## **Returnings Life After Death Experiences A Christian View:**

**Returnings** John Aurelio, 1997-03 There is an abundance of insight into the Christian faith in this very brief book Returnings is a luminous work that speaks with integrity and creativity to our sense of anticipation and mystery in the face of life after death Values and Visions **Spiritual Advice for Buddhists and Christians** Dalai Lama XIV Bstan-?dzin-rgya-mtsho, 1998-06-01 In the words of the Dalai Lama the purpose of religion is not to build churches and elaborate temples but to cultivate positive human qualities such as tolerance generosity and love This text contains the four talks given by the Dalai Lama when he attended a meeting of Buddhist and Christian monks at Gethsemani Abbey Kentucky The Dalai Lama shares his understanding of four major themes explored in the meeting the practice of prayer and meditation in the spiritual life the stages in the process of spiritual development the role of the teacher and the community in the spiritual life and the spiritual goals of personal and societal transformation In each talk the Dalai Lama expresses the basic principles of Tibetan Buddhism and shows how they are applicable to daily practice for all spiritual seekers regardless of their religious affiliation *The Mystery of Christ* Thomas Keating, 2023-01-19 Following upon Open Mind Open Heart which presents a profound formation in Christian prayer this book demonstrates the contemplative dimension of Christian worship Here Father Keating recovers the deeper sense of the liturgical year and shares a theological and mystical perspective on the major feasts of the annual cycle The reader is immersed in the wonder of faith in the mystery of Christ and of the unique nature of God's action and presence in and through the liturgy of our lives What Really Happens After We Die: A Christian Perspective Margaret Light, 2025-03-28 What Really Happens After We Die A Christian Perspective explores the profound truths of life after death from a biblical standpoint This thought provoking journey delves into key Christian beliefs about the afterlife including the resurrection eternal life and the final judgment It examines the comfort and hope Christians find in knowing that death is not the end but a transition to eternal life with God Through the lens of Scripture the book provides clarity on the fate of the righteous and the wicked the peace that faith brings and the call to live with an eternal perspective Spirits, Angels, Demons, and Gods Don Little, 2010-03 Taste of Silence Carl Arico, 1999-01-01 Centering Prayer profoundly many people affected has from all walks of life Carl Arico who was introduced to Centering Prayer in 1975 by William Meninger at the Trappist Monastery in Spencer Massachusetts is no exception It had a profound influence on my life on my priesthood and my whole being he writes I attended an intensive retreat with Thomas Keating in 1983 and soon became involved with the beginnings of Contemplative Outreach a resource center for those dedicated to the practice of Centering Prayer This book is the outcome of more than 20 years of experience with Centering Prayer Father Arico explores the fundamental practice of Centering Prayer and how it impacts on one's life providing the practitioner with a historical foundation balance insight a degree of humor and peace of mind A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present

day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

### **The Big Book of Christian Apologetics** Norman L.

Geisler, 2012-11-01. The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith. Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments, all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics. An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L. Geisler's seminal work to the masses.

### *Insights from Beyond: An Exploration of Near-Death Experiences and Biblical Truths* Anaja Metellus, 2025-09-26

In *Insights from Beyond*, Anaja Metellus invites readers on a personal and spiritually rich journey born out of grief and a longing to see his long-held beliefs come to life. After losing his grandmother and two young cousins, he found himself consumed by questions about mortality and the meaning of life. A late-night YouTube search led him into the world of near-death experiences (NDEs). These testimonies would go on to profoundly shift his understanding of life, death, and God. Raised within Evangelical Christianity, Anaja began to see his inherited worldview through fresh eyes. NDEs didn't pull him away from his faith, but they did prompt him to examine it objectively. With honesty and reverence, he explores foundational truths through biblical reflection and scientific research. Questions of origin, identity, purpose, and destiny unfold in ways that invite every reader, regardless of religion, to reconsider what they believe and why. To Anaja, NDEs aren't hallucinations but spiritual breadcrumbs—God's way of whispering to us through the veil. In an age where religion can feel divisive or shallow, this book offers something deeper. Whether you're a believer, seeker, or curious skeptic, you're invited to explore the mystery. You may find that God isn't offended by your search. In fact, He may have been waiting for you to begin it.

Reasoning about God Harry J Gensler,2022-08-11 Reasoning about God is an introduction to philosophy of religion meeting college students where they are with their own doubts and questions Each chapter begins with a passage from a fictional student who raises intellectual problems against God which is followed by the author s informed and easy to understand analysis This debate structure allows student readers to clearly see the clash of ideas gets them involved in the issues and encourages their critical thinking since students are pushed to find flaws in the ideas It emulates the structure the author followed successfully in his Ethics A Contemporary Introduction which is now in its third edition and has been translated five times into other languages This structure works well in philosophy of religion even better than in does in ethics Key Features of Reasoning about God Written clearly and concisely making difficult issues easy to understand Makes a strong case for belief in God based on various factors including arguments about fine tuning Kalam and near death experiences as well as approaches that are more instinctual or emotional A major theme of the book is There are many paths to God Includes material on both traditional topics of philosophy of religion like the problem of evil and other related topics of interest like whether religion is harmful life after death the variety of world religions and the meaning of life Explores how science connects to God s existence arguing that recent science is friendlier toward religion than older science Written by a Christian author whose defense of belief in God works with other theistic traditions as well like Islam and Judaism

*The Handbook of Near-Death Experiences* Bruce Greyson,Janice Miner Holden,Debbie James,2009-06-22 A team of international experts presents the history recent developments and controversies in the intriguing study of near death experience Experts from around the world share the history and current state of near death experience NDE knowledge They explore controversies in the field offer stories from their research and express their hopes for the future of investigation into this fascinating phenomenon As modern medical techniques for resuscitation advance NDEs are more frequently reported These include more than the popular notions of moving through a tunnel or seeing a light They also include people once revived knowing things their knowledge of which can t currently be explained As The Handbook of Near Death Experiences Thirty Years of Investigation makes clear great controversy exists in the medical and psychological fields concerning NDEs

Are they caused by physiological changes in the brain or are they biological reactions to oxygen loss or impending death Are they a product of changing states of consciousness Or are they caused by something else altogether All of these ideas and more are discussed in this unique and comprehensive volume *The Uttermost Deep* Gracia Fay Ellwood,2000-11 Covering neurological pharmacological and psychological approaches this book examines the constant themes that run through both positive and negative near death experiences **Death, Resurrection, and Transporter Beams** Silas N.

Langley,2014-08-22 What has Star Trek to do with eternal life It provides the perfect metaphor for understanding the main Christian views concerning what happens to us when we die In this book Silas Langley uses the Star Trek transporter beam to explain five main Christian views about life after death Each of us lives with some personal answer to the universal question of what comes after death Even among Christians views differ as to what exactly happens when we die Meanwhile the modern secular world increasingly challenges the possibility of life after death How can we live again after we die if much of science and philosophy suggests that all that we are dies with our bodies This book shows how each of these views responds to these challenges Death Resurrection and Transporter Beams sorts out these disagreements and their biblical grounding These differences matter since they bear on who we are and how we are to live our lives Readers will come away with a clearer understanding of their own beliefs on this topic and with tools to enter into dialogue with people whose beliefs differ **The Unholy Legacy of Abraham** G. M. Woerlee,2007 What are the consequences of living according to the Holy Laws of the Bible Torah or Koran The Unholy Legacy of Abraham discusses the biological basis of belief in religion before going on to analyse the Bible Koran and Torah and the effects of living strictly by the guidance of these holy texts
