Reuben Archer Torrey

Return To The Lord:

The Return of the Lord Jesus R. A. Torrey,2012-07-02 What Will Happen to You Jesus could return at any moment Here are the scriptural answers to questions about the time manner and results of His return including What will be going on when Jesus returns Will non Christians have a chance to repent How can I be ready for the rapture When will I receive my heavenly reward When will I receive my new body Who will reign with Christ What will happen to believers who have died Many people view Christ's return to the earth as either improbable or dreadful However for those who know Him personally His return will be a day of joy transformation and reunion You can be ready for the greatest day the world has ever seen

Besorah Mark S. Kinzer, Russell L. Resnik, 2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke s besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century The Return of the Lord Jesus ... Reuben Archer Torrey, 1913 Sermons John Donne, 1839 Why the Lord Has Not Returned David J. McCarthy, 2013-10-29 This book is written to clarify the Biblical return of the Lord Many are looking for the Lords return based on Acts 1 11 as two angels speak Ye men of Galilee why stand ye gazing up into heaven This same Jesus which is taken up from you into heaven shall so come in like manner as ve have seen him go into heaven King James Version The error of the Lords return date is the Second Greatest deception among Christians We want all God kind to make their better eternal destiny God gave us an actual time line The Works John Donne, 1839 The Return of the Lord Jesus Reuben Archer Torrey, 2015-09-03 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Banner of Israel ,1893 The Return of the Lord Jesus John H. Sammis, James Hall Brooks, R. A. Torrey, 2017-10-29 THE writer of this book is an optimist He is absolutely sure that a golden age is swiftly coming to this earth But he is not a blind optimist His optimism is not the result of shutting his eyes to unpleasant facts his eyes are wide open to the awful injustices that rule in human society as at present constituted He is fully aware that there is a storm coming He does not question that we are facing the wildest fiercest most appalling storm this old world ever passed through but the storm will be brief and beyond the storm there is a golden day such as philosophers and poets never dreamed of The writer is an optimist because he has deeply pondered and believes with his whole heart what the Bible teaches concerning the Second Coming of Christ If he did not believe that he could not but be a pessimist knowing what he does of social conditions and the trend of human society today In the Return of our Lord is the perfect solution and the only solution of the political and social and commercial problems that now vex us In the truth concerning our Lord's Return is the safeguard against all current heresies errors and falsehoods One error after another is arising to deceive if it were possible even the very elect One who knows the truth clearly revealed in God's Word concerning the Second Coming of Christ is proof against them all For example no one who knows the truth concerning the Second Coming of Christ could possibly be misled by Christian Science Millennial Dawnism Occultism Theosophy or Behaism It is remarkable how all forms of error touch the doctrine of Christ's Second Coming and are shattered by the truth revealed about it in the Scriptures Those who are ignorant of what the Word teaches concerning the Second Coming of Christ may fancy that they see in Madame Besant's Order of the Star of the East a preparation for the coming of Christ but those who know the truth know that it is a preparation for the welcoming of the Antichrist the Devil's imitation Christ The truth of our Lord's Return is the most precious truth the Bible contains It fills the heart of the believer with joy and girds him with strength for the battle It lifts him above the sorrows and fears and necessities and trials and ambitions and greed of this world and makes him in all things more than conqueror 1 & 2 Chronicles John Mark Hicks, 2001 The Return of the Lord Jesus: The Key to the Scripture and the Solution of All Our Political and Social Problems (1913) Reuben Archer Torrey, 2009-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work Diary of Cotton Mather, 1681-1724 M.
