifted of his brood but the shocking discovery of a spinal condition prevented Cooper from ever playing a single snap of college ball Luckily Archie had been raising all three of his sons to love the gridiron throwing deep balls to them off the front porch and there were two more heir apparents in the wings Raised watching dusty old game films in the family den Peyton was swiftly hailed as a generational talent his record breaking tenure at Tennessee paving a clear path to the NFL Winning Super Bowls with both the Indianapolis Colts and the Denver Broncos he was able to overcome a debilitating neck injury after barely being able to hold a football to eclipse Archie in football success It was Peyton who would first pair his football cachet with capitalism selecting commercials

and appearances to show off his humor and expand the now ubiquitous Manning brand into mainstream popular culture And finally there was quiet Eli with an arm and a career to match his big brother s but a reserved and enigmatic affect all his own The good boy who followed his father to Ole Miss Eli entered the NFL even more carefully managed than his brother was forcing a trade when the lackluster San Diego Chargers selected him with the first pick in the draft Even with two dramatic Super Bowl wins with the New York Giants Eli s lows have been catastrophic and he has never been quite the media darling his brother is But even as their football careers wind down the power of the Manning name only grows Drawing on new interviews and research Ribowsky reveals a family of transcendent talent and intense loyalty dedicated to maintaining an all American facade that has on occasion shown cracks From the family s past steeped in problematic parts of Southern identity to locker room scandal turned lawsuit to flashes of fraternal jealousy Ribowsky leaves no stone unturned Rich in gridiron dramatics and familial intrigue *In the Name of the Father* is a quintessentially American saga of a multifaceted lineage that has forever changed the game     **The Whole Story** John E.
