Rating Law The Uniform Business Rate:

Rating Law and Valuation Frances A.S. Plimmer, 2016-02-04 Following the introduction of the uniform business rate in 1990 local property taxation changed dramatically whilst retaining many of its historical and familiar characteristics *Rating Law and Valuation* details the existing non domestic rating system from the principles of rate liability and the definition of hereditament the rateable value to the procedure for compiling and altering the rating lists The book also discusses how the methods of valuation are used by rating valuers to produce rateable values for the more common property types The text concludes with a similar treatment of Council Tax which is levied on domestic property *Rating Law and Valuation* is written primarily for those studying property valuation as part of their course and is an indispensable reference book for those taking professional courses of The Royal Institution of Chartered Surveyors RICS Incorporated Society of Valuers and Auctioneers ISVA and Institute of Revenue and Rating Valuation IRRV It is also a useful resource for practitioners who are required to deal with rating law and valuation but who do not do so on a regular basis

Rating Law David Mackmin, Phil Askham, 1995 *Rating Law The Uniform Business Rate* updates rating law and practice to reflect the introduction of the Uniform Business Rate and the 1995 revaluation It provides a concise guide to the recent provisions and changes in the law such as the introduction of the Uniform Business Rate 1990 procedural changes introduced for the 1995 revaluation the 1995 Plant and Machinery Order The aim is to present current law and practice in simple terms to cover both theory and practical use Readers will benefit from the clear analysis and guidance on rating law issues Discusses the significance and implications of the rating revaluation in April 1995 Flow charts aid the description of practices
