listen your whole family will be killed within the next two years killed by the Russian people This is how Rasputin predicted his own death He is the head of the most powerful country in the world The fate of the people of Russia is written in his hand He is the president of the largest country in the world You may not understand I am talking about Russian President Vladimir Putin He was very lazy and mischievous as a child He was born in an ordinary middle class family How he rose from that place to become the most powerful man in the world today Vladimir Putin had progressed from a mere spy to a mighty president Ukraine war is still going on This book looks at these two might and mysterious persons of Russia as the secret faces of Russia Will new order is imminent What will happen to the world and Russia *To Kill Rasputin* Andrew Cook,2011-10-21 The murder of Rasputin on the night of 16 17 December 1916 has always seemed extraordinary first he was poisoned then shot and finally drowned in a frozen river by Russian aristocrats fearful of his influence on Tsar Nicholas II and Tsarina Alexandra Or was he Dramatic new evidence from previously unpublished documents diaries forensic reports and intelligence records now means the plot takes a remarkable twist Grigori Rasputin is probably one of the best known but least understood figures in the events that ultimately led to the downfall of the Russian tsars His political role as the power behind the throne is obscured today as it was then by the fascination with his morality and private life Andrew Cook s re investigation of Rasputin s death reveals for the first time the real masterminds behind the murder of the mad monk Why does the story of a peasant from a distant Siberian village becoming the all powerful favourite of the last Russian tsar excite us more than almost any other episode in Russian history Why are there more lies and concealment than truth in the story of his murder Was this extraordinary man an evil demon who brought down the royal family or somebody who could have been its saviour To Kill Rasputin finally provides the answers to the many mysteries surrounding this pivotal moment in Russian history **Rasputin the Holy Devil** ,1928 *Rasputin The Russian Casanova: An Intimate Life of Love, Lust and Passion* Adeline Klara Palmerstone,2023-02-24 If I die at the hands of the common people you Tsar of Russia do not worry about your children they will rule Russia for hundreds of years And if one of your relatives is the cause of my death then listen your whole family will be killed within the next two years killed by the Russian people This is how he predicted his own death At that time almost all Russians who saw Rashputin closely believed that Rashputin had an impossible ability to tell the future And that prediction literally came true Tsar Nicholas II was forced to abdicate in a revolution in March 1917 three months after Rasputin was assassinated by a member of the Romanov family Known as the famous Russian Revolution In less than two years Nicholas entire family was killed Czarism ended in Russia In fact women were fascinated by Rasputin And Rasputin also used various tactics to impress women And since becoming an adviser to the royal family Rasputin s influence on the Empress Dowager Alexandra continued to grow He used to have sex with society women in exchange for political favours and also adhered to group sex Anger towards Rasputin was born in many people s minds due to his extravagant lifestyle excessive alcohol consumption addiction to women etc As a result of which this monk Rasputin died a tragic death In retaliation

Rasputin was invited to his home in St Petersburg on 16 December 1916 which is 29 December in the Gregorian calendar. There Rasputin was first fed cyanide laced wine and cake but Rasputin did not die. Felix then shot Rasputin in the chest. Rasputin was not dead however. Even after that Rasputin dared to escape and was shot twice more to ensure Rasputin's death. But Rasputin was not dead yet. The injured Rasputin was subjected to various tortures. Later it was thrown into the Neva river covered with ice. His body was found after a few days. But his death was not due to poisoning. Because Rasputin had already taken measures to rid his body of all kinds of poisons. He used to inject a certain amount of poison into his body every day. Antibodies to the poison were produced in his body. Read the full book to know this satanic monk. *Rasputin: Essential Biographies* Harold Shukman, 2011-09-16. Gregory Rasputin features in Russian history as a malign and destructive force, a man with an unhealthy influence on the Empress Alexandra and undue power in Russian politics. Yet his purposes were ostensibly beneficent. An uneducated peasant, he left Siberia to become a wandering holy man and soon acquired a reputation as a healer. The empress was desperate to find a cure for haemophilia from which her son Alexei suffered and in 1905 Rasputin was presented at court. His positive effect on the heir's health made him indispensable. But his religious teachings were unorthodox and his charismatic presence aroused in many ladies of the St Petersburg aristocracy an exalted response which he exploited sexually. Shady financial dealings added to the atmosphere of debauchery and scandal and he was also seen as a political threat. He was assassinated in 1916. **Rasputin's Killer and his Romanov Princess** Coryne Hall, 2023-03-15. Prince Felix Youssoupov was heir to the richest fortune in Russia and husband to Princess Irina Romanov. He was also involved in the murder of the notorious Rasputin but protected from prosecution by his Romanov connection. Using recently unearthed sources, this book explores the story of this colourful pair, shedding new light on their lives. The Crime Book DK, 2021-02-02.
