

- All living things are made of cells
- These cells can be either prokaryotic or eukaryotic
- Eukaryotic cells are complex and include animal and plant cells
- Prokaryotic cells are smaller and simpler

Both plant and animal cells contain

Start:
G1 - When cell division starts, the cell gets bigger
S - more DNA is made in preparation for mitosis
G2 - Preparation for mitosis for M - Mitosis

Mitosis:
The cell prepares to chromosomes duplicate - G2 chromosomes
The cell gets pulled apart
You have two duplicate cells

Cell differentiation:
Animals: Most cells die during embryonic development, in later life this is repair and replacement
Plants: Can continue to differentiate throughout a plant's life

Key words:
Eukaryotes - are organisms that are made up of eukaryotic cell
Prokaryotes - are prokaryotic cells
Differentiation - is the process by which a cell changes to become specialised for its job

Bacteria cells:
They are simple so they can divide easily and quickly
They don't have a nucleus they have large circular and plasmid DNA

Xylem cells:
Carries water from roots all the way up the plant
Xylem cells are hollow so stuff can flow through them

Mitochondria:
Site of protein synthesis
Mitochondria - site of respiration
Provides energy for the cell

G1 - Growth:
1. This system
G1 - Growth and preparation for mitosis
M - Mitosis (cell division)
Animal cells & Plant cells

Stem cells:
This is an undifferentiated cell of an organism that is capable of differentiating into any type of specialised cell

Chromosomes:
Each cell has 23 chromosomes
They are in the cell's nucleus
Different genes control different characteristics

Sperm cell:
Fertilises an egg cell
It has a flagellum and streamline head to help it swim
It has a lot of mitochondria for energy
It has enzymes in head to cut the egg membrane

Phloem cell:
Carries fluids around the plant they have very few subcellular structures so stuff can flow through them

Root hair cell:
Absorbs water and minerals
They have long 'hairs' which gives them a larger surface area

Neuron cell:
Carries electrical impulses around the body
Long and have branched connections at each end meaning they can form a network around the body

Muscle cell:
Contracts quickly
They are long so they have space to contract
They have a lot of mitochondria to generate lots of energy

Adult bone marrow cells:
Can make most types of human cells
Adult bone marrow cells can form many cells including blood

Objectives:
An embryo is a potential human life, should it be tested on?
Some believe that curing suffering is more important than the rights of an embryo
People feel scientists should concentrate on developing ways that don't include embryos
In some countries the use of embryos is banned

Therapeutic cloning:
Embryos can be made to have the same genes as the patient
This means no rejection

Diffusion:
Diffusion is affected by:
Diffusion distance
Concentration
Surface area
Movement of particles from a **HIGHER** concentration to a **LOWER** concentration through a semi-permeable membrane
It happens naturally to achieve balance
Movement of water particles from a **HIGHER** concentration to a **LOWER** concentration through a semi-permeable membrane

Active transport:
Movement **AGAINST** a concentration gradient
Requires energy
Root hair cell
Absorbs minerals against the concentration gradient when necessary
Gut
Absorbs nutrients into the blood against the concentration gradient when necessary

Small intestines, Villi:
The surface area is massive, also has more villi on the villi making it even bigger
2 cell thick diffusion distance
The blood flow means the concentration of oxygen in the blood is always lower than in the lungs

Leaf:
Short diffusion distance, there are little holes on the bottom of the leaf that CO2
Gills
Oxygen diffuses from the water in to the blood on the gills
Big surface area, gill filaments
Thin diffusion distance
The blood flow means there is always a lower concentration of oxygen in the blood than the water

Diffusion:
The lower a massive surface area
2 cell thick diffusion distance
The blood flow means the concentration of oxygen in the blood is always lower than in the lungs

Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization

of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse Books

1. Where can I buy Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
