Women, Crime, and Justice Elaine Gunnison, Frances P. Bernat, Lynne Goodstein, 2016-05-19 Women Crime and Justice
Balancing the Scales presents a comprehensive analysis of the role of women in the criminal justice system providing important new insight to their position as offenders victims and practitioners Draws on global feminist perspectives on female offending and victimization from around the world Covers topics including criminal law case processing domestic violence gay lesbian and transgendered prisoners cyberbullying offender re entry and sex trafficking Explores issues professional women face in the criminal justice workplace such as police culture judicial decision making working in corrections facilities and more Includes international case examples throughout using numerous topical examples and personal narratives to stimulate students critical thinking and active engagement *Covering Violence* Roger Simpson, William Côté, 2006-07-04 Reporting on violence is one of the most problematic features of journalistic practice the area most frequently criticized by the public and those on the receiving end of that coverage Now in its second edition *Covering Violence* remains a crucial guide for becoming a sensitive and responsible reporter Discussing such topics as rape and the ethics of interviewing children the book gives students and journalists a detailed understanding of what is happening on the scene of a violent event including where a reporter can go safely and legally how to obtain the most useful information and how best to interview and photograph victims and witnesses This second edition takes our turbulent postmillennium history into account and emphasizes the consequences of frequent exposure to traumatic events It offers new chapters on 9 11 and terrorism the Columbine school shootings and the photographing of violent events as well as additional profiles of Vietnamese American Native American and African American journalists More essential than ever *Covering Violence* connects journalistic practices to the rapidly expanding body of literature on trauma post traumatic stress disorder and secondary traumatic stress and pays close attention to current medical and political debates concerning victims rights

Forensic Management of Sexual Offenders Robert Alan Prentky, Ann Wolbert Burgess, 2000-07-31 This text reviews the major advances that have taken place over the past 20 years in the management of human sexual aggression This work is intended to reflect what is known and what is not known about the most effective management practices and strategies for sexual offenders It includes complete discussions of classification assessment and prediction In addition major controversies in the field are addressed with the goal of separating supposition from fact and myth from reality By employing an empirical litmus test throughout the authors are able to identify what is known what are sound yet empirically based hunches what is speculation and what lies strictly in the realm of mythology Written by a forensic psychologist and a forensic nurse the book offers a unique dual perspective With over 1400 references this represents an important source of every facet of the

management and disposition of known sex offenders **Violence Against Women** Claire M. Renzetti, Raquel Kennedy Bergen, 2005 This is an edited volume of 12 articles previously published in Social Problems that may be considered among the most influential in the development of the sociological study of violence against women **Post-Traumatic Therapy And Victims Of Violence** Frank Ochberg, 2013-06-17 Frank Ochberg one of the pioneers in the field has brought together nationally and internationally recognized experts who have treated thousands of victims in such subspecialty areas as rape incest and battering as well as Vietnam veterans and refugees They provide a wealth of knowledge about Post Traumatic Therapy PTT within these populations PTT is not just a series of techniques but a clinical philosophy that requires empathic understanding of the victim collaboration between therapist and client and recognition of empowerment as a therapeutic tool PTT centers on stress and coping focuses on the strengths of the victim and is integrative with respect to biological psychological and social fears **Post-traumatic Therapy and Victims of Violence** Frank M. Ochberg, 1988 First Published in 1988 Routledge is an imprint of Taylor Francis an informa company **Sex, Sexuality, Law, and (In)justice** Henry Fradella, Jennifer Sumner, 2016-02-26 Sex Sexuality Law and In Justice covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law Sex Offender Laws, Second Edition Richard Gordon Wright, 2015 Print CourseSmart **Sexual Violence and Abuse** Judy L. Postmus, 2012-12-12 A comprehensive examination of the pervasive and persistent social problem of sexual violence and abuse that plagues millions of women children and men across the globe Sexual Violence and Abuse An Encyclopedia of Prevention Impacts and Recovery coalesces the vast amount of information available on the subject providing a convenient and comprehensive resource on sexual violence and abuse for students practitioners and general readers It is the first of its kind to bring together a full range of topics on sexual violence and abuse across a human lifespan in a single work The entries are written by a range of professionals who represent academics researchers and individuals working in the field of sexual violence and abuse The two volume work contains 264 fully cross referenced entries in alphabetical order starting with abortion and ending with yoga therapy The bibliography provides important books articles online resources and videos on a wide range of topics The encyclopedia also includes a list of key topics with corresponding entries to assist readers needing to examine a group of related entries *Violence Against Women* Pauline B.
