Rand McNally Deluxe Illustrated Atlas Of The World:

Deluxe Illustrated Atlas of the World Rand McNally and Company, 1991 **Deluxe Illustrated Atlas of the World**, 1991 *Rand McNally Illustrated Atlas of the World*, 1994 **Nature First** Bob Henderson, Nils Vikander, 2007-07-31

Nature First combines the Scandinavian approach to creating a relationship with nature known as friluftsliv with efforts by Canadian and international educators to adapt this wisdom and apply it to everyday life experiences in the open air. The word friluftsliv literally refers to free air life or outdoor life. A word saturated with values the concept can permeate deeply and playfully into one's cultural being and personal psyche thus influencing the way one perceives and interacts with nature on a daily basis. For centuries the North American approach has been one of domination and bringing nature under control in many cases abusing our natural environment in the process. The friluftsliv way of being on talking terms with nature developing an insider's relationship with nature offers the rich potential of allowing us as cohabiters on the Earth to recreate, rejuvenate and restore the balance among all living things. Nature First is the first English language anthology to bring together the perspectives and experiences of North American, Norwegian, Swedish and other international outdoor writers, all friluftsliv thinkers and doers. Here the thirty contributors use of history, sociology, psychology, philosophy and outdoor education writings blend to provide an understanding of how friluftsliv applies to everyday life. The book presents an alternative to much of the personal growth, adventure based literature that tends to dominate our current approach to the outdoor activity. Folklore, heritage, adventure, travel, crafts, place based education and the daily outings of families all have a role to play in promoting an understanding of both the ordinary and the mystical importance of this Nordic tradition. Dedicated to parents, travel guides, educators and generally to participants in the outdoors, Nature First provides a compellingly fresh approach to life in the out of doors.

Bob Henderson's Trails and Tales 4-Book Bundle Bob Henderson, 2016-05-30. Hit the trails with naturalist and raconteur Bob Henderson in this four book bundle. From folklore to heritage with a hefty dose of the Scandinavian outdoor living ethos of friluftsliv, Henderson fires the imagination urging Ontarians to reignite their relationship with nature. Includes *Every Trail Has a Story*, *More Trails*, *More Tales*, *Nature First*.
