**A Time-Traveler's Highland Love** Tamara Gill,2023-05-15 To Conquer a Scot Time traveling isn t what Abigail Cross had in mind for her Scottish vacation nor was a potential marriage to the Laird Aedan Macleod The fact that the obnoxious yet hot and definitely sexy Highlander sees the world very differently than she does is beside the point Aedan Macleod knows what he wants in a wife and Abigail certainly doesn t meet his Highland standard even though he must rein in his desire because

beautiful opinionated Abigail would never suit as a laird's wife Tempers flare yet passion is undeniable as Abby navigates her way in seventeenth century Scotland When two rival clans threaten the maddening twenty first century minx who's captured Laird Aedan's heart the mighty Highlander is willing to sacrifice everything to keep Abigail safe To Save a Savage Scot Kenzie Jacobs is fascinated by a portrait of the roguish Highlander Black Ben which hangs in her ancestral home There's a mystery surrounding his death and Kenzie longs to solve it by traveling through time to 17th century Scotland and perhaps meet the gorgeous laird who haunts her dreams Black Ben Laird of Ross suited his dark name more than ever since his wife died in childbirth He has vowed never to marry again But Kenzie is an intoxicating elixir and even more potent than whiskey As confusing and crazy as she may seem he can't get her out of his system But there's no way they can ever work as she does not fit into his plans Fate has brought them together and Ben can't stop Kenzie from returning to her time though he would do anything except marry her to keep her with him Kenzie has a life to get back to but leaving her favorite though infuriating Highlander behind might be the toughest thing she'll ever have to do To Win a Highland Scot Fate brought them together or was it something else entirely The Fae took everything Scottish warrior Boyd Macleod had Cursed and alone he existed for a hundred years but never truly lived Not until she arrived The Sassenach is quick witted outspoken and entirely too beautiful for his peace of mind She stirs in him a hunger he hasn't felt in he can't even remember how long Now that hunger won't be quenched by anything short of possessing her mind body and soul forever Maya Harris has no idea what kind of strange magic threw her into the past All she knows for sure is that she doesn't belong here She can't afford to let herself get too attached to Boyd The powerful sensual Highlander is not for her But the longer she spends with him the harder it becomes to remember why she shouldn't give in to his heated seduction A river of time flows between them Will love be enough to bridge it Or will Boyd and Maya remain star crossed forever
