corresponded to a real growth in the extent diversity and social impact of the use of alcohol and drugs in many societies As a result the amount of research and writing on the subject of drug problems has greatly increased and it has become very difficult for one individual to keep up with all the relevant literature There is thus an acute need in the field for critical reviews that assess current developments and the present series is intended to fill this need The series is not to be an annual review in the usual sense The aim is not to cover all the work reported during the preceding year in relation to a fixed selection of topics Rather it is to present each year evaluative papers on topics in which enough recent progress has been made to alter the general scope in a particular area Owing to the multidisciplinary nature of problems of drug use and dependence the papers published in each volume will be drawn from several disciplines However some volumes may be devoted to one particular problem with individual reviews and papers examining various aspects of it The composition of the editorial board and the international advisory board reflects these objectives The editors are members of the senior scientific staff of the Addiction Research Foundation of Ontario

Manhood Lost Elaine Frantz Parsons, 2009-07-27 In fiction drama poems and pamphlets nineteenth century reformers told the familiar tale of the decent young man who fell victim to demon rum Robbed of his manhood by his first drink he slid inevitably into an abyss of despair and depravity In its discounting of the importance of free will argues Elaine Frantz Parsons this story led to increased emphasis on environmental influences as root causes of drunkenness poverty and moral corruption thus inadvertently opening the door to state intervention in the form of Prohibition Parsons also identifies the emergence of a complementary narrative of female invasion womanhood as a moral force powerful enough to sway choice As did many social reformers women temperance advocates capitalized on notions of feminine virtue and domestic responsibilities to create a public role for themselves Entering a distinctively male space the saloon to rescue fathers brothers and sons women at the same time began to enter another male bastion politics again justifying their transgression in terms of rescuing the nation's manhood

Moonshiners and Prohibitionists Bruce E. Stewart, 2011-04-22 A masterly study of how the business of homemade liquor shaped the history and culture of a region Journal of American History Homemade liquor has played a prominent role in the Appalachian economy for nearly two centuries The region endured profound transformations during the extreme prohibition movements of the nineteenth century when the manufacturing and sale of alcohol an integral part of daily life for many Appalachians was banned Moonshiners and Prohibitionists The Battle over Alcohol in Southern Appalachia chronicles the social tensions that accompanied the region's early transition from a rural to an urban industrial economy It analyzes the dynamic relationship of the bootleggers and opponents of liquor sales in western North Carolina as well as conflict driven by social and economic development that manifested in political discord and also explores the life of the moonshiner and the many myths that developed around hillbilly stereotypes A much needed contribution to our understanding of the complex social economic religious and cultural issues underlying the prohibition impulse that swept the South between 1880 and 1920 Journal of Southern History *The*

Populist Persuasion Michael Kazin, 2017-11-15 In *The Populist Persuasion* the distinguished historian Michael Kazin guides readers through the expressions of conflict between powerful elites and the people that have run through our civic life filling it with discord and meaning from the birth of the United States until the present day Kazin argues persuasively that the power of populism lies in its adaptable nature Across the political spectrum commentators paste the label on forces and individuals who really have just one big thing in common they are effective at blasting elites or the establishment for harming the interests and betraying the ideals of the people in nations that are committed at least officially to democratic principles Kazin's classic book has influenced debates over populism since its publication The new preface to this edition brings the story up to date by charting the present resurgence of populist discourse which was front and center in the 2016 elections and in the Brexit debate

Drinking In America Mark Edward Lender, James Kirby Martin, 1987-05-22 Newly revised and updated this engaging narrative chronicles America's delight in drink and its simultaneous fight against it for the past 350 years From Plymouth Rock 1621 to New York City 1987 Mark Edward Lender and James Kirby Martin guide readers through the history of drinks and drinkers in America including how popular reactions to this ubiquitous habit have mirror and helped shape national response to a number of moral and social issues By 1800 the temperance movement was born playing a central role in American politics for the next 100 years equating abstinence with 100 proof Americanism And today the authors attest a neotemperance movement seems to be emerging in response to heightened public awareness of the consequences of alcohol abuse

Hidden Laws Robinson Woodward-Burns, 2021-06-29 How state constitutional reform guides and stabilizes American constitutional and political development State constitution reform guides and stabilizes American constitutional and political development Using data sets and historical case studies Robinson Woodward Burns shows how the federal government has repeatedly deferred to state constitutional reform to manage or address difficult national constitutional controversies including conflicts over the regulation of slavery banking and taxation women's suffrage labor and welfare rights voting and civil rights and gender discrimination
