Ranger No 2 Border Bandits:

The Beadle Collection of Dime Novels New York Public Library, 1922 *The Beadle Collection of Dime Novels* New York Public Library, 2022-05-28 In *The Beadle Collection of Dime Novels* the New York Public Library presents a meticulously organized catalog of an often underappreciated literary phenomenon that dominated American popular literature in the late nineteenth century. Comprising various entries that detail the authors' titles and publication specifics of these economical yet culturally significant tales, the collection offers both a reference guide and a fascinating insight into the reading habits of a past era. The collection asserts itself not just as an archival effort but as a narrative of the rise and influence of dime novels, capturing the literary style of mass market storytelling and the zeitgeist they reflected at the time of their publication. The compilation was spearheaded by the New York Public Library, an institution renowned for its commitment to preserving and documenting literary heritage. This collection reflects a scholarly attempt to frame the dime novel as a key player in the democratization of reading in America, thereby highlighting its contribution to the formation of popular genres and the evolution of American pop culture. The library's comprehensive approach provides a foundation for understanding the societal and historical contexts that may have led authors of the period to gravitate towards this form of literature. *The Beadle Collection of Dime Novels* is an invaluable resource for historians, literary scholars, and enthusiasts of Americana. The collection invites readers to delve into the rich tapestry of popular American narrative and to appreciate the dime novel's role in shaping accessible storytelling. With its combination of academic rigor and preservation of literary history, the book beckons those interested in the intersecting paths of culture, history, and literature to explore an era of popular reading that set the stage for modern mass market publishing.

Sunset, 1923 *War on the Border* Jeff Guinn, 2021-05-18 The dramatic story of how U S Mexico border tensions erupted into open warfare in 1916 as a U S military expedition crossed the border to try to capture Mexican guerrilla Pancho Villa, a military incursion whose effects still haunt the border region to this day.

Tracking the Texas Rangers Bruce A Glasrud, Harold J. Weiss Jr., 2013-09-15 *Tracking the Texas Rangers: The Twentieth Century* is an anthology of fifteen previously published articles and chapter excerpts covering key topics of the Texas Rangers during the twentieth century. The task of determining the role of the Rangers as the state evolved and what they actually accomplished for the benefit of the state is a difficult challenge. The actions of the Rangers fit no easy description. There is a dark side to the story of the Rangers during the Mexican Revolution; for example, some murdered with impunity. Others sought to restore order in the border communities as well as in the remainder of Texas. It is not lack of interest that complicates the unveiling of the mythical force. With the possible exception of the Alamo, probably more has been written about the Texas Rangers than any other aspect of Texas history. *Tracking the Texas Rangers* covers leaders such as Captains Bill McDonald, Lone Wolf Gonzallas, and Barry Caver, accomplished Rangers like Joaquin Jackson and Arthur Hill, and the use of Rangers in the Mexican Revolution. Chapters discuss their role in the oil fields, in riots, and in capturing outlaws.

Most important the Rangers of the twentieth century experienced changes in investigative techniques strategy and intelligence gathering Tracking looks at the use of Rangers in labor disputes in race issues and in the Tejano civil rights movement The selections cover critical aspects of those experiences organization leadership cultural implications rural and urban life and violence In their introduction editors Bruce A Glasrud and Harold J Weiss Jr discuss various themes and controversies surrounding the twentieth century Rangers and their treatment by historians over the years They also have added annotations to the essays to explain where new research has shed additional light on an event to update or correct the original article text

Time of the Rangers Mike Cox,2009-08-18 A history of the famed law enforcement agency the Texas Rangers in the twentieth and early twenty first century

Bulletin of the New York Public Library New York Public Library,1922 Includes its Report 1896 19

A Man by Any Other Name Joseph M. Beilein Jr.,2023-09 Few men of the Civil War era were as complicated or infamous as William Clarke Quantrill Most who know him recognize him as the architect of the Confederate raid on Lawrence Kansas in August 1863 that led to the murder of 180 mostly unarmed men and boys Before that though Quantrill led a transient life shifting from one masculine form to another He played the role of fastidious schoolmaster rough frontiersman and even confidence man developing certain notions and skills on his way to becoming a proslavery bushwhacker Quantrill remains impossible to categorize a man whose motivations have been difficult to pin down Using new documents and old documents examined in new ways *A Man by Any Other Name* paints the most authentic portrait of Quantrill yet rendered The detailed study of this man not only explores a one of a kind enigmatic figure but also allows us entry into many representative experiences of the Civil War generation This picture brings to life a unique vision of antebellum life in the territories and a fresh view of guerrilla warfare on the border Of even greater consequence seeing Quantrill in this way allows us to examine the perceived essence of American manhood in the mid nineteenth century

The Injustice Never Leaves You Monica Muñoz Martinez,2018-09-24 From 1910 to 1920 Texan vigilantes and law enforcement killed ethnic Mexican residents with impunity Monica Muñoz Martinez turns to the keepers of this history to create a record of what occurred and how a determined community ensured that victims were not forgotten Remembering and retelling she shows can inscribe justice on a legacy of pain

The Ranger Ideal Volume 2 Darren L. Ivey,2018-11-15 They say everything is bigger in Texas and the Lone Star State can certainly boast of immense ranches vast oil fields enormous cowboy hats and larger than life heroes Among the greatest of the latter are the iconic Texas Rangers a service that has existed in one form or another since 1823 Established in Waco in 1968 the Texas Ranger Hall of Fame and Museum continues to honor these legendary symbols of Texas and the American West While upholding a proud heritage of duty and sacrifice even men who wear the cinco peso badge can have their own champions Thirty one individuals whose lives span more than two centuries have been enshrined in the Texas Ranger Hall of Fame In *The Ranger Ideal Volume 2* Texas Rangers in the Hall of Fame 1874 1930 Darren L Ivey presents capsule biographies of the twelve inductees who served Texas in the

latter half of the nineteenth century Ivey begins with John B Jones who directed his Rangers through their development from state troops to professional lawmen then covers Leander H McNelly John B Armstrong James B Gillett Jesse Lee Hall George W Baylor Bryan Marsh and Ira Aten the men who were responsible for some of the Rangers most legendary feats Ivey concludes with James A Brooks William J McDonald John R Hughes and John H Rogers the Four Great Captains who guided the Texas Rangers into the twentieth century *The Plan de San Diego* Charles H Harris,Louis R Sadler,2013-07-01 The Plan of San Diego a rebellion proposed in 1915 to overthrow the U S government in the Southwest and establish a Hispanic republic in its stead remains one of the most tantalizing documents of the Mexican Revolution The plan called for an insurrection of Mexicans Mexican Americans and African Americans in support of the Mexican Revolution and the waging of a genocidal war against Anglos The resulting violence approached a race war and has usually been portrayed as a Hispanic struggle for liberation brutally crushed by the Texas Rangers among others The Plan de San Diego Tejano Rebellion Mexican Intrigue based on newly available archival documents is a revisionist interpretation focusing on both south Texas and Mexico Charles H Harris III and Louis R Sadler argue convincingly that the insurrection in Texas was made possible by support from Mexico when it suited the regime of President Venustiano Carranza who co opted and manipulated the plan and its supporters for his own political and diplomatic purposes in support of the Mexican Revolution The study examines the papers of August n Garza a leading promoter of the plan as well as recently released and hitherto unexamined archival material from the Federal Bureau of Investigation documenting the day to day events of the conflict *The Texas Rangers and the Mexican Revolution* Charles Houston Harris,Louis R. Sadler,2004 The authors document the secret role of the Mexican president in the insurgency against Anglos during the Mexican Revolution and the Texas Rangers role in ending the uprising

The Texas Rangers in Transition Charles H. Harris,Louis R. Sadler,2019-04-25 Official Texas Ranger Bicentennial Publication Newly rich in oil money and all the trouble it could buy Texas in the years following World War I underwent momentous changes and those changes propelled the transformation of the state s storied Rangers Charles H Harris III and Louis R Sadler explore this important but relatively neglected period in the Texas Rangers history in this book a sequel to their award winning *The Texas Rangers and the Mexican Revolution The Bloodiest Decade 1910 1920* In a Texas awash in booze and oil in the Prohibition years the Rangers found themselves riding herd on gamblers and bootleggers but also tasked with everything from catching murderers to preventing circus performances on Sunday *The Texas Rangers in Transition* takes up the Rangers story at a time of political turmoil as the largely rural state was rapidly becoming urban At the same time law enforcement was facing an epidemic of bank robberies an increase in organized crime the growth of the Ku Klux Klan Prohibition enforcement new challenges that the Rangers met by transitioning from gunfighters to criminal investigators Steeped in tradition reluctant to change the agency was reduced to its nadir in the depths of the Depression the victim of slashed appropriations an antagonistic governor and mediocre personnel Harris and Sadler document the further

and final change that followed when in 1935 the Texas Rangers were moved from the governor's control to the newly created Department of Public Safety. This proved a watershed in the Rangers' history, marking their transformation into a modern law enforcement agency, the elite investigative force that they remain to this day. *Texas Ranger Tales* Mike Cox, 2016-09-01

They were men who could not be stampeded, said the late Colonel Homer Garrison Jr. of the men who wore the badge of the Texas Rangers. An important part of Texas history, these few good men were distinguished, unique even among themselves, and soon even mythical. *Texas Ranger Tales* is a collection of legendary Texas Ranger stories from new takes on the famous tales to fresh stories. **Tracking the Texas Ranger Historians** Bruce A. Glasrud, Harold J. Weiss Jr., 2024-10-15

The first systematic inquiry into the Texas Rangers did not begin until 1935 with Walter Prescott Webb's publication *The Texas Rangers*. Since then, numerous works have appeared on the Rangers, but no volume has been published before that covers the various historians of the Rangers and their approaches to the topic. Editors Bruce A. Glasrud and Harold J. Weiss Jr. gather essays that profile individual historians of the Texas Rangers, explore themes and issues in Ranger history, and comprise archival research, biographies, and autobiographies. Several approaches in Texas historiography have influenced the writings on the Texas Rangers and serve to organize the chapters in the volume. Traditionalists: Chuck Parsons, Stephen L. Moore, and Bob Alexander stress the revered happenings in the nineteenth century that brought about the Lone Star state and its empire-building Ranger force. To these historical writers, the Texas Rangers were part of a golden age. Revisionists: Robert M. Utley, Louis R. Sadler, and Charles H. Harris pull back from this adulation, emphasize the importance of overlooked ethnic and racial groups, and point out misbehavior on the part of Rangers. They also want to separate fact from fiction. Some Ranger historians: Frederick Wilkins and Mike Cox straddle both traditional and revisionist approaches in their works. The final group: Cultural Constructionalists: Gary Clayton Anderson, Amrico Paredes, and Monica Muñoz Martinez continue the work of Revisionists and focus on an interconnected past that includes theoretical approaches and the study of memory and regional identities. Several themes emerge throughout the book. One is how the Rangers changed from unorganized mounted militia dragoons in the modern sense to organized cavalry forces with six-shooter firepower who served as a military arm of the state and nation. A second is how the dichotomous views of the Rangers as either patriot warriors or bloody avengers left their imprint on Anglo and Hispanic society. This divergent examination, especially derived from incidents in the US-Mexican War, the period from 1910 to 1920, and the lower Rio Grande valley in the 1960s. And yet another theme is how the Rangers first resisted and fought against yet ultimately absorbed all creeds and colors into their ranks over two hundred years as they evolved into police officers, Anglo, Black, Hispanic, Indian, and women Rangers. **The Ranger Ideal Volume 3** Darren L. Ivey, 2021-08-15

Established in Waco in 1968, the Texas Ranger Hall of Fame and Museum honors the iconic Texas Rangers, a service that has existed in one form or another since 1823. Thirty-one individuals whose lives span more than two centuries have been enshrined in the Texas Ranger Hall of Fame. They have become legendary symbols of Texas and the American West. In *The*

Ranger Ideal Volume 3 Darren L Ivey presents capsule biographies of the twelve inductees who served Texas in the twentieth century In the first portion of the book Ivey describes the careers of the Big Four Ranger captains Will L Wright Frank Hamer Tom R Hickman and Manuel Lone Wolf Gonzallas as well as those of Charles E Miller and Marvin Red Burton Ivey then moves into the mid century and discusses Robert A Crowder John J Klevenhagen Clinton T Peoples and James E Riddles Ivey concludes with Bobby Paul Doherty and Stanley K Guffey both of whom gave their lives in the line of duty Using primary records and reliable secondary sources and rejecting apocryphal tales The Ranger Ideal presents the true stories of these intrepid men who enforced the law with gallantry grit and guns This Volume 3 is the finale in a three volume series covering all of the Texas Rangers inducted in the Hall of Fame and Museum in Waco Texas **Policeman's Monthly** ,1919 **The Land of Sunshine** Charles Fletcher Lummis,1899 **The Land of Sunshine** ,1899 **Land of Sunshine** ,1899
