Raptures Revenge:

Rapture Gail Glode, 2013-07-03 What if our current interpretation of ego was completely and utterly wrong Wilder yet what if the basic premise of Christianity the notion of original sin was all a huge misunderstanding When Margaret Gabriel a psychic and author goes on an extended stay in her beloved Venice to promote her book Thank God for Red Shoes her life is literally transformed As she embarks on a voyage of self discovery from top to toe in Italy little does Margaret know that the additional installments which she is about to channel will provide astounding revelations that have the potential to change of the paradigm of how we see the world Innamorata dell'Italia totally in love with the culture and especially the language of Italy Margaret revels in the generosity of spirit of the Italian people in two incredibly beautiful men in the art and food of remarkable cities and at the ripe old age of sixty in her own renewed sensuality and personal power A book within a book a love affair within a love affair and a practical crash course on how to access both happiness and empowerment Rapture is a tour de force

The Bringer of Rapture Cissy Hassell, 2005-06 Desires of the heart get in the way of family honor on the road paved with sweet revenge when Sara's father is brutally murdered and she finds herself obligated to the man she holds responsible But Sara is determined to follow through with her plan to bring him down for if she falters her heart will be his next victim

Wild Rapture Donna Grant, 2017-10-09 LOST BUT NOT FORGOTTEN Tempestuous willful Riley Chiasson has been hunting the supernatural with her family since she was old enough to know what it was But that puts her right in the sights of a Voodoo priestess who captures Riley putting her in a perpetual state of amnesia Until Riley crosses path with a handsome stranger who makes her feel as if she's destined for more and it's not just the lifetime she envisions in the gorgeous lawman's arms There's something she's been made to forget Something she's determined to remember But that puts not just herself but Marshall in danger THE ULTIMATE SACRIFICE Sheriff Marshall Ducet hasn't been able to escape the paranormal Nor can he forget the alluring Riley From the moment he set eyes on her he felt a connection so when Riley goes missing he returns to his home town of New Orleans to search for her When he finally finds Riley he vows to do everything in his power to bring her back to herself her family and him But Delphine is a powerful foe and even with the help of Riley's brothers cousins and their allies victory is not guaranteed But one thing is certain Marshall will do anything to have Riley by his side

The Lady of Rapture Sarah Raughley, 2025-04-29 Penny Dreadful meets The Gilded Wolves in this breathtaking finale to the young adult historical fantasy Bones of Ruin trilogy For years the elite secret society called the Enlightenment Committee has waited for the apocalyptic force known as Hiva to destroy the world as it has so many times before What the Committee didn't know however was that Hiva wasn't an event it was a person Iris Marlow An African tightrope dancer with no memories of her past A girl who cannot die At least she couldn't die Until her own friends discovered her one weakness and murdered her once and for all The world ending threat she posed should be gone too but there's one more Hiva out there and unlike Iris this one has no love for humanity In her absence this Hiva has taken it upon

himself to judge if humanity deserves to live But when it comes to Hivas the judgment is always the same The ending is always total destruction And while Iris is dead she s not gone and after the betrayal that ended her life as Iris she is now out for revenge The world s days are numbered The Cataclysm has begun **Sons of the Rapture** Todd Dills,2006-09 Billy Jones and his dad have a score to settle Up in Chicago Billy drowns his past in booze In South Carolina his father saddles up for a drive to reclaim him Caught in this perfect storm is a ragged assortment of savants shape shifting doctor despairingly bisexual bombshell tiara crowned trumpeter zombie senator Rapture's Slave Becky Lee Weyrich,2014-07-22 An emperor s concubine and a courageous gladiator succumb to forbidden passion in a historical romance from the author of Captive of Desire When the virile young Nero first spots the exquisite Acte illegitimate daughter of Emperor Claudius and a royal household slave he knows he must have her But even as Acte finds her deepest desires awakened by the magnificent Nero she fears his sadistic nature Though she has been fated to serve as Nero s carnal playmate when he becomes emperor of Rome Acte finds the true love she dreams of in Sergio a handsome gladiator But in a loveless world where lust and power rule side by side her secret obsession with Sergio might cost Acte her heart and both of their lives One of the finest and most gifted writers A master storyteller Romantic Times *Visions of the Rapture and Unseen Realm* Glenda Dumas,2016-11-30 The Lord shall descend from heaven with the voice of the archangel The angel that I saw may be Michael Michael and Gabriel are the only archangels that are mentioned in the Bible Michael appears to have a key role in the end time plan of God Therefore it may be a strong guess that Michael is the angel that I saw and communicated with about the Rapture I also have a special message for gang members drug abusers adults teenagers and the youth I wrote my visions down for you to know what is out there waiting for you on the other side of the veil I peeped over and saw some things that were good and witnessed a horror that was beyond my wildest dreams Most of you have not read the Bible and a number of you who have act as though you have forgotten what is in it I often encounter people old and young who say that they cant understand the Bible Therefore I use a number of verses that are taken directly from the Bible to support the visions that I have seen I am doing this purposely to acquaint you with a book that you all know but very seldom pick up to read Hopefully it will be a reminder that the Bible is inclusive of everything from the beginning of time to the end Most of these Bible verses are self explanatory Rapture Werner Johansson,2013-12-20 The coolest kind of disability That was how you had to consider magic At least it made it bearable in this time and age All the devices and such were just not for the average wizard as it were It was even worse if you up until the beginning of the summer had planned on working with computers It was almost as bad as to move to Alpena whose biggest claim to fame was the snow that didnt arrive in time for Die Hard 2 What could possibly happen in a sleepy town like that Life is complicated enough with a twin divorced parents and once again a new city The best thing to do is to be stealthy Avoid attention with friends who have the same agenda If everything just would be simple that would make for two easy years Getting a job some education and then leave for some real education learn about the other

side of your life magic That and the rest of the world that no one talks of its the big secret after all But if things were simple and straightforward it wouldnt be life Whom do you love Magic On paper it was powerful mysterious and possibly cool In reality it was about much of a problem as a pissed off twin sister The reality of it had dawned on Morgan the moment he sat down and thought about it Never mind moving to a new town and high school New friends dont grow on trees so any is good especially if they want to escape the town as badly as you do Rose the cute Ice Queen seems like the perfect partner until her past surfaces Who knew the troubles you can get into by a kiss you werent prepared for **Rapture** Kameron

God William Lloyd Newell,2020-07-02 This is a book offering Balthasar s theological oeuvre as a kerygma of Christ s love proclaimed theologically as Christ s esthetics of glory in his mission to reinvent himself the world and us as beauty and glory Balthasar s hypothesis is that there is true theology and there is false theology For him theology is the unique science across the methods of which the decision of faith cuts and divides it into two halves that cannot be united to each other a genuine theology which presupposes faith and does its thinking within the nexus of Christ and the Church and a false theology which rejects faith as methodologically dubious and irresponsible and subsumes the truth of the phenomenon which discloses itself under an anthropological truth however this may be understood In William Newell s book he deeply reflects on the radical thinking being done in Catholic theology since the 1940s in Europe and now in the United States Each chapter each excursus each elision ushers the reader towards consolations without previous causes the essence of mysticism in its first stages The book as with true theology is a come and see beckoning the reader to an endless furtherance of the archetypal experience of Christ

The Rapture Liz Jensen,2009-08-11 An electrifying story of science faith love and self destruction in a world on the brink It is a June unlike any other before with temperatures soaring to asphyxiating heights All across the world freak weather patterns and the life shattering catastrophes they entail have become the norm The twenty first century has entered a new phase But Gabrielle Fox s main concern is a personal one to rebuild her life after a devastating car accident that has left her disconnected from the world a prisoner of her own guilt and grief Determined to make a fresh start and shake off memories of her wrecked past she leaves London for a temporary posting as an art therapist at Oxsmith Adolescent Secure Psychiatric Hospital home to one hundred of the most dangerous children in the country Among them the teenage killer Bethany Krall Despite two years of therapy Bethany is in no way rehabilitated and remains militantly nonchalant about the

bloody brutal death she inflicted on her mother Raised in evangelistic hellfire the teenager is violent caustic unruly and cruelly intuitive She is also insistent that her electroshock treatments enable her to foresee natural disasters a claim which Gabrielle interprets as a symptom of doomsday delusion But as Gabrielle delves further into Bethany s psyche she begins to note alarming parallels between her patient s paranoid disaster fantasies and actual incidents of geological and meteorological upheaval coincidences her professionalism tells her to ignore but that her heart cannot When a brilliant physicist enters the equation the disruptive tension mounts and the stakes multiply Is the self proclaimed Nostradamus of the psych ward the ultimate manipulator or a harbinger of global disaster on a scale never seen before Where does science end and faith begin And what can love mean in interesting times With gothic intensity Liz Jensen conjures the increasingly unnerving relationship between the traumatized therapist and her fascinating deeply calculating patient As Bethany s warnings continue to prove accurate beyond fluke and she begins to offer scientifically precise hints of a final world altering cataclysm Gabrielle is confronted with a series of devastating choices in a world in which belief has become as precious and as murderous as life itself

Writing the Rapture Crawford Gribben,2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature
