Saint Benedict for Boomers Christine M. Fletcher,2017-04-28 Saint Benedict for Boomers is based on the idea that no one can retire from being a Christian we are to love God and our neighbor throughout our life And it recognizes that aging presents us with change loss and death as well as new growth and opportunities for deep gladness and peace The Christian vocation is valid when we are healthy and strong and when we are weak and sick Taking Saint Benedict of Nursia as a guide Christine Fletcher insists that those in the autumn of their lives still have much to contribute to society and to those around them even when they are ill and dependent Benedict s wisdom is perennial and it remains helpful to those who negotiate new challenges in living well preserving bodily health discerning purpose in new stages of living deepening faith and ultimately facing sickness and death Person in the World Mary Catherine Baseheart,2013-03-14 Edith Stein has become almost a legend in recent years largely because of her heroic personality and her death in Auschwitz at the hands of the Nazis She is known also as an eminent German jewish Christian intellectual and feminist but more in the realm of the sacred than of the secular Both are essential to understanding her To know the real Edith Stein one must have some knowledge of her as philosopher for philosophy was central to her very being For this reason the present work is designed to be of interest to the general reader as well as to philosophers Many of the latter have given evidence of interest in Stein s phenomenology and may welcome an introduction that gives clues to its substance and quality Those who knew Edith Stein personally and professionally Edmund Husserl Roman Ingarden Hedwig Conrad Martius Peter Wust and other friends at the universities of Göttingen and Freiburg affirm her genius and her passionate pursuit of truth in philosophy James Collins distinguished American historian of philosophy who discovered some of her works about the time she died wrote that we may expect critical studies on her philosophy to multiply rapidly with the issuance of her collected works and the recognition of her high philosophical genius l The fact is that this has not happened although fourteen of her major works have been published posthumously by Nauwelaerts and Herder and many are available from other sources **The Official Catholic Directory for the Year of Our Lord ...** ,2008 **Listening** ,2006
