## **Ramblins And Recollections:**

Ramblin's and Recollections Don Hill, 2002-10 The philosopher says you can't go home again yet we try Of course we know the good old days will never return or be the same again but that doesn't stop the memories of those days gone by What wonderful things memories And how strange it is just how the mind sorts them all out It seems the wonderful mind likes to remember the good things and tries to block out the bad Yes memories are just stored away waiting for that special moment They are often fleeting there for a moment and then gone going back waiting for another chance to pop out One needs an Indian Dream Catcher to hold them in place for others to enjoy This then is my book of catches All the memories are not here There are still some just waiting for that special moment It may be like the other day while painting my back door and the brush pauses in mid air and my daughter asks Dad why are you smiling And I reply Nothing Hon nothing at all For a moment I just went home again
