They Want to Kill Americans Malcolm Nance, 2022-07-12 NOW A NEW YORK TIMES LOS ANGELES TIMES USA TODAY AND GREAT LAKES INDEPENDENT BOOKSELLER ASSOCIATION BESTSELLER New York Times bestselling author Malcolm Nance offers a chilling warning on a clear present and existential threat to our democracy our fellow Americans Malcolm Nance is one of the great unsung national security geniuses of the modern era Rachel Maddow To varying degrees as many as 74 million Americans have expressed hostility towards American democracy Their radicalization is increasingly visible in our day to day life in neighbor s or family member s open discussion of bizarre conspiracy theories reveling in the fantasy of mass murdering the liberals they believe are drinking the blood of children These are the results of the deranged series of lies stoked by former President Donald Trump made worse by the global pandemic The first steps of an American fracture were predicted by Malcolm Nance months before the January 6 2021 insurrection heralding the start of a generational terror threat greater than either al Qaeda or the Islamic State Nance calls this growing unrest the Trump Insurgency in the United States or TITUS The post 2020 election urge to return to a place of normalcy to forget is the worst response we can have American militiamen terrorists and radicalized political activists are already armed in mass numbers and regularly missed in the media principally because Trump s most loyal and violent foot soldiers benefit from the ultimate privilege being white They Want to Kill Americans is the first detailed look into the heart of the active Trump led insurgency setting the stage for a second nation wide rebellion on American soil This is a chilling and deeply researched early warning to the nation from a counterterrorism intelligence professional America is primed for a possible explosive wave of terrorist attacks and armed confrontations that aim to bring about a Donald Trump led dictatorship Brainwend Kill Harley Stein, 2012-08 Rydal Keene could peel back layers of sound He could distinguish cars simply by the roar of their engines On an early spring day Rydal heard some classmates playing Marco Polo at the ravine just off the school campus Less than an hour later Dr Nell Walker found a 13 year old Grainger student floating face down in the ravine a hideous gash in the back of his head But a blind boy is not the best witness especially when the evidence points to his best friend Dr Walker returned to Grainger as the school psychologist Anxiety stress loss suffering these are familiar to her Now the horror of the murder sends Nell spiraling into her own past reliving the nightmare killings by the man she d loved Was she blacking out again Where had she been when the boy was killed Detective Jason Sheffield follows a more traditional approach he questions teachers and students hunting for opportunity and motivation The longer Jason delves into the case the more he suspects that Nell s past has jolted her over the edge The surprising ending reveals how heavily the dead burdens of the past weigh on the living Killing King Stuart Wexler, Larry Hancock, 2018-04-01 Published in time for the 50th anniversary of Dr Martin Luther King Jr s assassination Killing King uncovers previously unknown FBI files and sources as well as new forensics to convincingly make the case that King was assassinated by a long simmering conspiracy orchestrated by the racial terrorists

who were responsible for the Mississippi Burning murders This explosive book details the long simmering effort by a group of the nation s most violent racial terrorists to kill Dr Martin Luther King Jr Killing King convincingly makes the case that while James Earl Ray was part of the assassination plot to kill King the preponderance of evidence also demonstrates a clear and well orchestrated conspiracy Thoroughly researched and impeccably documented the book reveals a network of racist militants led by Sam Bowers head of the White Knights of the Ku Klux Klan of Mississippi who were dedicated to the cause of killing King The White Knights were formed in the cauldron of anti integrationist resistance that was Mississippi in the early 1960s and were responsible for more than three hundred separate acts of violence including the infamous Mississippi Burning murders The authors have located previously unknown FBI files and sources that detail a White Knight bounty offer information from an individual who carried money for the assassination and forensics information regarding unmatched fingerprints and an audio recording of an admission that a key suspect obtained a weapon to be used in killing King For years Americans have debated issues with this crime With Killing King we are ever closer to an accurate understanding of how and why Dr King was killed
