Return Of The Strong:

Return of the Strong Gods R. R. Reno, 2019-10-15 Return of the Strong Gods is a thoughtful contribution to American political debate It is incisively written and full of modern observations Mr Reno explains better than any book I can remember the present day progressive s paranoid fear of fascism and neurotic determination to ferret out racism where none exists The Wall Street Journal After the staggering slaughter of back to back world wars the West embraced the ideal of the open society The promise By liberating ourselves from the old attachments to nation clan and religion that had fueled centuries of violence we could build a prosperous world without borders freed from dogmas and managed by experts But the populism and nationalism that are upending politics in America and Europe are a sign that after three generations the postwar consensus is breaking down With compelling insight R R Reno argues that we are witnessing the return of the strong gods the powerful loyalties that bind men to their homeland and to one another Reacting to the calamitous first half of the twentieth century our political cultural and financial elites promoted open borders open markets and open minds But this never ending project of openness has hardened into a set of anti dogmatic dogmas which destroy the social solidarity rooted in family faith and nation While they worry about the return of fascism our societies are dissolving But man will not tolerate social dissolution indefinitely He longs to be part of a we the fruit of shared loves which gives his life meaning The strong gods will return Reno warns in one form or another Our task is to attend to those that appealing to our reason as well as our hearts inspire the best of our traditions Otherwise we shall invite the darker gods whose return our open society was intended to forestall [Return of the Railroads to Private Ownership](#) United States. Congress. House. Committee on Interstate and Foreign Commerce, 1919 [Strong's Bible Concordance](#) James Strong, 2023-11-23 James Strong s Strong s Bible Concordance is an indispensable tool for biblical scholars students and laypersons alike offering a systematic way to explore and understand the Scriptures This extensive reference work employs a distinctive alphabetical indexing of every word in the King James Version of the Bible allowing readers to access original Hebrew and Greek terms alongside corresponding biblical verses Strong s lucid and methodical style reflects a commitment to clarity and accessibility which were groundbreaking in the 19th century as the work was produced during a period of burgeoning interest in textual studies and biblical exegesis James Strong an esteemed 19th century Methodist scholar dedicated his life to the academic study of the Bible serving as a professor at Drew Theological Seminary His passion for biblical languages and desire to make Scripture more comprehensible stemmed from the increasing divergence between faith and academic inquiry during his time Strong s methodology reflects his aspiration to bridge this gap providing both a scholarly resource and a tool for lay understanding I highly recommend Strong s Bible Concordance to anyone seeking to deepen their understanding of the Scriptures Whether you are a scholar seeking precise terminology or a novice eager to unveil the complexities of biblical texts Strong s work remains a cornerstone of biblical study enriching both personal reflection and academic inquiry
