## **Retreat From Apartheid New Zealands Sporting Contacts With South Africa:**

Retreat from Apartheid Richard Thompson, 1975      **Sport and the New Zealanders** Greg Ryan, Geoff

Watson, 2018-08-09 A history of New Zealanders and the sports that we have made our own from the Maori world to today's professional athletes in the pubs during the furious session between 5pm and closing time an hour later the friend of a relative of a horse trainer is a veritable patriarch No matador in Madrid no tenor in Turin could be sure of such flattering attention As Brittenden suggested sport has played a central part in the social and cultural history of Aotearoa New Zealand throughout its history This book tells the story of sport in New Zealand for the first time from the Maori world to today's professional athletes Through rugby and netball bodybuilding and surf lifesaving the book introduces readers to the history of the codes the organisations and the players It takes us into the stands and on to the sidelines to examine the meaning of sport to its participants its followers and to the communities to which they belonged Why did rugby become much more important than soccer in New Zealand What role have Maori played in our sporting life Do we really punch above our weight in international sport Does sport still define our national identity Viewing New Zealand sport as activity and as imagination Sport and the New Zealanders is a major history of a central strand of New Zealand life      British Sporting Relations with Apartheid South Africa Matthew P. Llewellyn, Toby C. Rider, 2024-11-25 The transnational anti apartheid sport boycott of South Africa represented the most prominent extended and controversial anti racism campaign in the history of sport Spearheaded by prominent British religious and anti colonial figures and exiled South Africans emboldened by communist and Global South support and legitimised by supranational political bodies such as the United Nations the Organisation of African Unity and the Commonwealth the sport boycott helped propel anti apartheid out of relative obscurity and struck at the very heart of a cultural practice that served an explicitly ideological function in Afrikaner society Britain held a dichotomous even paradoxical role as both prosecutor and defender of white South Africa This book utilises sport as a critical lens for understanding the dynamics and dichotomies of British attitudes towards the apartheid regime Debates over whether to continue or to cut sporting links with apartheid South Africa proved bitterly divisive The considerable weight the subject carried and the degree to which it saturated British political and social discourse for four decades speaks to its impact and importance British Sporting Relations with Apartheid South Africa represents the first archival based historical examination of Britain's sporting relations with South Africa throughout the apartheid era 1948 1994 Situating the analysis within the shifting multiracial and multicultural landscapes of postcolonial Britain and within global political cultural sporting and ideological debates the authors trace the origins and evolution of the transnational sport boycott and examine what inspired Britons to energise anti apartheid sport campaigns and in contrast what drove many others to vehemently oppose them at every turn      **Sport in Aotearoa New Zealand** Damion Sturm, Roslyn Kerr, 2021-12-28 This fascinating book investigates the sporting traditions successes systems terrains and contemporary issues that underpin sport in New Zealand also known

by its M ori name of Aotearoa The book unpacks some of the cliches around the place prominence and impact of sport and recreation in Aotearoa New Zealand in order to better understand the country s sporting history cultures institutions and systems as well as the relationship between sport and different sections of society in the country Exploring traditional sports such as rugby and cricket indigenous M ori sport outdoor recreation and contemporary lifestyle and adventure sports such as marching and parkour the book examines the contested and conflicting societal geographical and managerial issues facing contemporary Aotearoa New Zealand sport Essential reading for anybody with a particular interest in sport in Aotearoa New Zealand this book is also illuminating reading for anybody working in the sociology of sport sport development sport management sport history or the wider history politics and culture of Aotearoa New Zealand or the South Pacific *Sports Ethics in America* Donald G. Sport and Apartheid South Africa Michelle M. Sikes,Toby C. Rider,Matthew P. Llewellyn,2021-11-29 As athletes of today grapple with how to use their public platforms to fight for activist causes *Sport and Apartheid South Africa* Histories of Politics Power and Protest examines a set of longer histories of sport race and activism The book seeks to uncover and understand new historical aspects of apartheid and sport challenge myths and rethink dominant narratives It examines the subject of racially segregated sport in South Africa from national and transnational perspectives asking questions about how athletes and administrators transnational anti apartheid groups and activists and politicians around the world interpreted and internalized racial segregation in South Africa By connecting the local to the global this book illuminates the ways in which apartheid sport animated national and international debates ranging from racism and human rights to Cold War politics and post colonialism *Sport and Apartheid South Africa* is a significant new contribution to the study of race and politics in sport and will be a great resource for academics researchers and advanced students of History Politics International Relations Sociology and Political Geography The chapters in this book were originally published in *The International Journal of the History of Sport* **Feminist Sport Studies** Pirkko Markula,2005-08-18 Uses personal narratives to highlight the development of feminist sport studies **Rethinking the Rise and Fall of Apartheid** Adrian Guelke,2017-03-16 Providing a much needed antidote to recent revisionist attempts to rehabilitate apartheid this major new

text by a leading authority offers a considered and substantive reassessment of the nature endurance and significance of apartheid in South Africa as well as the reasons for its dramatic collapse Paying particular attention to the international dimension as well as the domestic the author assesses the impact of anti apartheid protest of changing attitudes of Western governments to the apartheid regime and the evolution of South African government policies to the outside world **Sport in Australasian Society** J A Mangan, John Nauright, 2013-01-11 As Sydney prepares to host the 2000 Olympic games this study assesses the cultural impact of sport on the Australasian countries Here as in other parts of the world sport is taken as an assertion of both individual and group identity a demonstration of modernity and a source of personal local and regional esteem This collection explores the political social and aesthetic influence of modern sport attitudes to the body and the evolution of specific Australasian visions of sport *Rugby and the South African Nation* David Ross Black, John Nauright, 1998 Conventional historical and political analyses of South Africa have frequently neglected the vital role of sport in general and rugby in particular This book fills the gap through a critical interpretation of rugby s role in the development of white society its role in shaping significant social divisions and its centrality to the apartheid era power elite **The Race Game** Douglas Booth, 2012-12-06 1999 North American Society for Sports History Book of the Year Douglas Booth looks at the role of sport in the fostering of a new national identity in South Africa He analyzes the effect of the 30 year sport boycott but concludes that sport will never unite South Africans except in the most fleeting and superficial manner *Handbook of Sports Studies* Jay Coakley, Eric Dunning, 2000 An authoritative cast of international and inter disciplinary contributors present the best of current thinking in sports studies as the subject matures and develops academically **Sport History** Gerald R. Gems, 2021-03-10 This is a fundamental text for the study of sport history It answers the why how and what questions introducing the key principles and practices of sport history and walking the reader through the fascinating stories debates issues and national and international narratives that constitute the history of sport The book provides an overview of the field and the various professional roles assumed by practitioners such as researchers academics and public historians It is brief crisp and to the point The main general topics of interest within the field gender race nationalism religion sport and leisure and megaevents are covered with introductory vignettes stories of interest a wide variety of theoretical frameworks and relevant historiography in the most current and timely text of its kind Each chapter provides a list of further readings for more in depth study Students are taught how to conduct research and present their findings in a variety of mediums and teaching and publication tips are offered for educators Sport History The Basics is essential reading for any student on a sport related degree course or with an interest in social and cultural history It is also fascinating reading for anybody with a general interest in sport The Politics of South African Cricket Jon Gemmell, 2004-03-31 The Politics of South African Cricket analyses the relationship between politics and sport in particular cricket in South Africa South African Cricket embraces an ethos that is symbolic of a wider held belief system and as such has distinctive political connotations in the

region Sport in South Africa is certainly influenced by forces beyond the playing field but politics too can be influenced by the social and economic force of sport Focusing on the sports boycott as a political strategy Jon Gemmell analyses the relationship between sport and politics through a historical analysis of South African cricket He employs case studies to explore the relationship between politics and South African cricket and argues convincingly that cricket assisted the reform process by undermining the legitimacy of the apartheid regime

**Dancing on Our Bones** Trevor Lawson Richards,1999 Leading New Zealand anti apartheid campaigner Trevor Richards has written this history of New Zealand s contribution to the fight against racism and apartheid in South Africa The story of the protests is vividly told but it is not an account of one man s battle against the system it is a serious history of a crucial part of our recent past

Routledge Handbook of Sport, Race and Ethnicity John Nauright,David K Wiggins,2016-09-13 Few issues have engaged sports scholars more than those of race and ethnicity Today globalization and migration mean all major sports leagues include players from around the globe bringing into play a complex mix of racial ethnic cultural political and geographical factors These complexities have been examined from many angles by historians sociologists anthropologists and scientists This is the first book to offer a comprehensive survey of the full sweep of approaches to the study of sport race and ethnicity The Routledge Handbook of Sport Race and Ethnicity makes a substantial contribution to scholarship presenting a collection of international case studies that map the most important developments in the field Multi disciplinary in its approach it engages with a wide range of disciplines including history politics sociology philosophy science and gender studies It draws upon the latest cutting edge research to address key issues such as racism integration globalisation development and management Written by a world class team of sports scholars this book is essential reading for all students researchers and policy makers with an interest in sports studies Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Tackling Rugby Myths Greg Ryan,2005 The All Blacks failure to win the 2003 Rugby World Cup led many devotees of the New Zealand game to question old certainties and the current direction of the national game Central to these debates has been a sense that the continuity and invincibility of New Zealand rugby has been somehow eroded mirroring similar changes within society as a whole Rugby and New Zealand identity have been bundled together for over a century with both nation and game endowed with qualities of egalitarianism innovation and rural pragmatism that have been useful on the world stage The book tackles some of the myths surrounding this image of the game disentangling assumptions from historical fact and coming up with some interesting angles on rugbys past
