Religion In Africa:

Contemporary Perspectives on Religions in Africa and the African Diaspora Carolyn M. Jones Medine, Ibigbolade S. Aderibigbe, Hans D Seibel, 2015-10-14 *Contemporary Perspectives on Religions in Africa and the African Diaspora* explores African derived religions in a globalized world The volume focuses on the continent on African identity in globalization and on African religion in cultural change Religions of Africa Lora Friedenthal, 2014-09-29 While African religions are as diverse as the continent itself most Africans can be placed in one of three groups followers of traditional religions Islam or Christianity Until the 20th century religion was rarely a primary source of conflict However in recent years Muslim Christian tensions have contributed to unrest in such nations as Nigeria Sudan and Tanzania This book is intended as an introduction to the practice of religion in Africa today It provides a brief history of religious development in Africa discusses the common religious practices in various regions of the continent and explores the role of religion in current African conflicts

Religion and Faith in Africa A. E. Orobator, 2021-02-04 Drawn from his Duffy Lectures delivered at Boston College Orobator examines the living interplay between African religion Christianity and Islam in Africa and argues that the religious experience and spiritual imagination of Africa offers a genius capable of renewing the global community of believers

African Traditions in the Study of Religion in Africa Afeosemimo Unuose Adogame, Ezra Chitando, Bolaji Bateye, 2012 This book presents a unique exploration of African traditions in the study of religion in Africa and the new African diaspora Contributors drawn from diverse African and global contexts situate current scholarly traditions of the study of African religions within the purview of academic encounter and exchanges with non African scholars and non African contexts Jacob Kehinde Olupona stands out as a pioneer in the socio scientific interpretation of African indigenous religion and religions in Africa This book is to mark his immense contribution to an emerging field of study and research **Religion in Africa** Thomas Dustin Blakely, W. E. A. van Beek, Dennis L. Thomson, 1994 This is the first major collection for over a decade on the subject of African religion It is part of a continuous stock taking solidly grounded in archival and field research in Africa and the African diaspora This book provides the views of some of the most distinguished academics in the context of African history anthropology archaeology politics comparative religion health and healing languages and literature and the visual and performing arts Religion in Africa Geoffrey Parrinder, 1969 *Religions of Africa* E. Thomas Lawson, 1984 Concise expert and fully accessible this is an excellent introduction to the complex diverse religious traditions of Africa practiced by peoples with vastly different cultures and languages E Thomas Lawson makes comprehensible the underlying unity of thought that provides a set of profound answers to fundamental questions about the world and the place of human life in it *Religions of Africa* outlines and clarifies the historical development of Indigenous African belief systems discusses the impact of colonization Christianity Islam and liberation movements on the continent's religious evolution and examines the interaction between time honored customs and new worlds of thought to illustrate the process of traditions in

transformation and transformations in tradition Lawson presents the history myths rituals institutions and socio cultural patterns of two representative groups the Yoruba of Nigeria and the Zulu of South Africa Through understanding the religious worlds in which these groups live the reader gains a solid basis for understanding the whole spectrum of the religions of Africa from back cover

The Religious Traditions of Africa Elizabeth Isichei, 2004-11-23 This work is a first of its kind historical introduction to the major religions of Africa The vast majorities of Africa s peoples have been Muslim Christian or Traditionalist for a great deal of time making an inclusive study of these religions essential Isichei s work gives equal attention to all three religions and balances the elements of each to construct an easily accessible overview It is also the first book to provide a comprehensive look at the traditional religion in Africa filling the void in the literature on African religious history Written by a pioneering scholar in the African religious experience this volume blends in depth research and personnel accounts to explore the origins and effects of religion in Africa While primarily a work of history this book also incorporates the latest findings while engaging with current issues such as the interface of neo traditional religion and contemporary cultures This work includes four sections each dedicated to a separate religion detailed maps a glossary and a guide to further reading

African Cosmos Noel Quinton King, 1986 *Religions in Contemporary Africa* Laura S. Grillo, Adriaan van Klinken, Hassan Ndzovu, 2019-03-28 Religions in Contemporary Africa is an accessible and comprehensive introduction to the three main religious traditions on the African continent African indigenous religions Christianity and Islam The book provides a historical overview of these important traditions and focuses on the roles they play in African societies today It includes social cultural and political case studies from across the continent on the following topical issues Witchcraft and modernity Power and politics Conflict and peace Media and popular culture Development Human rights Illness and health Gender and sexuality With suggestions for further reading discussion questions illustrations and a list of glossary terms this is the ideal textbook for students in religion African studies and adjacent fields approaching this subject area for the first time

Art and Religion in Africa Rosalind Hackett, 1998-10-01 Africa s religious and artistic traditions constitute a primary example of its intellectual and cultural vitality Artistic works play a vital role especially where oral traditions dominate in communicating ideas about the relationship between the human spiritual and natural worlds This work is a comparative study of Africa s visual and performing arts concentrating on their geographical material and gendered diversity and focusing on the relation of these arts to African religion The author combines ethnographic and art historical methodology but does not assume any prior knowledge of African art or African religion The text seeks a greater understanding of the philosophical and religious aspects of African art thus challenging western perceptions of what is important in terms of artistic representation This approach reveals the transformative capacities and multi dimensionality of African art The work also highlights the changes brought about by Christianity Islam and the newer religious movements in post colonial Africa

African Studies Center,1972 African Traditions in the Study of Religion, Diaspora and Gendered Societies Ezra Chitando,2016-04-01 The historiography of African religions and religions in Africa presents a remarkable shift from the study of Africa as Object to Africa as Subject thus translating the subject from obscurity into the global community of the academic study of religion This book presents a unique multidisciplinary exploration of African Traditions in the Study of Religion Diaspora and Gendered Societies The book is structured under two main sections The first provides insights into the interface between Religion and Society The second features African Diaspora together with Youth and Gender which have not yet featured prominently in studies on religion in Africa Contributors drawn from diverse African and global contexts situate current scholarly traditions of the study of African religions within the purview of academic encounter and exchanges with non African scholars and non African contexts African scholars enrich the study of religions from their respective academic and methodological orientations Jacob Kehinde Olupona stands out as a pioneer in the socio scientific interpretation of African indigenous religion and religions in Africa and the new African Diaspora This book honours his immense contribution to an emerging field of study and research Introduction to African Religion John S. Mbiti,2015-01-14 In his widely acclaimed survey John Mbiti sheds light on the survival and prosperity of African Religion in different historical geographical sociological cultural and physical environments He presents a constellation of African worldviews beliefs in God use of symbols valued traditions and practices that have taken root with African peoples

throughout the vast continent Mbiti's accessible writing style sympathetically portrays how African Religion manifests itself in ritual festival healing the human life cycle and interplay with the mystical and invisible world The account embraces foundational traditions while touching on elements that spawn transitions including migration the spread of Christianity and Islam political economic development and modern communication This popular introduction leaves readers with informed knowledge of the riches of African heritage *UNESCO General History of Africa, Vol. VII, Abridged Edition* Unesco.

International Scientific Committee for the Drafting of a General History of Africa, 1990-06-25 This volume reflects how the different peoples of Africa view their civilizations and shows the historical relationships between the various parts of the continent Historical connections with other continents demonstrate Africa's contribution to the development of human civilization *Introduction to African Religion* John S. Mbiti, 1991 These traditional reads are brimming with spirited characters and positive values but with a little extra excitement and bite so hold on to your hats Written expressly for the middle grade struggling reader the series does not contain strong language edgy themes or dysfunctional families In fact family is the main theme of these titles And one particular Latino family is the focus with their uncanny knack for finding humor hope and colorful personalities even in unusual circumstances Written at the lowest reading levels the 50 page story structure is straightforward and moves the reader through the text quickly and efficiently They were trapped Then Ana remembered the old stone church It was nearby She knew the old building was the safest place for her family It could withstand the high winds and rising water *God, Allah, and Ju Ju* Jack Mendelsohn, 1962
