

Ralph Fasanellas America

Simone Cinotto

Ralph Fasanellas America:

Ralph Fasanella's America Paul S. D'Ambrosio, 2001 The first collection of the paintings of Ralph Fasanella 1914 1997 a self taught painter whose body of work is one of the most compelling artistic critiques of post World War II America 111 illustrations including 73 in full color **I'm Gonna Paint** Anne Broyles, 2023-11-07 The life of visionary folk artist and labor organizer Ralph Fasanella stunningly illustrated for picture book readers Winner of the Silver Medal at the Society of Illustrators Original Art Show A Bologna Children s Book Fair 2024 Illustration Winner When dared to jump Ralph always took the dare So begins this beautiful tribute to a singular artist and his tireless efforts to honor and celebrate immigrant and working class communities through his paintings Born in 1914 New York City to Italian immigrants Ralph s youth was one of dress factories ice deliveries union meetings and Momma s stories of the Bread Roses Strike around the dinner table By teaching himself how to paint Ralph discovered a new way to reach working people he would depict their lives their work and American history with electric color at a grand scale Focusing on themes of social justice immigrant rights labor rights and the dignity of working people I m Gonna Paint inspires to give a new generation the confidence to continue the fight for better working conditions Anne Broyles taps into Ralph s indomitable spirit to show his evolution as an artist while Victoria Tentler Krylov s energetic art leaps off the page with wonder and homages to Ralph s style Meticulously researched with quotes from Ralph to underline his philosophy and approach to artmaking the robust back matter includes reproductions of his paintings historical photos a timeline a bibliography a source notes and much more A Bank Street Best Children s Book of the Year **Fasanella's City** Patrick Watson, 1974 **Ralph Fasanella** Marc Fasanella, 2017 Ralph Fasanella was an activist whose megaphone was his paintbrush His images filled with symbolism chronicle life in early twentieth century New York the American labor movement the complex bonds of family and the political injustices and social inequities of his time His paintings teem with both gritty realities and his own hopeful visions for a prosperous working class Born in 1914 to Italian immigrant parents Fasanella was intellectual without formality Though he never attended art school he enthusiastically studied the greats was well read and was confident in his developed knowledge of painting He also had an easy way with people and he found inspiration in those who like him worked hard and got their fingernails dirty His most accomplished works reveal the perversions and promises of the United States the history of prejudice oppression and wage slavery and the power of opposition hope and the struggle for a more egalitarian society writes Marc Fasanella the artist s son in **Ralph Fasanella Images of Optimism** He painted the beauty poetry and social cohesion that define a healthy existence He communicated these concepts by employing the emotional resonance of persuasive visual metaphor He painted optimism Workers in America Robert E. Weir, 2013-01-08 This encyclopedia traces the evolution of American workers and labor organizations from pre Revolutionary America through the present day In 2001 Robert E Weir s two volume Historical Encyclopedia of American Labor was chosen as a New York Public Library Best in Reference selection Weir recently revised

this groundbreaking resource resulting in content that is more accessible comprehensive and timely The newest edition *Workers in America A Historical Encyclopedia* features updated entries recent court cases a chronology of key events an enriched index and an extensive bibliography for additional research This expansive encyclopedia examines the complete panorama of America s work history including the historical account of work and workers the social inequities between the rich and poor violence in the Labor Movement and issues of globalization and industrial economics Organized in two volumes and arranged in A Z order the 350 entries span key events collective actions pivotal figures landmark legislation and important concepts in the world of labor and work **Encyclopedia of American Folk Art** Gerard C. Wertkin,2004-08-02

For a full list of entries contributors and more visit the Encyclopedia of American Folk Art web site This is the first comprehensive scholarly study of a most fascinating aspect of American history and culture Generously illustrated with both black and white and full color photos this A Z encyclopedia covers every aspect of American folk art encompassing not only painting but also sculpture basketry ceramics quilts furniture toys beadwork and more including both famous and lesser known genres Containing more than 600 articles this unique reference considers individual artists schools artistic ethnic and religious traditions and heroes who have inspired folk art An incomparable resource for general readers students and specialists it will become essential for anyone researching American art culture and social history *Making Italian America* Simone Cinotto,2021-05-20 Fourteen cultural history essays exploring the relationship between Italian Americans consumer culture and the American identity How do immigrants and their children forge their identities in a new land And how does the ethnic culture they create thrive in the larger society *Making Italian America* brings together new scholarship on the cultural history of consumption immigration and ethnic marketing to explore these questions by focusing on the case of an ethnic group whose material culture and lifestyles have been central to American life Italian Americans As embodied in fashion film food popular music sports and many other representations and commodities Italian American identities have profoundly fascinated disturbed and influenced American and global culture Discussing in fresh ways topics as diverse as immigrant women s fashion critiques of consumerism in Italian immigrant radicalism the Italian American influence in early rock n roll ethnic tourism in Little Italy and Guido subculture *Making Italian America* recasts Italian immigrants and their children as active consumers who since the turn of the twentieth century have creatively managed to articulate relations of race gender and class and create distinctive lifestyles out of materials the marketplace offered to them The success of these mostly working class people in making their everyday culture meaningful to them as well as in shaping an ethnic identity that appealed to a wider public of shoppers and spectators looms large in the political history of consumption *Making Italian America* appraises how immigrants and their children redesigned the market to suit their tastes and in the process made Italian American identities a lure for millions of consumers Fourteen essays explore Italian American history in the light of consumer culture across more than a century long intense movement of people goods money ideas and images between Italy

and the United States a diasporic exchange that has transformed both nations Simone Cinotto builds an analytical framework for understanding the ways in which ethnic and racial groups have shaped their collective identities and negotiated their place in the consumers emporium and marketplace Grounded in the new scholarship in transnational US history and the transfer of cultural patterns Making Italian America illuminates the crucial role that consumption has had in shaping the ethnic culture and diasporic identities of Italians in America It also illustrates vividly why and how those same identities incorporated in commodities commercial leisure and popular representations have become the object of desire for millions of American and global consumers This compelling and innovative volume captures the complexities of the pivotal role of consumption in the historical formation of transnational Italian American taste positing a distinctive diasporic consumer culture that continues its importance today Richly interdisciplinary the collection represents an exciting new resource for scholars and students alike Marilyn Halter Boston University American Folk Art Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays American Folk Art A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are **Sweatshop USA** Daniel E. Bender, Richard A. Greenwald, 2013-10-28 For over a century the sweatshop has evoked outrage and moral repugnance Once cast as a type of dangerous and immoral garment factory brought to American shores by European immigrants today the sweatshop is reviled as emblematic of the abuses of an unregulated global economy This collection unites some of the best recent work in the interdisciplinary field of sweatshop studies It examines changing understandings of the roots and problems of the sweatshop and explores how the history of the American sweatshop is inexorably intertwined with global migration of capital labor ideas and goods The American sweatshop may be located abroad but remains bound to the United States through ties of fashion politics labor and economics The global character of the American sweatshop has presented a barrier to unionization and regulation Anti sweatshop campaigns have often focused on local organizing and national regulation while the sweatshop remains global Thus the epitaph for the sweatshop has frequently been written and re written by unionists reformers activists and politicians So too have they

mourned its return **Catholics in the American Century** R. Scott Appleby, Kathleen Sprows Cummings, 2012-11-15 Over the course of the twentieth century Catholics who make up a quarter of the population of the United States made significant contributions to American culture politics and society They built powerful political machines in Chicago Boston and New York led influential labor unions created the largest private school system in the nation and established a vast network of hospitals orphanages and charitable organizations Yet in both scholarly and popular works of history the distinctive presence and agency of Catholics as Catholics is almost entirely absent In this book R Scott Appleby and Kathleen Sprows Cummings bring together American historians of race politics social theory labor and gender to address this lacuna detailing in cogent and wide ranging essays how Catholics negotiated gender relations raised children thought about war and peace navigated the workplace and the marketplace and imagined their place in the national myth of origins and ends A long overdue corrective Catholics in the American Century restores Catholicism to its rightful place in the American story **Artist File** Ralph Fasanello, 1970 *Combing the Tradition* Fred Herron, 2007 This is a sketchbook of the twin realities of Catholic faith and Catholic schools A theological vision of the Catholic religious imagination provides the framework for viewing these realities from different angles Taking Pope Benedict XVI's remark that truth is in the Whole this book looks at Catholic faith and education from the rich perspective of the sacramental or Catholic imagination Historian John Tracy Ellis's conviction that this age will be known as the era of baptismal consciousness reflects a growing awareness in the entire Christian community that it must take its responsibilities in evangelization seriously Combing the Tradition is an attempt to comb the Catholic tradition from the point of view of this re-emerging baptismal consciousness It marvels at the role that Catholic schools teachers parents and students play in recreating this great truth It finds God's loving hand at work in the lives of citizens seeking meaning at Ground Zero in the re-emerging theology of the domestic church and in understanding the task of Catholic education It raises questions concerning the impact of consumer society on the lives of our young people and finds hope in schools which continue to shape the religious imaginations of the next generation of a community of disciples

The Italian American Heritage Pellegrino A D'Acierno, 2021-12-12 First published in 1999 The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non-specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the

book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors

The Italian Americans: A History Maria Laurino, 2014-12-01 This richly researched beautifully illustrated volume illuminates an important overlooked part of American history From extensive archival materials and interviews with well known Italian Americans Maria Laurino strips away stereotypes and nostalgia to tell the complicated centuries long story of the true Italian American experience Looking beyond the familiar Little Italys and stereotypes fostered by The Godfather and The Sopranos Laurino reveals surprising fascinating lives Italian Americans working on sugar cane plantations in Louisiana to those who were lynched in New Orleans the banker who helped rebuild San Francisco after the great earthquake families interned as enemy aliens in World War II From anarchist radicals to Rosie the Riveter to Nancy Pelosi Andrew Cuomo and Bill de Blasio from traditional artisans to rebel songsters like Frank Sinatra Dion Madonna and Lady Gaga this book is both exploration and celebration of the rich legacy of Italian American life Readers can discover the history chronologically chapter by chapter or serendipitously by exploring the trove of supplemental materials These include interviews newspaper clippings period documents and photographs that bring the history to life

Sweatshop Laura Hapke, 2004 Arguing that the sweatshop is as American as apple pie Laura Hapke surveys over a century and a half of the language verbal and pictorial in which the sweatshop has been imagined and its stories told Not seeking a formal definition of the sort that policymakers are concerned with nor intending to provide a strict historical chronology this unique book shows rather how the real sweatshop has become intertwined with the invented sweatshop of our national imagination and how this mixture of rhetoric and myth has endowed American sweatshops with rich and complex cultural meaning Hapke uncovers a wide variety of tales and images that writers artists social scientists reformers and workers themselves have told about the shop Adding an important perspective to historical and economic approaches Sweatshop draws on sources from antebellum journalism Progressive era surveys modern movies and anti sweatshop websites Illustrated chapters detail how the shop has been a facilitator of assimilation a promoter of upward mobility the epitome of exploitation a site of ethnic memory a venue for political protest and an expression of twentieth century managerial narratives An important contribution to the real and imagined history of garment industry exploitation this book provides a valuable new context for understanding contemporary sweatshops that now represent the worst expression of an unregulated global economy

Fasanella's City Patrick Watson, Ralph Fasanella, 1973 Italian/American Short Films and Music Videos Anthony Julian Tamburri, 2002 This book constitutes a first look at the little known phenomenon of the Italian American short film What becomes apparent is the conspicuous interest these members of the newer generation of Italian American filmmakers exhibit

vis a vis their ethnicity be such films a fiction a documentary or a music video Equally significant is the lens through which they see their Italian American heritage While the older generations concentrated more on the by now well known thematics of immigration and organized crime as well as the debunking thereof these younger artists performers of short films have added to the general theme of heritage at various degrees that of race gender and sexuality Anthony Julian Tamburri is a professor of Italian at Florida Atlantic University where he is also chair of the Department of Languages and Linguistics He is the author of seven other books including *A Semiotic of Ethnicity* *In Recognition of the Italian American Writer* and *To Hyphenate or Not to Hyphenate The Italian American Writer Or An Other American* and is editor or co editor of twelve collections including the best selling anthology *From the Margin* 1991 2000 and *Screening Ethnicity* 2002 He is a co founding editor of *Voices in Italian Americana A Literary and Cultural Review*

New York's Underground Art Museum

Sandra Bloodworth, William Ayres, 2014-11-11 Initiated in 1985 the MTA Arts Design collection of public art now encompasses more than 250 projects creating a dynamic underground museum of contemporary art that spans the entire city and its immediate environs Since the program was founded a diverse group of artists including Elizabeth Murray Faith Ringgold Eric Fischl Romare Bearden Acconci Studio and many others has created works in mosaic terra cotta bronze and glass for the stations of the New York City Subways and Buses Metro North Railroad Long Island Rail Road and Bridges and Tunnels An update of the classic *Along the Way* this expanded edition features nearly 100 new works installed in stations since 2006 including Sol LeWitt's *Whirls and twirls* MTA at Columbus Circle Doug and Mike Starn's *See it split see it change* at South Ferry and the James Carpenter Grimshaw Arup *Sky Reflector Net* at Fulton Center The book illustrates how the program has taken to heart its original mandate that the subways be designed constructed and maintained with a view to the beauty of their appearance as well as to their efficiency MTA Arts Design is committed to preserving and restoring the original ornament of the system and to commissioning new works that exemplify the principles of vibrant public art relating directly to the places where they are located and to the community around them The definitive guide to works commissioned by MTA Arts Design a reference for riders who have wondered about an artist or the meaning behind the art they've seen as well as a memento for visitors New York's Underground Art Museum provides 300 color illustrations and insightful descriptions sure to infuse any future trip or viewing with a fresh appreciation and understanding of this historic enterprise

Buried Caesars, and Other Secrets of Italian American Writing Robert Viscusi, 2012-02-01 Winner of the 2006 Pietro Di Donato and John Fante Literary Award from The Grand Lodge of the Sons of Italy New York State Robert Viscusi takes a comprehensive look at Italian American writing by exploring the connections between language and culture in Italian American experience and major literary texts Italian immigrants Viscusi argues considered even their English to be a dialect of Italian and therefore attempted to create an American English fully reflective of their historical social and cultural positions This approach allows us to see Italian American purposes as profoundly situated in relation not only to American

language and culture but also to Italian nationalist narratives in literary history as well as linguistic practice Viscusi also situates Italian American writing within the eccentric design of American literature and uses a multidisciplinary approach to read not only novels and poems but also houses maps processions videos and other artifacts as texts **The Italian American Experience** Salvatore J. LaGumina, Frank J. Cavaoli, Salvatore Primeggia, Joseph A. Varacalli, 2003-09-02 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company
