useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy s most translated authors Dante Alighieri Niccol o Machiavelli and Giovanni Boccaccio and other hundreds which represent the author s only English translation A significant number of entries describe works originally published in Latin Together with Healey s Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature Pub desc **Twentieth-century Italian Literature in English Translation** Robin Healey,1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence **Studies in Etymology and Etiology** David L. Gold,2009 Dictionaries usually give only brief treatment to etymologies and even etymological dictionaries often do not lavish on them the attention which many deserve To help fill the gap the author deals in depth with several etymologically problematic words in various Germanic Jewish Romance and Slavic languages all of which have hitherto either been misetymologized or not etymologized at all Sometimes he succeeds in cracking the nut Sometimes he is able only to clear away misunderstanding and set the stage for further treatment Usually he marshals not only linguistic but also historical and cultural information Since this book also discusses methodology it has the makings of an introduction to the science art and craft of etymology David L Gold is the founder of the Jewish Name and Family Name File the Jewish English Archives and the Association for the Study of Jewish Languages as well as the editor of Jewish Language Review and Jewish Linguistic Studies **World Dictionaries in Print 1983** ,1983 Investigating Gender, Translation and Culture in Italian Studies Monica Boria,Linda Risso,2007 The past few years have witnessed a growing academic interest in Italian Studies and an increasing number of symposia and scholarly activities This volume originates from the Society for Italian Studies Postgraduate Colloquia that took place at the University of Leicester and Cambridge in June 2004 and April 2005 respectively It gathers together articles by young researchers working on various aspects of Italian Studies It well illustrates current trends in both typical areas of research like literature and high culture and in those which have gained momentum in recent years like translation and language studies The volume offers a taste of the dynamic outlook of current research in Italian Studies the interdisciplinary approach of the essays in translation and gender studies and the innovative methodological perspectives and findings offered by the new fields of Italian L2 and ethnography The book is divided into three sections each grouping contributions by broad subject areas literature and culture translation and gender studies language and linguistics Cross fertilizations and interdisciplinary research emerge from several essays and the coherent ensemble constitutes an example of the far reaching results achieved by current research **Sicilian Elements in Andrea Camilleri's Narrative Language** Cinzia Russi,2020-10-14 Sicilian Elements in Andrea Camilleri s Narrative Language examines Camilleri s unique linguistic repertoire and techniques over his

career as a novelist It focuses on the intensification of Sicilian linguistic features in Camilleri s narrative works in particular features pertaining to the domains of sounds and grammar since these have been marginalized in linguistic centered research on the evolution of Camilleri s narrative language and remain overall understudied Through a systematic comparative analysis of the distribution patterns of selected Sicilian features in a selection of Camilleri s historical novels and novels of the Montalbano series the author identifies the individual features that have become most widespread and the lexical items that are targeted with highest frequency and consistency The results of the analysis show that in the earlier novels Sicilian features are rather sparse and can be attributed to linguistic situational functionality that is they function as indices of salient distinctive aspects of topics settings events situations and characters Conversely in the latest novels Sicilian elements pervade the entire novels and the texts are written almost entirely in Camilleri s own Sicilian vigatese so that Sicilian is stripped of any linguistic situational functionality
