Retracing The Platonic Text:

Retracing the Platonic Text John Edward Russon, John Russon, John Sallis, 2000 Written from a Continental perspective Retracing the Platonic Text reveals dimensions of the dialogues that are not addressed by traditional philosophy These essays by prominent scholars focus on the texts literary elements in particular challenges to contemporary interpretations of the Platonic dialogue as a whole The result illustrates the depth of Platonic thought and the debt of all philosophy to it Retracing the Platonic Text is a pioneering effort in demonstrating how Continental philosophy both reflects and expands upon Greek philosophy

Retracing the Platonic Text John Russon, John Sallis, 2000 Written from a Continental perspective Retracing the Platonic Text reveals dimensions of the dialogues that are not addressed by traditional philosophy These essays by prominent scholars focus on the texts literary elements in particular challenges to contemporary interpretations of the Platonic dialogue as a whole The result illustrates the depth of Platonic thought and the debt of all philosophy to it Retracing the Platonic Text is a pioneering effort in demonstrating how Continental philosophy both reflects and expands upon Greek philosophy

Plato's Dialectic at Play Kevin Corrigan, Elena Glazov-Corrigan, 2010-12-31 The Symposium is one of Plato's most accessible dialogues an engrossing historical document as well as an entertaining literary masterpiece By uncovering the structural design of the dialogue Plato's Dialectic at Play aims at revealing a Plato for whom the dialogical form was not merely ornamentation or philosophical methodology but the essence of philosophical exploration His dialectic is not only argument it is also play Careful analysis of each layer of the text leads cumulatively to a picture of the dialogue's underlying structure related to both argument and myth and shows that a dynamic link exists between Diotima's higher mysteries and the organization of the dialogue as a whole On this basis the authors argue that the Symposium with its positive theory of art contained in the ascent to the Beautiful may be viewed as a companion piece to the Republic with its negative critique of the role of art in the context of the Good Following Nietzsche's suggestion and applying criteria developed by Mikhail Bakhtin they further argue for seeing the Symposium as the first novel The book concludes with a comprehensive reevaluation of the significance of the Symposium and its place in Plato's thought generally touching on major issues in Platonic scholarship the nature of art the body-soul connection the problem of identity the relationship between mythos and logos Platonic love and the question of authorial writing and the vanishing signature of the absent Plato himself

Myth and Philosophy in Plato's Phaedrus Daniel S. Werner, 2012-07-09 Plato's dialogues frequently criticize traditional Greek myth yet Plato also integrates myth with his writing Daniel S. Werner confronts this paradox through an in-depth analysis of the Phaedrus Plato's most mythical dialogue Werner argues that the myths of the Phaedrus serve several complex functions they bring nonphilosophers into the philosophical life they offer a starting point for philosophical inquiry they unify the dialogue as a literary and dramatic whole they draw attention to the limits of language and the limits of knowledge and they allow Plato to co-opt cultural authority as a way of defining and legitimating the practice of philosophy Platonic myth as a species of traditional

tale is thus both distinct from philosophical dialectic and similar to it Ultimately the most powerful effect of Platonic myth is the way in which it leads readers to participate in Plato's dialogues and to engage in a process of self examination *Plato's Protagoras* Olof Pettersson, Vigdis Songe-Møller, 2016-11-30 This book presents a thorough study and an up to date anthology of Plato's Protagoras International authors papers contribute to the task of understanding how Plato introduced and negotiated a new type of intellectual practice called philosophy and the strategies that this involved They explore Plato's dialogue looking at questions of how philosophy and sophistry relate both on a methodological and on a thematic level While many of the contributing authors argue for a sharp distinction between sophistry and philosophy this is contested by others Readers may consider the distinctions between philosophy and traditional forms of poetry and sophistry through these papers Questions for readers attention include To what extent is Socrates preferred mode of discourse and his short questions and answers superior to Protagoras method of sophistic teaching And why does Plato make Socrates and Protagoras reverse positions as it comes to virtue and its teachability This book will appeal to graduates and researchers with an interest in the origins of philosophy classical philosophy and historical philosophy Politics, Money, and Persuasion John Russon, 2021-09-14 In *Politics, Money, and Persuasion* distinguished philosopher John Russon offers a new framework for interpreting Plato's *The Republic* For Russon Plato's work is about the distinctive nature of what it is to be a human being and correspondingly what is distinctive about the nature of human society Russon focuses on the realities of our everyday experience to come to profoundly insightful assessments of our human realities the nature of the city the nature of knowledge and the nature of human psychology Russon's argument concentrates on the ambivalence of logos which includes reflections on politics and philosophy and their place in human life how humans have shaped the environment our interactions with money the economy and the pursuit of the good in social and political systems *Politics, Money, and Persuasion* offers a deeply personal but also practical kind of philosophical reading of Plato's classic text It emphasizes the tight connection between the life of city and the life of the soul demonstrating both the crucial role that human cognitive excellence and psychological health play in political and social life *Of Myth, Life, and War in Plato's Republic* Claudia Baracchi, 2002-01-10 Baracchi has identified pivotal points around which the *Republic* operates this allows a reading of the entire text to unfold a very beautifully written book Walter Brogan a work that opens new and timely vistas within the *Republic* Her approach is thorough and rigorous John Sallis Although Plato's *Republic* is perhaps the most influential text in the history of Western philosophy Claudia Baracchi finds that the work remains obscure and enigmatic To fully understand and appreciate its meaning she argues we must attend to what its original language discloses Through a close reading of the Greek text attentive to the pervasiveness of story and myth Baracchi investigates the dialogue's major themes The first part of the book addresses issues of generation reproduction and decay as they apply to the founding of Socrates' just city The second part takes up the connection between war and the cycle of life employing a thorough analysis of Plato's rendition of

the myth of Er Baracchi shows that the Republic is concerned throughout with the complex but intertwined issues of life and war locating the site of this tangled web of growth and destruction in the mythical dimension of the Platonic city

Poetic Justice Jill Frank, 2018-01-20 Plato set his dialogues in the fifth century BCE when written texts were disseminated primarily by performance and recitation He wrote them in the fourth century when literacy was expanding Jill Frank argues that there are unique insights to be gained from appreciating Plato's dialogues as written texts to be read and reread At the center of these insights is the analogy in the dialogues between becoming literate and coming to know or understand something and two different ways of learning to read One approach treats literacy as a top down affair in which authoritative teachers lead students to true beliefs Another recommended by Socrates in the Republic encourages trial and error and the formation of beliefs based on students cognitive and sensory experiences The first approach to learning to read aligns with philosophy as authoritative knowledge and politics as rule by philosopher kings Following the second approach Poetic Justice argues that the Republic neither endorses nor enforces fixed hierarchies in knowledge and politics but offers instead an education in ethical and political self governance one that prompts citizens to challenge all claims to authority including those of philosophy

Plato's Reasons Christopher W. Tindale, 2023-12-01 This book explores Plato's implicit understanding of argumentation by reviewing his standing as a logician rhetorician and dialectician The question of his standing on these matters is approached on his terms gleaned from the dialogues rather than simply from the judgments of commentators Traditionally arguments are distinguished as logical rhetorical or dialectical and the source of these distinctions is taken to be Aristotle This book proceeds on the assumption that Aristotle's tripartite theory of argumentation did not arise in a vacuum and explores the different degrees to which substantive antecedents of parts of that model can be traced to Plato

Plato on the Limits of Human Life Sara Brill, 2021-12-22 A book that is an ambitious well researched and provocative scholarly reflection on soul in the Platonic corpus Polis By focusing on the immortal character of the soul in key Platonic dialogues Sara Brill shows how Plato thought of the soul as remarkably flexible complex and indicative of the inner workings of political life and institutions As she explores the character of the soul Brill reveals the corrective function that law and myth serve If the soul is limitless she claims then the city must serve a regulatory or prosthetic function and prop up good political institutions against the threat of the soul's excess Brill's sensitivity to dramatic elements and discursive strategies in Plato's dialogues illuminates the intimate connection between city and soul Sara Brill takes on at least two significant issues in Platonic scholarship the nature of the soul and especially the language of immortality in its description and the relationship between politics and psychology She treats each one of these topics in a fresh and nuanced way Her writing is beautiful and fluid Marina McCoy Boston College

Plato's Laws Gregory Recco, Eric Sanday, 2013-02-18 Readers of Plato have often neglected the Laws because of its length and density In this set of interpretive essays notable scholars of the Laws from the fields of classics history philosophy and political science offer a collective close reading of the dialogue book by

book and reflect on the work as a whole In their introduction editors Gregory Recco and Eric Sanday explore the connections among the essays and the dramatic and productive exchanges between the contributors This volume fills a major gap in studies on Plato's dialogues by addressing the cultural and historical context of the Laws and highlighting their importance to contemporary scholarship **The Ontology of Socratic Questioning in Plato's Early Dialogues** Sean D.

Kirkland, 2012-10-11 Winner of the 2013 Symposium Book Award presented by the Symposium Canadian Journal of Continental Philosophy Modern interpreters of Plato's Socrates have generally taken the dialogues to be aimed at working out objective truth Attending closely to the texts of the early dialogues and the question of virtue in particular Sean D Kirkland suggests that this approach is flawed that such concern with discovering external facts rests on modern assumptions that would have been far from the minds of Socrates and his contemporaries This isn't however to accuse Socrates of any kind of relativism Through careful analysis of the original Greek and of a range of competing strands of Plato scholarship Kirkland instead brings to light a radical proto-phenomenological Socrates for whom what virtue is is what has always already appeared as virtuous in everyday experience of the world even if initial appearances are unsatisfactory or obscure and in need of greater scrutiny and clarification The Birth of Territory Stuart Elden, 2022-12-22 Political theory professor Stuart Elden explores the history of land ownership and control from the ancient to the modern world in *The Birth of Territory* Territory is one of the central political concepts of the modern world and indeed functions as the primary way the world is divided and controlled politically Yet territory has not received the critical attention afforded to other crucial concepts such as sovereignty rights and justice While territory continues to matter politically and territorial disputes and arrangements are studied in detail the concept of territory itself is often neglected today Where did the idea of exclusive ownership of a portion of the earth's surface come from and what kinds of complexities are hidden behind that seemingly straightforward definition *The Birth of Territory* provides a detailed account of the emergence of territory within Western political thought Looking at ancient medieval Renaissance and early modern thought Stuart Elden examines the evolution of the concept of territory from ancient Greece to the seventeenth century to determine how we arrived at our contemporary understanding Elden addresses a range of historical political and literary texts and practices as well as a number of key players historians poets philosophers theologians and secular political theorists and in doing so sheds new light on the way the world came to be ordered and how the earth's surface is divided controlled and administered *The Birth of Territory* is an outstanding scholarly achievement a book that already promises to become a classic in geography together with very few others published in the past decades *Political Geography* An impressive feat of erudition *American Historical Review*

"Women's Work" as Political Art Lisa Pace Vetter, 2005-01-01 This book shows that the metaphor of the quintessentially feminine art of weaving in Homer's *Odyssey* Aristophanes' *Lysistrata* and Plato's *Statesman* and *Phaedo* conveys complex and inclusive teachings about human nature and political life that address the concerns of women more effectively than

commonly believed **Plato's Critique of Impure Reason** D. C. Schindler, 2008 In this book D C Schindler begins with a diagnosis of the crisis of reason in contemporary culture as a background to the study of the Republic He then sets out a philosophical interpretation of the dialogue in five chapters an analysis of Book 1 that shows the inherent violence and dogmatism of skepticism a reading of goodness as cause of both being and appearance a discussion of the dramatic reversals in the images Socrates uses for the idea of the good an exploration of the role of the person of Socrates in the Republic and a confrontation between the defenselessness of philosophy and the violence of sophistry Finally in a substantial coda the book presents a new interpretation of the old quarrel between philosophy and art through an analysis of Book 10 BOOK JACKET

The Pedagogy of Wisdom Gregory Kirk, 2015-08-17 In this interpretive commentary on Theaetetus Gregory Kirk makes a major contribution to scholarship on Plato by emphasizing the relevance of the interpersonal dynamics between the interlocutors for the interpretation of the dialogue's central arguments about knowledge Kirk attends closely to the personalities of the participants in the dialogue focusing especially on the unique demands faced by a student in this case Theaetetus and the ways in which one can embrace or deflect the responsibilities of learning Kirk's approach gives equal consideration to the dual demands of dramatic interpretation and philosophical argument that constitute the unique character of the Platonic text and he develops an original interpretation of the Theaetetus concluding that the uncertainty that characterizes wisdom supersedes the certainty of knowledge **Dialectic and Dialogue** Francisco

Gonzalez, 1998-11-25 Dialectic and Dialogue seeks to define the method and the aims of Plato's dialectic in both the inconclusive dialogues and the dialogues that describe and practice a method of hypothesis Departing from most treatments of Plato Gonzalez argues that the philosophical knowledge at which dialectic aims is nonpropositional practical and reflexive The result is a reassessment of how Plato understood the nature of philosophy **Socrates and the Fat Rabbis** Daniel Boyarin, 2009-09-28 What kind of literature is the Talmud To answer this question Daniel Boyarin looks to an unlikely source the dialogues of Plato In these ancient texts he finds similarities both in their combination of various genres and topics and in their dialogic structure But Boyarin goes beyond these structural similarities arguing also for a cultural relationship In Socrates and the Fat Rabbis Boyarin suggests that both the Platonic and the talmudic dialogues are not dialogic at all Using Michael Bakhtin's notion of represented dialogue and real dialogism Boyarin demonstrates through multiple close readings that the give and take in these texts is actually much closer to a monologue in spirit At the same time he shows that there is a dialogism in both texts on a deeper structural level between a voice of philosophical or religious dead seriousness and a voice from within that mocks that very high solemnity at the same time Boyarin ultimately singles out Menippean satire as the most important genre through which to understand both the Talmud and Plato emphasizing their seriocomic peculiarity An innovative advancement in rabbinic studies as well as a bold and controversial new way of reading Plato Socrates and the Fat Rabbis makes a major contribution to scholarship on thought and culture of the ancient Mediterranean *A History of Light*

Junko Theresa Mikuriya, 2016-12-15 When was photography invented in 1826 with the first permanent photograph If we depart from the technologically oriented accounts and consider photography as a philosophical discourse an alternative history appears one which examines the human impulse to reconstruct the photographic or the evoking of light It s significance throughout the history of ideas is explored via the Platonic Dialogues Iamblichus theurgic writings and Marsilio Ficino s texts This alternative history is not a replacement of other narratives of photographic history but rather offers a way of rethinking photography s ontological instability

Logos and Psyche in the Phaedo Jesse I. Bailey, 2018-01-19 This book offers an original interpretation and close reading of Plato s Phaedo focusing on the relation between logos and the soul in order to illuminate the ethical and political dimensions of philosophy as care of the soul Jesse I Bailey argues that the central issue of the dialogue is the relation between logos and the defining activity of the soul The soul in accord with logos gathers the multiplicity of phenomena into the intelligible wholes of experience This definitive activity also applies to the soul itself as the soul gathers itself to itself in logos Ethical living demands the development of a harmonious unity in the self through this activity Thus the book argues that the traditional pillars of Platonism the immortality of the soul and the Forms are presented not as fully developed theories to be accepted by the reader whole cloth but rather as provocations for thought

This is likewise one of the factors by obtaining the soft documents of this **Retracing The Platonic Text** by online. You might not require more times to spend to go to the books launch as skillfully as search for them. In some cases, you likewise attain not discover the notice Retracing The Platonic Text that you are looking for. It will very squander the time.

However below, past you visit this web page, it will be consequently unconditionally easy to get as capably as download guide Retracing The Platonic Text

Retracing The Platonic Text Introduction

In today's digital age, the availability of Retracing The Platonic Text books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Retracing The Platonic Text books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Retracing The Platonic Text books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Retracing The Platonic Text versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Retracing The Platonic Text books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Retracing The Platonic Text books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Retracing The Platonic Text books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Retracing The Platonic Text books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Retracing The Platonic Text books and manuals for download and embark on your journey of knowledge?

FAQs About Retracing The Platonic Text Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Retracing The Platonic Text is one of the best book in our library for free trial. We provide copy of Retracing The Platonic Text in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Retracing The Platonic Text. Where to download Retracing The Platonic Text online for free? Are you looking for Retracing The Platonic Text PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online.

Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Retracing The Platonic Text. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Retracing The Platonic Text are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Retracing The Platonic Text. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Retracing The Platonic Text To get started finding Retracing The Platonic Text, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Retracing The Platonic Text So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Retracing The Platonic Text. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Retracing The Platonic Text, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Retracing The Platonic Text is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Retracing The Platonic Text is universally compatible with any devices to read.
