**Delusions** Steve Wohlberg, 2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth's nations attack Israel at Armageddon Best selling books like *Left Behind* and popular apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misguided interpretation than end time prophecy Millions of Christians sense we are nearing Jesus Christ's return Yet when it comes to what the majority thinks will happen during Earth's last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy *End Time Delusions* exposes massive errors now flooding through media and in much of today's sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity's most illustrious scholars it lets the Bible speak for itself about the past present and future

**The Popular Handbook on the Rapture** Tim LaHaye, Thomas Ice, Ed Hindson, 2012-05-01 Why is there so much confusion about how and when the rapture will take place What does the Bible say for certain about this event When will the Tribulation occur and who will face it There is a lot of discussion among Christians about the rapture and the last days Why

all the different views And how do those perspectives line up with Scripture Tim LaHaye and Thomas Ice have assembled a team of longtime Bible prophecy experts who look carefully to God s Word for the answers In this book readers will discover what they can know for certain And as they consider the things that still remain uncertain they will gain a renewed trust that God knows what He is doing His plan is perfect and it will unfold in His timing An easy to understand resource that provides much needed clarification about the end times      *A Revelation of the End Times* Timo Groot,2023-11-06 The Rapture of the Church is a remarkable prophecy from the Word of God Due to the numerous theories and ideas about this event many no longer know what is and isn t biblical Timo Groot takes you through the Biblical data on the Rapture and why the Rapture is more relevant today than ever before The Rapture is the hope of escaping the horrors that will occur on Earth and is the moment when the Church will see the Lord Jesus face to face in the Father s house of God The Second Coming of Christ is often confused with the Rapture However these are two different events This book explains what the Second Coming is and what will happen after His coming The Lord Jesus will physically return and establish a thousand year reign on Earth After reading this book you will have knowledge about future times and look forward to the soon coming of Jesus In this book we cover topics including Divine timeline What is the Rapture Raptured before tribulation Caught up to heaven When is the Rapture Living in anticipation of the Rapture What is the Second Coming The judgments of God Signs of His coming Events after His coming Difference between the Rapture and the Second Coming How to be ready for the Rapture      **Rapture** David Currie,2003-07-31 The end times error that leaves the Bible behind Author David Currie grew up convinced that one day all true Christians will suddenly be snatched up to heaven The unfortunate souls left behind by this rapture will endure seven horrible years of tribulation at the end of which Christ will return to earth for a glorious thousand year reign Today millions of Christians accept this end times theology assuming as Currie did that the Bible clearly teaches it Many plan their whole lives around it But after studying Scripture for decades Currie has come to see that if you accept the Bible you have to reject the rapture In these remarkable pages which constitute the world s most careful and thorough scriptural study of the rapture Currie demonstrates why He considers all the relevant verses and there are hundreds and examines them in the light of ancient history the writings of the earliest Christians and the claims of rapturist theologians With painstaking thoroughness he unlocks the meanings of the key biblical prophecies that culminate in Christ s Messianic Kingdom including those verses in Daniel Matthew and Revelation that rapturists turn to most Marshalling evidence that s as startling as it is compelling Currie argues that these prophecies of war and tribulation don t point to some still unrealized apocalyptic future Rather most of them were fulfilled long ago the spiritual priestly Kingdom prefigured in the Old Testament was inaugurated on Calvary consummated in 70 A D with the destruction of the Temple and continues to exist today in the Catholic Church That may surprise you Yet shows Currie it s the only conclusion that fits all the scriptural and historical evidence Rapture The End Times Error That Leaves the Bible Behind makes Scripture prophecy and history come alive and it demonstrates

that if you open your Bible you ll find that God s plan for the future of the world is not filled with darkness and disaster but with light mercy and hope We can all learn much from David Currie not only from what he says which is wise but from how he says it which is Catholic and Christian From the Foreword by Scott Hahn Special features Over 1 300 references to Scripture the early Church Fathers authors and events in ancient history and contemporary rapturist theologians Ten detailed timelines relating biblical prophecy to key historical events The biblical case for the rapture showing why so many accept it A survey of the thoughts of the early Church Fathers about the end times A history of the development of rapturist theories showing how this heresy has been refuted time and again by the Church A short course in the proper methods of reading Scripture A survey of end times hypotheses from the first century through 9 11 2001 Nine ground rules you must follow if you are to make sense of biblical prophecy and relate it to salvation history A 10 page annotated bibliography of rapturist sources ancient and new Plus much more to help you understand and evaluate the claims of rapturists Among the sources cited Julius Africanus St Athanasius St Augustine Pope Benedict XV Andreas of Cappadocia St Clement of Alexandria G K Chesterton St John Chrysostom St Clement of Rome St Cyril of Jerusalem St Epiphanius of Salamis Jos maria Escriva Catechism of the Catholic Church Dei Verbum Enchiridion Symbolorum Eusebius St Hippolytus of Rome St Ignatius of Antioch St Irenaeus St Jerome Flavius Josephus St Justin Martyr Tim LaHaye Pope Leo XIII C S Lewis Hal Lindsey Lumen Gentium Origen Blaise Pascal Pope St Pius X Pope Pius XII Bertrand Russell St Polycarp St Thomas Aquinas St Sulpicius Severus Tacitus Tertullian Victorinus

**The Rapture Part I** Jopie Rattu, Sridadi Atiyanto, 2020-03-24 The end of times is a topic that always attracts the attention of the Lord s congregation since the beginning because in the last days the believers will be raised into the clouds to meet the Lord However Lord Jesus also stated that in the last days there will be a severe persecution That is why they need to prepare themselves to face this severe persecution In this first part of the book the authors present very basic things that should be known by Christians namely things relating to the end times which include Signs and marks 666 which must not be accepted by Christians This section explains the link between Biochip and 666 and the reasons and verses that explain why God s children may not accept chip666 What are the consequences for a child of God who receives Chip666 and what is the fate of a child of God who refuses to accept it The importance of knowing the last world ruler because from this kingdom will emerge ten kings and antichrists There are four main end times figures namely Satan ten kings antichrist and false prophets The Bible clearly explains these four figures so we can interpret these figures today Rapture what and when The rapture will occur after the time of tribulation but before the vials of God s wrath This means that God s children will experience persecution The difference between the tribulation period and God s wrath period Tribulation period when it starts and ends The events that occurred related to the opening of each seal of the seven seals in the Book of Revelation Emergence and duties of two witnesses of God When the appearance of two witnesses of God and what are their duties Christian preparations and attitudes in the end times Because at the end times all of God s children will

experience persecution so much preparation must be done Where the preparation is not only related to the physical but primarily spiritual preparation that requires time and sincerity In addition at the end of this book the estimated The Book of Revelation in a New Structure is included Many Christians have difficulty understanding the contents of the Book of Revelation This happened for one thing because the contents and events in the Book of Revelation were not sequential from beginning to end there are several events that were repeated in other sections because the Apostle John wrote the Book of Revelation from two visions where some of the two visions are related to the same things If all the same events are put together so that the contents of the Book of Revelation are sequential in time from beginning to end then the Book of Revelation becomes easy to understand and even the meaning of the seven seals is easier to understand without needing to be interpreted because the meaning of the first to the third seal is found in another chapter of the Book of Revelation

**Rapture and Revelation** Lynn Baber,2012-07 It s time to be honest Are you completely confident and serene when you open your eyes each morning and behold what the world has become Before drifting off to sleep are you unwaveringly fearless and maybe even looking forward to shedding mortality for immortality Most people harbor doubts particularly the kind they re afraid to speak aloud lest others realize they aren t as certain of their beliefs as they appear This is short study of God s Word offered in the context of real world events social conflict systemic false teaching and the internal struggles every man woman boy and girl face in a world that denies Truth The author doesn t tell anyone what to believe She poses questions and directs the reader to God s Word for guidance on finding his or her personal answer Yes or No Do you know why you believe what you do Plenty of folks aren t sure what they believe Even if your beliefs are solid and immovable do you know how you arrived at them Did you adopt your family s faith The doctrine of a denomination The creed of an independent church Not all creeds doctrines and family traditions are rooted in truth If all stood on the same truth there would be perfect agreement in the world Every system of beliefs insists it is founded on truth Is there one truth or more Have you done the required due diligence to know with certainty that your truth is The Truth There are surprisingly few universal agreements in Christianity Do you know how many Bibles and how many different personalities named Jesus serve Christians today How can you know that the Bible you read and the Jesus you worship is the right one Rapture and Revelation challenges readers to answer questions permitting no response other than yes or no The gray areas and relativism found in most books and studies about faith promote doubt because they insist every answer lies somewhere in the middle between yea or nay If your ears tend to itch because you only want to read what agrees with you then gear up for battle before opening this book How much are you willing to invest in your eternity [The Rapture: A Pre- or Post-Tribulation Event?](#) Colleen Wandmacher,2023-07-27 God tells us not to be deceived about the timing of us being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent Scriptures

in God's Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us. This book helps the reader to deeply study the Word of God to see the truth. I've read a large number of books on the rapture debate and in my opinion this excellent book is by far the best. While reading this book I felt like my spiritual glasses were being cleaned so I could see the simplicity of the truth of scripture again. Well done Colleen Marvelous. Five gold stars from me. I have read several books about the rapture and end time prophecy including Pre Tribulation and Mid Tribulation and when I come across this book it was so clear, logical and well written based solely on the scripture that I could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind where to stand on the subject of the timing of the rapture at the end time. Really recommended.

**The Rapture Trap** Paul Thigpen, 2001. Thigpen lays out the biblical foundations of Catholic teaching on the close of age, the end times. Is Jesus coming to rapture Christians in the earth's last days? The short answer: No. Along with Scripture, Thigpen draws from Church history, tradition, the Catechism of the Catholic Church, and contemporary experience to reveal the shortcoming of the rapture doctrine. Adapted from back cover.

**The Rapture Exposed** Barbara R. Rossing, 2005-07-06. The author, a professor of theology and ordained minister, argues that Revelation does not predict a seven-year tribulation nor a rapture of Christians. Rather, it offers a vision of God's healing love for the world.

**The Church in End-Time Prophecy** Curtis Schulze, 2021-04-12. Church in Prophecy. Today, the rapture of the church is one of the most disputed end-time topics in all the scriptures. No other end-time doctrine has divided the church more than this subject of the rapture. We have made this all about timing rather than his return. Many are preoccupied with and distracted by their own particular prediction. The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing. Our focus should be directed toward his return and not fixed on timing. This is the testimony of the scriptures: Whether he comes early or whether he tarries, this does not matter to me. What matters to me is the readiness of the church. We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead. We need to prepare our hearts now for what is coming lest it catch us off guard. We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation. We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost. We will need to prepare our children and loved ones for the day.

ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through

### **100 Questions About The Rapture** Zélio

Cabral,2016-06-06 The purpose of this little book is to show everyone believers and non believers just the truth that is what God s Word really teaches The author raises 100 questions on the issue of the Rapture of the Church of the time and the end of time it has instigated many theologians and non theologians over the past 185 years Study what the Bible says about the future gives us power to overcome in love and power during the most glorious and difficult time in history Prepares us to actively participate in the eschatological events under the leadership of Jesus and correctly interpret its leadership in future global crisis rather than offend Him Matthew 11 6 Study the End Times awakens a sense of urgency to the intercession knowing that our prayers can minimize evil and increase victory Understand the eschatological passages of Scripture strengthens our confidence in the sovereignty of God knowing that He is in control of everything and is never surprised Therefore you reader who sticks to the pre trib position or you reader who does not adhere to any eschatological position of Christ s return I invite you to read and analyze for yourself like the Bereans were at the time of the Apostle Paul and reflect with the help of the Holy Spirit of God on the proposed themes

*The End Times Simplified* Jc Alexander,2003-07

*The Rapture & End Times Prophecies For Beginners* Hugh Wesley Wilson,2014-10 Does what you see happening in our world today make you wonder just what the future holds You ve probably heard read or seen on TV the predictions of Nostredomus the I Ching the Mayen Calender Merlin or others but have you read just what the Bible has to say about the future You will be amazed at what you see unfolding in the world today and how clearly the bible foretells these events Do you know that the bible paints two different pictures of Jesus returning first one in which he doesn t return back down to the earth he only returns in the air and removes those that the bible refers to as in him they will not experience death but will return with him back to heaven This has now become known as the Rapture If you have never read what the Bible has to say about what the Church calls end time prophecies if you don t know what is referred to as the Rapture or what the difference between the Rapture and the 2nd coming of Jesus is then this book is for you After reading this book you should have a good foundation on Bible prophecy and what the future holds The end is actually a glorious one

### **Rapture Revelations Volume II** Bill

Vincent,2012-04-01 This is Volume two of Rapture Revelations It is time for us to know what the scripture say concerning the end times Study and confirm the scriptures yourself to get your own revelation Much has been written and taught about the coming of Christ for His Church Unfortunately most of our modern day teachings on this most important doctrine are misleading to say the very least A careful study of the Scriptures will reveal the truth about the second coming of Christ

which we generally refer to as the rapture In this book I have set out to correct the most obvious errors of the pre tribulation doctrine and to establish the basic foundation for understanding the truth of the matter Great care is taken to follow the guidelines of Scripture and the Biblical basis of doctrinal interpretation precept upon precept and line upon line This is the only method of interpretation used in the pages of this book Since God Himself revealed His method of understanding doctrine it is believed by the author to be the best method to use Therefore with Bible in hand follow along with the Scriptures quoted in this book and see if you don t find truth within its pages If you are a lover of truth I believe you will enjoy this very basic presentation of Biblical facts concerning the doctrine of the gathering together of Christ s saints unto Himself If the truth be known most Christians have a wrong revelation about the coming events referred to as end times I have set out to use the truth of God s Word to steer all who read this to the truths of this powerful subject We need revelation about end times to make us ready and open our eyes to see the events that proceed the rapture
