Journey Within the Human Womb Patrick LOISEAU, 2019-11-04 Sometimes while searching a course there is a silent and timely fight between the compass and the dream The compass indicates to the North of the journey to be accomplished while the dream strives to place healthy sticks in the wheels for the greater good naturally of discovery the unexpected and certain revelation Our hero although quite common experienced this initiation journey He took the path of scholars looking for some kind of chimeric guru and later on had several encounters some richer than others But his journey has the characteristic that it takes place not on the moon on a mystery island in a balloon adrift at the world's mercy or even in the centre of the earth itself No This journey shall take place in the human womb this human womb we claim to know so well and yet it is still a stranger for us a paradoxical place where discrete beings hide to operate the pulleys of our ontological disguises

The Magic Journey John Nichols, 2013-12-10 Spanning forty years the second book in John Nichols's New Mexico trilogy The Magic Journey tells the tale of how relentless progress transformed a rural backwater into a boomtown Boom times came to the forgotten little southwestern town of Chamisaville just as the rest of America was in the Great Depression They came when a rattletrap bus loaded with stolen dynamite blew

sky high leaving behind a giant gushing hot spring Within minutes the town's wheeler dealers had organized and within a year Chamisaville was flooded with tourists and pilgrims and the wheeler dealers were rich At first it was a magic time for Chamisaville almost as if every day were a holiday But the euphoria gradually dissipated and the land hungry developers speculators and interlopers moved in Finally the day came when Chamisaville's people found themselves all but displaced their children no longer heirs to their land or their tradition With mounting intensity The Magic Journey reaches a climax that is tragically foreordained A sensitive vital and honest chronicle of life in America's Southwest it is also an incisive commentary on what America has become on its road to progress The Magic Journey is part of John Nichols's New Mexico trilogy which includes The Milagro Beanfield War and The Nirvana Blues

Across deserts forests mountains and hidden cities there are spiritual lineages that survived by vanishing They were driven underground by conquest scattered through diaspora or disguised in song story and symbol They endure in exile not as museum relics but as living fires guarded by a few In this third volume of the seven part initiatory series 105 Esoteric Traditions of the World Laing Z Matthews brings 15 such lineages into view These are not tourist curiosities or academic abstractions They are transmissions intact or fragmentary that carry precise spiritual technologies ways of breathing dreaming praying chanting divining and aligning the human soul with the greater cosmos Each chapter follows a unique nine part structure Opening Image an immersive sensory doorway into the tradition Core Teaching the living heart of the lineage expressed with clarity Spiritual Condition the ailment this teaching was designed to heal Inner Technology specific methods and disciplines described in detail Symbol a central image or pattern that holds the tradition's essence Key Danger the threats of erasure distortion or misuse Survival in Exile how the lineage endured displacement A Practice a simple respectful way for the reader to taste its rhythm Closing Image a lingering emblem to carry forward From the peyote altars of the Native American Church to the whispering smoke of Romani dream interpreters from Siberian dreamwalkers who ride the reindeer soul between worlds to Dagara diviners who speak with the five elements from Tibetan Kalachakra adepts who turn the Wheel of Time within their breath to Essene mystics of Qumran who received the Holy Spirit with every inhalation these are portraits of endurance devotion and hidden light Matthews writes with the precision of a scholar and the intimacy of a witness The prose is spare and luminous honoring both the secrecy and the survival of each tradition This is not a world religions survey nor a New Age sampler It is a work for seekers keepers and those who feel the absence of sacred knowledge as a wound In this volume you will encounter Native American Church Peyote as sacrament altar as living fire Romani Divination Reading the world's hidden language Siberian Dreamwalking Soul retrieval in the geography of the unseen Dagara Diviners Speaking with Earth Fire Water Mineral Nature Kalachakra The Wheel of Time in
