**Love and Russian Literature** Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 *Love and Russian Literature* casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism

*A Very Dangerous Woman* Deborah McDonald, Jeremy Dronfield, 2015-05-07 Moura Budberg spy adventurer charismatic seductress and mistress of two of the century's greatest writers the Russian aristocrat Baroness Moura Budberg was born in 1892 to indulgence pleasure and selfishness But after she met the British diplomat and secret agent Robert Bruce Lockhart she sacrificed everything for love only to be betrayed When Lockhart arrived in Revolutionary Russia in 1918 his official mission was Britain's envoy to the new Bolshevik government yet his real assignment was to create a network of agents and plot the downfall of Lenin Lockhart soon got to know Moura and they began a passionate affair even though Moura was spying on him for the Bolsheviks But when Lockhart's plot unravelled she would forsake everything in an attempt to protect him from Lenin's secret police Fleeing to a life of exile in England and taking a string of new lovers including Maxim Gorky and H G Wells Moura later spied for Stalin and for Britain amidst the web of scandal surrounding the Cambridge spies Through all this she clung to the hope that Lockhart would finally return to her Grippingly narrated this is the first biography of Moura Budberg to use the full range of previously unexamined letters diaries and documents An incredible true story of passion espionage and double crossing that encircled the globe *A Very Dangerous Woman* brings her extraordinary world vividly to life with dramatic resonances to rival the most sensational novel

**Represented by Library of Congress Printed Cards Issued to July 31, 1942**, 1942 *Agency and Ethics* Anthony F. Lang Jr., 2012-02-01 Why does political conflict seem to consistently interfere with attempts to provide aid end ethnic discord or restore democracy To answer this question *Agency and Ethics* examines how the norms that originally motivate an intervention often create conflict between the intervening powers outside powers and the political agents who are the victims of the intervention Three case studies are drawn upon to illustrate this phenomena the British and American intervention in Bolshevik Russia in 1918 the British and French intervention in Egypt in 1956 and the American and United Nations intervention in Somalia in 1993 Although rarely categorized together these three interventions shared at least one strong commonality all failed to achieve their professed goals with the troops being ignominiously recalled in each example Lang concludes by addressing the dilemma of how to resolve complex humanitarian emergencies in the twenty first century

without the necessity of resorting to military intervention      *History Erased* Mirek Karasek,2021-08-23 The information about the book is not available as of this time      *Shadow Lovers UK Edition* Andrea Lynn,2019-12-06 Nearing 70 and in what would be the last decade of his life H G Wells fell in love at least three times once with the much younger Baroness Budberg and soon thereafter with two well born Americans Constance Coolidge and Martha Gelhorn 25 and 40 years his junior respectively These would constitute what Wells himself described as his last floundering towards the wife idea and demonstrate in many ways that Wells was driven less by his considerable intelligence than by his obsession to find his ideal lover what he called his lover shadow This study looks at this very personal side of H G Wells The self proclaimed Don Juan was said to have radiated energy intellectual emotional physical and sexual Drawing on papers made public by the Wells estate the author documents Wells relationship with each of these femme fatales and paints a vivid portrait of the early part of the 20th century in London Paris and the US      **Gustav Stresemann** Jonathan Wright,2002-10-10 Gustav Stresemann was the exceptional political figure of his time His early death in 1929 has long been viewed as the beginning of the end for the Weimar Republic and the opening through which Hitler was able to come to power His career was marked by many contradictions but also a pervading loyalty to the values of liberalism and nationalism This enabled him in time both to adjust to defeat and revolution and to recognize in the Republic the only basis on which Germans could unite and in European cooperation the only way to avoid a new war His attempt to build a stable Germany as an equal power in a stable Europe throws an important light on German history in a critical time Hitler was the beneficiary of his failure but so long as he was alive Stresemann offered Germans a clear alternative to the Nazis Jonathan Wright s fascinating new study is the first modern biography of Stresemann to appear in English or German      **Tito and the Rise and Fall of Yugoslavia** Richard West,2012-11-15 Few figures have dominated a nation s destiny as much as Marshal Tito of former Yugoslavia For nearly thirty years he held together mutually hostile religious groups in a deeply divided country but his death in 1980 rekindled centuries old hatreds and by 1992 Yugoslavia ceased to exist In this revealing biography Richard West questions the full impact of Tito s reign of power and his implicit responsibility for the ensuing violent bloody war in Bosnia Excellent I recommend his book for those who already know about Yugoslavia and want food for thought about the future David Owen Sunday Times Admirable Carefully researched and extremely readable Literary Review A passionate book in which West s historical sense is interlaced with his own very intimate knowledge of Yugoslavia from the late 1940s on and of the poignancy of subsequent events Fergus Pyle Irish Times Masterly Glasgow Herald      *Going to War* P. Towle,2009-04-30 Going to War overturns conventional views of the role of public opinion the armed forces parliamentarians NGOs and writers in the formation of British debates about impending wars It shows the pressures and the reasons which have led to Britain s involvement in so many conflicts      [Catalog of Copyright Entries.
