

Cathy—  
It is I, Heathcliff—  
I am come back to you.

I write this not two miles from where you lie  
asleep, and tomorrow I will wait for the one  
word that gives me the right to claim you.  
Send that word and claim you I will, though to  
do it I must shed heart's blood in every room  
at the Heights, and wade through the results  
to carry you out.

But first you must read this account of my  
actions since I have been gone, so you will  
understand what strange imperative kept me  
away for three long years, and how it is that I am  
now in a position to rescue us both...

**H.-The Story of Heathcliff's Journey Back to Wuthering Heights** Lin Haire-Sargeant, 2012-02-20 In Emily Brontë s masterpiece Wuthering Heights Heathcliff overhears Cathy in a conversations with Nelly Dean say It would degrade me to marry Heathcliff now Devastated Heathcliff runs away without hearing the rest of Cathy s sentence so he shall never know how I love him and that not because he s handsome Nelly but because he s more myself than I am Whatever our souls are made of his and mine are the same and Linton s is as different as a moonbeam from lightning or frost from fire Heathcliff s misunderstanding will set him on a journey that changes him Heathcliff will return to Haworth three years later transformed into a gentleman with money But what happened in those intervening years to turn him from a wild creature into that gentleman Emily Brontë left that part of her story a mystery Lin Haire Sargeant ingeniously fills in Heathcliff s missing years Her story is true to the original style and form of Wuthering Heights using a similar framing device which Brontë uses H is filled with surprises as Haire Sargeant blends together Wuthering Heights and Jane Eyre solving mysteries in both The identity of Heathcliff s mentor teacher will surprise you The depths of Heathcliff s revenge will shock you The ending might bring satisfaction to those who wish Heathcliff and Cathy had not been doomed lovers Fans of Emily and Charlotte Brontë will not be disappointed

Brontë's of Haworth Yorkshire's Literary Giants Their Lives Works Influences and Inspirations has been designed by a retired teacher of English as a general overall guide and reference for use by highschool teachers college and university professors students and Brontë enthusiasts The functional layout of the book in three parts allows readers and researchers to obtain a quick thumbnail sketch of the lives of each of the Brontës each of their seven major adult works and the various influence and inspirations which affected their short tragic lives and led them into careers in writing Each chapter in each section has been designed so that the brief background sketches of their lives and works can be read as an entity in itself and from there readers can choose which area they would like to pursue further through additional studies and research The amount of research material on the Brontës is overwhelming and it was the author's intention to briefly sort out various areas of potential interest for those just being introduced to this great family of English writers **"We are Three Sisters"** Drew
