Sought through Prayer and Meditation John Farrell,2013-08-12 A thoughtful exploration of various spiritual disciplines offering guidance to those in recovery who wish to enrich their lives Practice the Pause Caroline Oakes,2023

Combining exciting developments in brain science and ancient contemplative tradition spiritual director Caroline Oakes offers new perspectives on the revolutionary potential of Jesus's contemplative practice demonstrating how engaging these practices can rewire our brains to be less reactive more self-aware and more compassionate Humble Pie Carol Bonomo, 2004-03-01 Take a quick look around politicians entertainers sports figures and even our own circles of family and friends Humble pie is not on the menu It's a me-first society that turns pride into a virtue and humility into a vice But Christians especially those who follow the Rule of St Benedict are encouraged to embrace humility as a virtue that leads them closer to Christ And in this upside-down Benedictine world we reach humility not by descending to the depths but by climbing joyfully to the top of a ladder In this honest funny touching book Carol Bonomo a Benedictine oblate a person vowed to live according to the fourth-century Rule reconciles the conflict between the world's call and Benedict's more gentle admonition as she examines the twelve rungs on Benedict's ladder against the backdrop of the liturgical year From the first rung obedience during Advent to the twelfth constancy during the feast of All Saints Bonomo studies what it means for a contemporary Christian to climb the ladder of humility that leads to perfect fearless love Bonomo with a light hand and a sense of humor takes readers along on her down-to-earth spiritual adventure At Home with God Penny Roker, 2009 Retreats are increasingly popular and in stressful and anxious times perhaps the need to refocus our lives on what will nurture and sustain us inwardly is greater than ever This versatile resource offers a complete kit for making a day weekend or week-long retreat without leaving home It is both gentle and challenging recognising that some can only grab a brief interlude of solitude on the way to work or when the children are asleep while others have more time on their hands than they would like **Seven Ways to Lighten Your Life Before You Kick the Bucket** Walt Hopkins, George F Simons, 2015-12-07 A bucket list is a list of things to do before you die This book is a guide to ways to live before you die Whether you have a bucket list or not the stories and insights in this book offer you seven clear ways to lighten and enlighten your life before you kick the bucket George Simons and Walt Hopkins international consultants in their mid-seventies have learned a lot about living well while getting older and they generously and intimately share those learnings with men and women concerned about aging **Invitation to Retreat** Ruth Haley Barton, 2018-09-18 When we choose retreat we make a generous investment in our friendship with Christ Seasoned spiritual director Ruth Haley Barton gently and eloquently leads us into an exploration of retreat as a key practice that opens us to God guiding us through seven invitations to retreat You will discover how to say yes to God's winsome invitation to greater freedom and surrender *In Praise of Retreat* Kirsteen MacLeod, 2021-03-30 For readers of *Walden Wild* *Pilgrim at Tinker's Creek* *A Book of Silence* *A Gift from the Sea* and other celebrations of the inner adventure An utterly engaging dive into our modern ways of retreat where we go why we're drawn and how it's urgent From pilgrim paths to forest cabins and from rented hermitages to arts temples and quiet havens for yoga and meditation *In Praise of Retreat* explores the pleasures and powers of this ancient practice for modern people

Kirsteen MacLeod draws on the history of retreat and personal experiences to reveal the many ways readers can step back from society to reconnect with their deepest selves and to their loftiest aspirations in life. In the 21st century disengaging even briefly is seen by many as self-indulgent, unproductive and antisocial. Yet to retreat is as basic a human need as being social and everyone can benefit whether it's for a weekend, a month or a lifetime. Retreat is an uncertain adventure with as many peaks and valleys as any mountain expedition except we head inward to recharge and find fresh energy and brave new ideas to bring back into our everyday lives. *Transfiguration* Rob Marshall, 2023-11-30. In fifty pithy and engaging daily reflections from Ash Wednesday to Easter and beyond Rob Marshall leads us on a pilgrim journey to the Mountain of the Transfiguration. The story of Jesus displaying the overwhelming glory of God to three chosen disciples is one of the most potent yet mysterious stories in the gospels and a prelude to all that will occur in Jerusalem. Popular broadcaster Rob Marshall explores the many layers of the Transfiguration and relates them to ordinary human experiences: journeying, prayer, revelation, tiredness, sleep, fear, doubt, waiting, questioning, listening, suffering, vision and much more. Mountaintop encounters with the divine are transformative but like the disciples we are not meant to stay there. Instead we return to the realities of daily life changed forever by glimpsing the glory of the God. Transfiguration will help you take the power of divine revelation into your ordinary daily Christian life. The Call Adam Hamilton, 2015-05-26. With Adam Hamilton we have traced the life of Jesus from his birth, The Journey through his ministry, The Way to his death and resurrection, 24 Hours That Changed the World. What happened next? Follow the journeys of Paul beginning with his dramatic conversion as he spread the Gospel through modern-day Greece and Turkey. Travel to the early church sites and explore Paul's conversations with the Romans, Corinthians, Galatians, Ephesians, Philippians, Colossians and Thessalonians. In this six-week study you are invited to experience faith through Christ's greatest teacher and missionary. Endorsements: Adam Hamilton has proven to be a faithful guide to applying the Bible to modern life in a sane and balanced way and I trust him as an interpreter of the Apostle Paul for today. Philip Yancey, author of *Vanishing Grace* and *The Jesus I Never Knew*. Pastor and teacher Adam Hamilton succeeds brilliantly in introducing the life and ministry of Paul. Adam's interweaving of personal testimony and ministry insights provide important lessons for Christian disciples today, something Paul himself would have readily welcomed. Dr Mark Wilson, Asia Minor Research Center, Antalya, Turkey. Adam Hamilton demonstrates theologically and spiritually how indispensable the apostle Paul is to both the early Christian and 21st-century church. This book is a wonderful gift for the church and I recommend it with utmost Christian enthusiasm. Dr Israel Kamudzandu, Associate Professor of New Testament and Biblical Interpretation, Saint Paul School of Theology. I regularly lead groups of seminary students, alumni, clergy and laity on immersion trips to Greece and Turkey. This book will certainly be on my reading list.
