**The Age of Reconstruction**

Don H. Doyle, 2024-06-11 John Wilkes Booth fired his fatal shot on the evening of April 14 1865 and as the news reached nearly every corner of the globe President Abraham Lincoln lay dying Pervasive sympathy for America and the martyred Lincoln provoked restless agitation for democratic reform on both sides of the Atlantic While most readers are familiar with Reconstruction as a deeply contested domestic struggle Viva Lincoln The Legacy of the Civil War and the New Birth of Freedom Abroad by historian Don H Doyle explains how the Union victory helped drive European imperialism from the Americas bring slavery to an end in Latin America and spark a wave of democratic reforms in Europe The 1860s proved to be a crucial decade in the history of democracy While Reconstruction reforms were implemented to establish the American South on firm republican principles internationally a contagious flurry of democratic reforms and revolutions in Britain Spain France and Italy made democracy the wave of the future However by the end of the nineteenth century Doyle argues the United States had forsaken the main achievements of Reconstruction as new theorists and politicians reconciled democratic principles and white supremacy in the new Jim Crow era The United States once a model of democratic reform became a model for mass segregation racialized disenfranchisement and immigration restriction Grounded in extensive diplomatic correspondence US and foreign legislative debates international newspapers and hundreds of speeches memoirs biographies contemporary books and pamphlets Viva Lincoln will be the first general interest global history of Reconstruction from Lincoln s assassination to Jim Crow

**The Cause of All Nations**  
Don H Doyle, 2014-12-30 When Abraham Lincoln delivered the Gettysburg Address in 1863 he had broader aims than simply

rallying a war weary nation Lincoln realized that the Civil War had taken on a wider significance that all of Europe and Latin America was watching to see whether the United States a beleaguered model of democracy would indeed perish from the earth In *The Cause of All Nations* distinguished historian Don H Doyle explains that the Civil War was viewed abroad as part of a much larger struggle for democracy that spanned the Atlantic Ocean and had begun with the American and French Revolutions While battles raged at Bull Run Antietam and Gettysburg a parallel contest took place abroad both in the marbled courts of power and in the public square Foreign observers held widely divergent views on the war from radicals such as Karl Marx and Giuseppe Garibaldi who called on the North to fight for liberty and equality to aristocratic monarchists who hoped that the collapse of the Union would strike a death blow against democratic movements on both sides of the Atlantic Nowhere were these monarchist dreams more ominous than in Mexico where Napoleon III sought to implement his Grand Design for a Latin Catholic empire that would thwart the spread of Anglo Saxon democracy and use the Confederacy as a buffer state Hoping to capitalize on public sympathies abroad both the Union and the Confederacy sent diplomats and special agents overseas the South to seek recognition and support and the North to keep European powers from interfering Confederate agents appealed to those conservative elements who wanted the South to serve as a bulwark against radical egalitarianism Lincoln and his Union agents overseas learned to appeal to many foreigners by embracing emancipation and casting the Union as the embattled defender of universal republican ideals the last best hope of earth A bold account of the international dimensions of America s defining conflict *The Cause of All Nations* frames the Civil War as a pivotal moment in a global struggle that would decide the survival of democracy

**Retrospections of an Active Life: 1867-1871** John

Bigelow,1913 *Classified Catalogue of the Carnegie Library of Pittsburgh* Pittsburgh, Pa. Carnegie Free Library of Alleghany,1914 *Monthly Bulletin of the Carnegie Library of Pittsburgh* Carnegie Library of Pittsburgh,1911 *The Gettysburg Address* Sean Conant,2015-04-24 It is the most famous speech Lincoln ever gave and one of the most important orations in the history of the nation Delivered on November 19 1863 among the freshly dug graves of the Union dead the Gettysburg Address defined the central meaning of the Civil War and gave cause for the nation s incredible suffering The poetic language and moral sentiment inspired listeners at the time and have continued to resonate powerfully with groups and individuals up to the present day What gives this speech its enduring significance This collection of essays from some of the best known scholars in the field answers that question Placing the Address in complete historical and cultural context and approaching it from a number of fresh perspectives the volume first identifies how Lincoln was influenced by great thinkers on his own path toward literary and oratory genius Among others Nicholas P Cole draws parallels between the Address and classical texts of Antiquity and Craig L Symonds explores Daniel Webster s influence The second half of the collection then examines the many ways in which the Gettysburg Address has been interpreted perceived and utilized in the past 150 years Since 1863 African Americans immigrants women gay rights activists and international figures have invoked

the speech's language and righteous sentiments on their respective paths toward freedom and equality. Essays include Louis P. Masur on the role the Address played in eventual emancipation, Jean H. Baker on the speech's importance to the women's rights movement, and Don H. Doyle on the Address's international legacy. Lincoln spoke at Gettysburg in a defining moment for America, but as the essays in this collection attest, his message is universal and timeless. This work brings together the foremost experts in the field to illuminate the many ways in which that message continues to endure. *Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911*, 1914. Carnegie Library of Pittsburgh, 1914. [The Cumulative Book Index](#), 1910. A world list of books in the English language. **Writings on American History**, 1911. [Annual Report](#). American Historical Association, 1911. [Abraham Lincoln](#). Michael Burlingame, 2009-01-05. This award-winning biography has been hailed as the definitive portrait of Lincoln. Named One of the 5 Best Books of 2009 by The Atlantic. Named One of the 10 Top Lincoln Books by Chicago Tribune. Winner 2008 PROSE Award for Best Book in U.S. History and Biography. Autobiography Association of American Publishers Winner 2010 Lincoln Prize from the Civil War Institute at Gettysburg College. In the first multi-volume biography of Abraham Lincoln to be published in decades, Lincoln scholar Michael Burlingame offers a fresh look at the life of one of America's greatest presidents. Incorporating the field notes of earlier biographers along with decades of research in multiple manuscript archives and long neglected newspapers, this remarkable work will both alter and reinforce our current understanding of America's sixteenth president. Volume 1 covers Lincoln's early childhood, his experiences as a farm boy in Indiana and Illinois, his legal training, and the political ambition that led to a term in Congress in the 1840s. In volume 2, Burlingame examines Lincoln's life during his presidency and the Civil War, narrating in fascinating detail the crisis over Fort Sumter and Lincoln's own battles with relentless office seekers, hostile newspaper editors, and incompetent field commanders. Burlingame also offers new interpretations of Lincoln's private life, discussing his marriage to Mary Todd and the untimely deaths of two sons to disease. In volume 2, Burlingame examines Lincoln's presidency and the trials of the Civil War. He supplies fascinating details on the crisis over Fort Sumter and the relentless office seekers who plagued Lincoln. He introduces readers to the president's battles with hostile newspaper editors and his quarrels with incompetent field commanders. Burlingame also interprets Lincoln's private life, discussing his marriage to Mary Todd, the untimely death of his son Willie to disease in 1862, and his recurrent anguish over the enormous human costs of the war.

## The Enigmatic Realm of **Retrospections Of An Active Life 1863 To 1865**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
