Rasputin File The Final Word:

Rasputin Edvard Radzinsky, 2000 Sensational new biography using the discovery of long lost contemporary documents of the Russian peasant mystic whose malign influence helped lead to the downfall of the Romanovs An unprecedented insight into the most enigmatic of men thanks to the use of previously unavailable sources and interviews *The Rasputin File* Edvard Radzinsky, 2010-05-12 From the bestselling author of *Stalin and The Last Tsar* comes *The Rasputin File* a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known For almost a century historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia But in 1995 a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin s inner circle With this extensive and explicit amplification of the historical record Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history Translated from the Russian by Judson Rosengrant *The Rasputin File* Edvard Radzinsky, 2001-12-04 From the bestselling author of *Stalin and The Last Tsar* comes *The Rasputin File* a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known For almost a century historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia But in 1995 a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin s inner circle With this extensive and explicit amplification of the historical record Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history Translated from the Russian by Judson Rosengrant **Rasputin** Édvard Radzinskiĭ, 2000 A major new work on one of the 20th Century s most charismatic figures by an author with great charisma of his own **To Kill Rasputin** Andrew Cook, 2011-10-21 The murder of Rasputin on the night of 16 17 December 1916 has always seemed extraordinary first he was poisoned then shot and finally drowned in a frozen river by Russian aristocrats fearful of his influence on Tsar Nicholas II and Tsarina Alexandra Or was he Dramatic new evidence from previously unpublished documents diaries forensic reports and intelligence records now means the plot takes a remarkable twist Grigori Rasputin is probably one of the best known but least understood figures in the events that ultimately led to the downfall of the Russian tsars His political role as the power behind the throne is obscured today as it was then by the fascination with his morality and private life Andrew Cook s re investigation of Rasputin s death reveals for the first time the real masterminds behind the murder of the mad monk Why does the story of a peasant from a distant Siberian village becoming the all powerful favourite of the last Russian tsar excite us more than almost any other episode in Russian history Why are there more lies and concealment than truth in the story of his murder Was this extraordinary man an evil demon who brought down the royal family or somebody who could have been its saviour *To Kill Rasputin* finally provides the answers to the many

mysteries surrounding this pivotal moment in Russian history The Bolsheviks Volume I John D. Loscher, 2009-09-28 We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge dAffaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenins stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his countrys self serving objectives But as the husband to Sonjya Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge daffaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by Americas inept luxury loving ambassadors William is a witness to the final overthrow of Russias imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russias future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russias exploited peasant population any better off than they were before Psychics, Sensitives and Somnambules Rodger I.

enemy The most outstanding the most extraordinary the most dramatic figure of this Court unique in the history of modern times was as we have said Rasputin Much has already been written about this all too famous character however neither his complete biography nor the specific and precise character of his action nor all the details of his death have yet been brought to light Today we have documents that allow us to partially fill this gap We have the newspaper of one of Rasputin s first victims the wife of General Loktin who followed the famous staretz step by step and noted the most picturesque and strangest details of his very bumpy life We also possess another paper that of the priest Heliodorus who was at first a fervent friend of Rasputin and later became the most ardent of his enemies And finally we now have the complete file of the judicial inquiry made after Rasputin s assassination Thanks to these elements we can trace a complete biography of the character or at least give the most essential notions But in order to understand the part played by Rasputin in the history of the last few years in order to understand how this illiterate uncouth repugnant peasant called unclean by all those who approached him could be for some time the true dictator of Russia instead of the emperor we need to briefly say what Russia and its ruler were
