Return Of Eden McCall:

The Return of Eden McCall Judith Duncan,1996 The Return Of Eden McCall by Judith Duncan released on May 25 1995 is available now for purchase

The Renegade and the Heiress Judith Duncan,2011-02-21 The secluded cabin high in the snow covered mountains was as far from Mallory O'Brien's glittering world of wealth and privilege as she could possibly have imagined Yet this place and the proud bitter man who lived there alone represented her last refuge from the ruthless killers stalking her Finn Donovan was as hard and unyielding and as dangerously compelling as this land he called home And he had sworn to keep her safe whatever the cost But she wanted more from her guardian She ached to know the secrets of his shadowed past even as she longed to share his future

If Wishes Were Horses... Judith Duncan,2011-04-18 The cry for help came at night during final roundup But nothing could prevent Conner Calhoun from rescuing his brother's widow and her two children From the moment he'd laid eyes on Abigail he'd wanted her but she wasn't his to have And now he'd moved his forbidden love onto his ranch where the secret between them had nowhere to hide Every time he tousled Cody's hair every time he cuddled little Miss Sarah he was reminded of impossible wishes and a gift given out of love But honor demanded he not claim for his own what was never meant to be unless of course Abby wanted the same thing

Return to Me Christy Reece,2009-05-19 DESIRED TO DEATH Posing as an underage teenager Samara Lyons is out to trap an online predator Smart fiery and fresh off a broken engagement Samara is up for the challenge But this challenge might not be so easy Her boss Noah McCall head of a private international corporation called Last Chance Rescue can't disguise his raw physical desire for Samara and she's going crazy battling her own feelings for him The middle of a high stakes op with the fate of dozens of innocent lives on the line is not the time to indulge in sensual delights Then the sting explodes forcing Noah to face his dark past and throwing Samara into the middle of an evil tug of war Noah must confront an enemy he knows better than anyone else in the world while Samara must find a way to stay alive Now it's no longer a matter of desire it's all about survival

DRIVEN TO DISTRACTION Judith Duncan,2011-07-15 ROMANTIC TRADITIONS A younger man A WALK ON THE WILD SIDE Passing your fortieth birthday didn't mean you had to go off the deep end did it But there was no other explanation for the fact that usually sane single mother Maggie Burrows couldn't keep her thoughts or her hands off a man who was nearly ten years younger than she was Of course Tony Parnelli was drop dead gorgeous with a body that could melt the most sedate woman right down to her sensible shoes But he was black leather and motorcycles and she was mortgage payments and nine to five Still the tension between them could light up the sky if only Maggie dared to believe in Tony and herself

MURPHY'S CHILD Judith Duncan,2011-07-15 FAMILIES ARE FOREVER MORNING NOON AND NIGHT Murphy Munroe was shocked to realize that he wanted to be with his tiny precious son around the clock Bedtime stories midnight feedings Murphy couldn't bear to miss a single moment with his child or its mother That was the problem Murphy desperately longed to take care of Jordan Kennedy and the baby forever But they couldn't make their relationship

Robbins,2009-11-23 Post World War II Oregon was a place of optimism and growth a spectacular natural region from ocean to high desert that seemingly provided opportunity in abundance With the passing of time however Oregon s citizens rural and urban would find themselves entangled in issues that they had little experience in resolving The

same trees that provided income to timber corporations small mill owners loggers and many small towns in Oregon also provided a dramatic landscape and a home to creatures at risk The rivers whose harnessing created power for industries that helped sustain Oregon s growth and were dumping grounds for municipal and industrial wastes also provided passageways to spawning grounds for fish domestic water sources and recreational space for everyday Oregonians The story of Oregon s accommodation to these divergent interests is a divisive story between those interested in economic growth and perceived stability and citizens concerned with exercising good stewardship towards the state s natural resources and preserving the state s livability In his second volume of Oregon s environmental history William Robbins addresses efforts by individuals and groups within and outside the state to resolve these conflicts Among the people who have had roles in this process journalists and politicians Richard Neuberger and Tom McCall left substantial legacies and demonstrated the ambiguities inherent in the issues they confronted
