Robert Chambers returns with a new book that reviews together for the first time some of the revolutionary changes in the methodologies and methods of development inquiry that have occurred in the past forty years and reflects on their transformative potential for the future This book breaks new ground by describing and analysing the evolution of a sequence of approaches Starting with the dinosaurs of large scale multi subject questionnaire surveys and the biased visits and perceptions of rural development tourism and urban based professionals there follows a look at the explosive proliferation of methodologies and methods of recent years These include rapid rural appraisal RRA participatory rural appraisal PRA and dramatic developments in the still largely unrecognized fields of participatory numbers and statistics and of participatory mapping and GIS Chambers shows how these can empower local people and provide rigorous and valid substitutes for some more traditional methods of inquiry Also presented is a repertoire for offsetting the biases of the urban trap which has become so serious for officials and aid agency staff Importantly Chambers points out that we are now in a different space methodologically from a few years ago He makes the case that participatory methodologies evolved through creative and eclectic pluralism can be a transformative wave for the future as drivers of personal professional and institutional change This book is for all who are concerned with development regardless of profession discipline or organization who seek to be abreast of the revolutionary breakthroughs in approaches and methods of inquiry of recent years and what Chambers calls their unlimited potentials Published with IDS

Qualitative Research & Evaluation Methods Michael Quinn Patton, 2023-02-07 Drawing on more than 40 years of experience conducting applied social science research and program evaluation author Michael Quinn Patton has crafted the most comprehensive and systematic book on qualitative research and evaluation methods inquiry frameworks and analysis options available today Now offering more balance between applied research and evaluation this Fourth Edition illuminates all aspects of qualitative inquiry through new examples stories and cartoons more than a hundred new summarizing and synthesizing exhibits and a wide range of new highlight sections sidebars that elaborate on important and emergent issues For the first time full case studies are included to illustrate extended research and evaluation examples In addition each chapter features an extended rumination written in a voice and style more emphatic and engaging than traditional textbook style about a core issue of persistent debate and controversy

Temporality in Qualitative Inquiry Bryan C. Clift, Julie Gore, Stefanie Gustafsson, Sheree Bekker, Ioannis Costas Batlle, Jenny Hatchard, 2021-01-18 Temporality in Qualitative Inquiry explores the relationship between time and qualitative research and unpacks some of the conceptual methodological practical and pragmatic areas of qualitative inquiry related to time and temporality This book advances the understanding and re evaluation of research practice by examining the passage of time temporal feeling and conceptualising of time temporality in research practice with participants It provides theoretical and practical insights into how to navigate the concepts of time and temporality in qualitative inquiry With authors from across the globe and from an array of social sciences including cultural studies education health management and business psychology sociology and sport and exercise the book explores theoretical methodological and practical discussions of time and temporality in order to unpack and elicit meaning and understanding The editors champion the call for the existence of slow and quick qualitative methodologies and methods As such this book is suitable for graduate students and researchers interested in qualitative inquiry and in disciplines such as education health research management psychology sociology and communication studies Chapter 2 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license at https://doi.org/10.4324/9781003083504_3

Ethiopia Bahru Zewde, Siegfried Pausewang, 2002 Democracy is a concept reflecting European philosophies struggles and concerns Many Ethiopian ethnic groups have traditions which may offer more satisfactory and culturally acceptable foundations for a sovereignty of the people through time honored ways of voicing political ideas ironic observations and vital interests In line with modern urban life Ethiopians also organize and express their interests in non governmental organizations the independent press and advocacy groups representing political and social alternatives The contributors to this book analyze the democratic potential of these movements and practices their ability to give a voice to the view from below and their potential contribution to a more genuine participation by the majority of Ethiopians in democratic decision making and bringing the sovereignty of the people a step closer to reality

Evaluation Mary Odell Butler, 2016-07 This book informed by the author's many years of practice
