Hildegard von Bingen's Ordo Virtutum Michael Gardiner, 2018-10-03 The Ordo Virtutum Hildegard von Bingen's twelfth century music drama is one of the first known examples of a large scale composition by a named composer in the Western canon Not only does the Ordo's expansive duration set it apart from its precursors but also its complex imagery and non biblical narrative have raised various questions concerning its context and genre As a poetic meditation on the fall of a soul the Ordo deploys an array of personified virtues and musical forces over the course of its eighty seven chants In this ambitious analysis of the work Michael C Gardiner examines how classical Neoplatonic hierarchies are established in the music drama and considers how they are mediated and subverted through a series of concentric absorptions absorptions related to medieval Platonism and its various theological developments which lie at the core of the work's musical design and text This is achieved primarily through Gardiner's musical network model which implicates mode into a networked system of nodes and draws upon parallels with the medieval interpretation of Platonic ontology and Hildegard's correlative realization through sound song and voice

The Living Age ,1899 **From Death Unto Life: A Love Story** Richard Waltner,2014-01-08 Having met at the University of Montana Guy and Laurie find an intense love which is cut short by Laurie s sudden death following the birth of their daughter Guy s devastation is later tempered when Julie comes into his life Once again love blossoms only this time it is a troublesome love when Julie finds herself in competition with Laurie for Guy s undivided love Julie leaves Guy looking for a new life however the strength of Julie s love for Guy over comes its challenges Julie and Guy find the intense love and happiness both have been looking for a love which lasts them for many years Once again death strikes suddenly taking its tragic toll Throughout a 3rd secret love affair a strange love affair between Guy and Terry is sustained also to be broken only by death Living Light Book Two In the three-volume series The Way of Light John Scott Lecky,2023-12-01 This may be a very common concern we do not want to be forgotten Many go to great lengths to be remembered creating the larger cemetery monuments establishing endowments in their names and seeing to it that named bridges roads and buildings continue their memory And who intends to forget them But it often happens nonetheless Living Light is a focus of writing to preserve memory specifically on what made each of the strongest influences in my life most memorable to me Glimpses of the life of each of these individuals are presented in such a way as to illustrate the Light of faith I saw shining through their life These of whom you may read were all significant unique Living Lights in my life As I pondered and worked to complete this set of writings I could begin to see better the connection and influence of each of these individuals in what I think today and in all I was writing Clearly to me it was time to build this anthology of memory The writing of each entry is meant to honor and preserve the memory of the person whose story I am telling But the greater inspiration to write this comes from the pages of the Gospel of Matthew where Jesus is recorded saying in chapter 5 verse 6 Let your light shine before men in such a way that they may see your good works and glorify your Father who is in Heaven The works of each of these individuals became Living Light to me shining on steps of the Way of Light that is revealed as the best way of life for our travels here and now I am so grateful to The Father for each one of these people who have been so very significant in my life and I write that their works may shine on Yes I have written in the hope that the people about whom these words are written will not be forgotten In recognizing the Light that each of these individuals was able to shine in his or her unique way the

greatest hope is that God will be glorified through the stories of their lives *The Living Church* ,1951 **The Takeover** Mimi Pockross,2014-10-30 So how does a daughter cope with moving her elderly parents from Chicago to Denver and becoming their primary caregiver This is a story about learning on the job to deal with constant medical and emotional crises about deciphering the eldercare lingo about trying to figure out how to maintain some sort of quality of life about juggling the financial and legal problems associated with the aging process and about the surprising joys of making life meaningful enough that when one looks back at this time it all seems worthwhile **The Living Forest** Arthur Heming,1925 Bright Pages J.D.
