Now her brother's suicide brings her back and Shelley sees that some things never change. It's a superbly written action adventure thriller that explodes with romantic sexiness that can only be described as sensual. What happens after the fairy tale ending? Belle didn't know Captain Bryce Mabo Wolf Cameron well, but she knew one thing for certain: she loved him and would happily follow him anywhere, even to the end of the Earth. She left her high pressure job as a forensic accountant in New York to follow him to his homeland. What she didn't know was just how hard life would be once she got to the end of the Earth, otherwise known as Australia's Gulf Savannah. They got married in a whirlwind. Soon the realisation has set in: she knew even less about the area around his home than she did him. Belle has to confront being a step mom, strange and dangerous wildlife, scorching heat, thick dust, and deadly cyclones. Worse still, action man Bryce was often called away for clandestine missions which were fraught with danger. Each time he went, she was never certain he'd be able to return. Will love be enough to keep Belle with Bryce, or will the harsh world of her romantic warrior be too much for her? Join Belle as she learns just how much romance and regret can happen after the rings are exchanged and the "I do"s are said. In this unmissable follow-up to *Lifesaver in a Bikini*.
